REV. LUTHER O. MILLER
September 5, 1926 - March 27, 1986

The ministry of Rev. Luther O. Miller spans a period of 40 years, 1946-1986. Records of his earliest ministry are incomplete but they included pastorates in Clinton, Tennessee, and Yancey County.

Other pastorates outside of his native Mitchell County include Monroe, Michigan, and Old Fort, North Carolina.

Associational records indicate that he served Big Rock Creek on two occasions, 1954, and 1975-1976; Rebels Creek, 1973; and Cub Creek, 1982-1986.

Those who knew Brother Miller will remember him as a man of God who loved people and cared for the Lord's church.

"I know not where his islands lift
Their fronded palms in air;
I only know I cannot drift
Beyond his love and care."

(c) This is based on the current rate of 7.15%.

In addition to the Committee's recommendation of the Proposed Budget for 1986-1987, the following suggestions are made:

(1) We request that each church continue to make it's contributions for Associational Missions on the basis of a minimum of 4% of their regular offerings, payable monthly.

(2) Churches that do not support Associational Missions regularly on a percentage basis are urged to receive a special offering for this purpose annually during the month of May, in connection with the observance of Associational Emphasis Week, or at another time of their choosing.

(3) Extra Secretarial help for the preparation of last year's Minutes, plus printing cost is estimated to be \$3.00 per copy. Your Budget and Finance Committee suggests that in ordering copies of the 1985 Minutes that churches send their check with the Uniform Church Letter to the Association to cover the number of Minutes ordered.

SUNDAY SCHOOL REPORT

Historians trace the beginning of the modern Sunday School movement to a man named Robert Raikes, who was the publisher of the Gloucester Journal in England, in 1780. The purpose of his "ragged school" was to teach poor children reading, writing, and religion. Within six years 200,000 children were said to be attending Sunday Schools in England. Since then we as Southern Baptist have done more to develop Sunday School than any other single organization.

Naturally our Sunday School Board (SSB) has been charged with providing our churches with Bible-based, Bible-centered materials for use in teaching the Bible. In addition our SSB provides support and training materials for our teachers. State-wide our North Carolina Baptist Convention is available to provide training opportunities and assist in planning programs for our associations and churches where possible. While we as Baptists have direct access to the SSB it is our State Sunday School Department that serves as our primary link with the SSB. Locally our association has an Assist Team available for working directly with our churches in developing and enhancing our own Sunday School programs.

All of these are simply support teams because the most vital part of Sunday School is in the local church. Here our purpose is to involve people in life-changing Bible study that leads lost people to Christ and nurtures Christians in the faith. This is a two-fold purpose. First is Outreach. As Baptist we have done more to fulfill the Great Commission through Sunday School than any other means. Our current Outreach goal is challenge 10/90. Think of it like this, 10 million people studying God's word in Sunday School by 1990. Our part of that goal translates into 6 to 7 new people in Sunday School per year for every church in Mitchell County through the next four years.

Reaching people however is only half of our purpose. The second half is to engage them in dynamic Bible study.

Teaching the Bible requires an army of dedicated, trained teachers. People committed to the Lord, His Church, and the Bible.

In order to help our churches fulfill these two basic tasks we are providing two special opportunities this coming year. First, we want to start a Sunday School Teachers Diploma Program to provide training and inspiration for our workers. This training will be provided for workers at every level of our program. Second, in March we want to conduct a Sunday School Growth Campaign. Our State Convention will be working with us to provide leadership for those churches wishing to participate.

Sunday School has been and can be the greatest organization in our church for fulfilling the Great Commission. I ask that you join with me in renewing our commitment to having the best Sunday Schools in the Kingdom.

Respectfully submitted,
Rev. James E. Lankford

CHURCH TRAINING REPORT

The purpose of a church's training program is to prepare God's people for the work of Christian service, in order to build up the body of Christ, (see Eph. 4:12). Church Training offers programs of new church member training, church member training, and church leader training that seek to help individuals:

- to grow in Christian discipleship
- to understand and apply biblical doctrine
- to live according to biblical teachings
- to know and participate in the life and work of the church
- to build up the church through witness, worship, ministry and learning.
- to develop leaders for the work of the church.

During the past year, Church Training in our association:

1. Held "M" Night at Bear Creek.
2. Gave a dinner meeting/Church Training Interpretation Conference for the pastor and a layperson from churches that did not have training programs.
3. Sent Church Training Council members to the Enablers' Conference at Fruitland.
4. Sponsored Associational Youth Night.
5. Promoted the Children's and Youth Bible Drills and Speakers' Tournament with 58 participants representing 12 churches. We had the highest representation in the state.
6. Sent the Church Training Director to the Key Leadership Conference at Ridgecrest.
7. Participated in the Associational Key Leadership Conference.

Plans for the coming year include:

1. Working with the ASSIST Team to provide Sunday School leadership training.
2. Promoting Church Training in our association through "M" Night activities on November 17.
3. Offering Masterlife, an intensive six-month disciplining program, to pastors and laypersons.
4. Conducting a Church Training Leadership School in January
5. Encouraging even greater participation in our rapidly growing Bible Drills and Speakers' Tournament.
6. Promoting Annual Doctrine Study (this year's study will be "The Doctrine of Prayer").

The Associational Church Training Council is eager to help your church start new training programs or expand existing ones. Members are: Rev. Larry Greene, Church Training Director; Gerald Wilson, Adult Director; Keith and

Sally Whitson, Youth Co-Directors; Nina Buchanan, Children's Director; and Hattie Buchanan, Preschool Director. Please let us help you by informing us of the particular training needs of your church.

Respectfully submitted,
Rev. Larry Greene

W.M.U. REPORT

The WMU Emphasis for 1985-86 has been "Multiply The Vision." The hymns were "Stir Thy Church, O God Our Father," "Open My Eyes, That I May See," and "After Morning Rain." From Paul's prayer of Thanksgiving in Colossians 1:3-8 is drawn the WMU watchword for 1985-86. We are challenged to share the vision of the true gospel which has two outstanding characteristics - it bears fruit and it spreads. (Colossians 1:6) All over the world this gospel is producing fruit and growing just as it has been doing among you since the day you heard it and understood God's grace in all its truth.

The following are some of the highlight of the WMU year:

- August 20, 1985, WMU Conference at Ridgecrest, attended by Associational WMU Director, Shelba Snipes, and Louse Snipes and Kay Clark from Grassy Creek.

- August 30, 1985, Acteens Associational Overnight Retreat at Mount Carmel Baptist Church, under leadership of Acteens Director, Betty Calloway. Girls from Mt. Carmel, Pine Branch, and Grassy Creek enjoyed the retreat led by BSU students from Appalachian.

- September 23, 1985, Associational WMU Leaders met at Western Steer Steak House to make plans for the coming year. The time and places were selected for the WMU Workshop, Baptist Women's Day of Prayer, and for the WMU Annual Meeting.

- November 14, 1985, the WMU Workshop was held at Berry Chapel. Eleven churches were represented with 35 members present.

Checks totaling \$75 were sent to the Women's Department of the Baptist World Alliance. This offering came from ladies from Altapass, Beaver Creek, Grassy Creek, and Spruce Pine, First.

- November 17-20, 1985, were the Foreign Mission Study dates. The theme was "Church Planting."

- December 1-8, 1985, was the Week of Prayer for Foreign Missions. The theme was "And I Will Pray." The Lottie Moon Christmas Offering National Goal was \$70,000,000.

- January 8, 1986, WMU in North Carolina was 100 years old. Most of the WMU groups in our association celebrated with a birthday party.

- February 9-15, 1986, was Focus on WMU week.

- February 16, 1985, the WMU Director was invited to Roan Mountain as guest speaker for Baptist Women's Day. The ladies were in charge of the service.

- February 16-19, 1986, was the Home Mission Study. The theme was "Ministry, Challenge, and Servanthood."

- February - March 1986, the WMU Director was very active in teaching the Adult Study, "Servants Like Him." She taught this study to three different groups of ladies at Grassy Creek, and one group at Central.

- March 2-9, 1986, was the Week of Prayer for Home Missions and the Annie Armstrong Easter Offering. The theme was "How Far Love Reaches." The national goal for the Easter Offering was \$33,500,000.

We are pleased to report the new groups that have been started this year:

Mission Friends, G.A.'s and Acteens at both Roan Mountain and White Oak; G.A.'s at Altapass; a new group of Baptist Women at both Bakersville and Grassy Creek; and WMU started

at Mine Creek. We hope to get more new groups started this next year. If you need our assistance the Associational WMU Council is here to help you.

BROTHERHOOD REPORT

This has been a year of excitement and growth in Brotherhood work in our association. We have been challenged to become involved in missions.

On November 18, our Annual Brotherhood Workshop was well attended. We were first presented with slides about Camp Caraway for boys. We then met in groups to discuss the different areas of work. Through this meeting we learned of the recent flood disaster in West Virginia and the continuing need for help. We reached a contact person in West Virginia later that week and were told of many needs and that any help would be appreciated. We then contacted each church in our association and asked them to ask for volunteers and provide any assistance possible for them or take a special offering on Sunday, November 24, to be used on a disaster relief mission trip on Thanksgiving weekend, November 28-30.

Early in the week we learned that as many as 66 men from 17 churches were interested. Also 10 churches had given over \$2,200 through the association for the mission trip. All this had occurred in only 9 days since our Brotherhood Workshop.

On Thanksgiving Day, November 28, a total of 38 men from 9 churches were ready to go to West Virginia. After a short trip, 29 were forced to return due to more flooding in West Virginia, but 9 men from Bear Creek evaded the Highway Patrol and they arrived at the disaster scene on Friday morning. An excellent article on their trip and the disaster scene was in the December 29 News-Journal.

We then began to try to reschedule the mission trip before the upcoming Christmas rush. We were able to get 18 men from 6 churches to leave on December 11 and 12 in two groups. Some of the various places we worked were on a farm, a couple of nearly destroyed houses, a trailer park, a store, a preacher's house, and helped restore the North Fork Baptist Church.

Of the \$2,200 given through the association, 82% went for missions and only \$400 was used for room, board, and gas. Counting money given by churches to their men for expenses and personal money spent, we had total expenses of \$1,800 or \$22.50 per man per day including transportation and we gave \$2,600 to several missions uses, including materials for the church and various needs we saw as we were ministering, which were voted on by the men who participated. During the time our 27 men were in West Virginia we spent 76 days of work, (men x days).

On Saturday, May 3, our Fourth Annual RA Track Meet included 53 boys from 6 churches. These churches were White Oak, Chestnut Grove, Bear Creek, Grassy Creek, Spruce Pine, First, and Pine Branch. Then on May 16-17, two churches sent 12 boys to compete in 16 different events at the State Pioneer RA Track Meet at Gardner-Webb College. These boys earned 2 blue ribbons, and 4 red (second place) ribbons. This included second place finish in the All-Star 440 yard relay which included Ted Duncan and Chris Grindstaff from Spruce Pine, First, and Brian Renfro and Shane Buchanan from Pine Branch.

From Friday, June 13, to Saturday, June 21, we were able to borrow the N.C. Baptist Men Disaster Relief Unit from Region 7 Disaster Relief Coordinator Skip Green, in Boone. This Disaster Relief Unit is a 45 foot trailer pulled by a 1972 Mack tractor. This "Unit" carries a 1,000 gallon water tank, sleeps eight, can communicate anywhere within the U.S., and carries the resources to feed 3000 people per meal, two times a day, for 15 days, or 90,000 meals before being restocked. The Disaster Relief Unit has

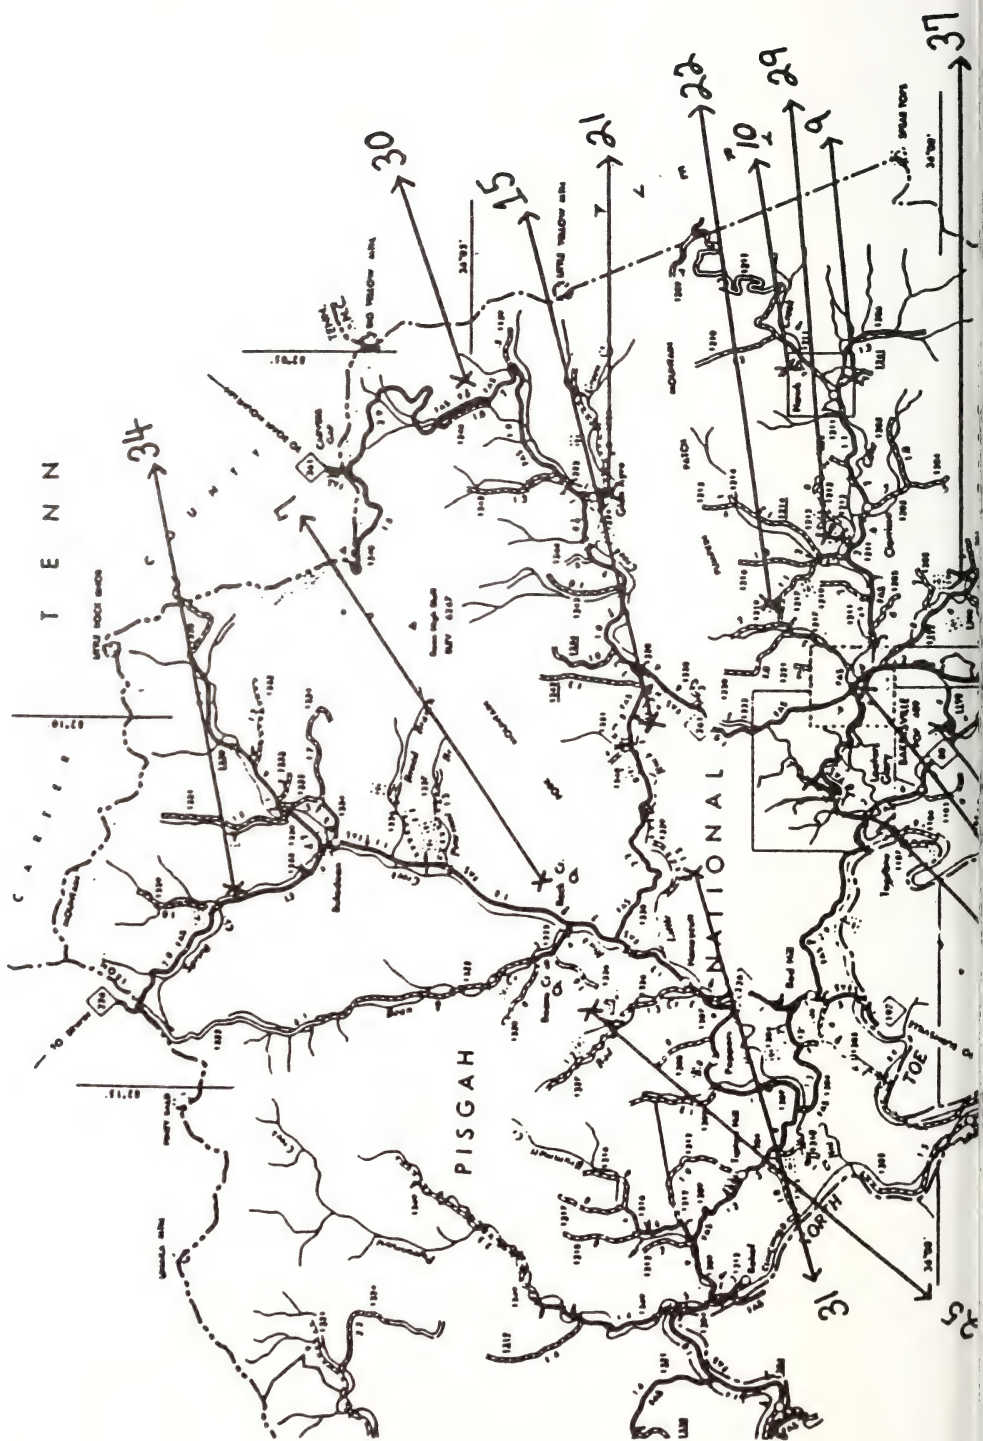

responded to 3 disasters since it was dedicated in 1984, including 2 disasters in North Carolina.

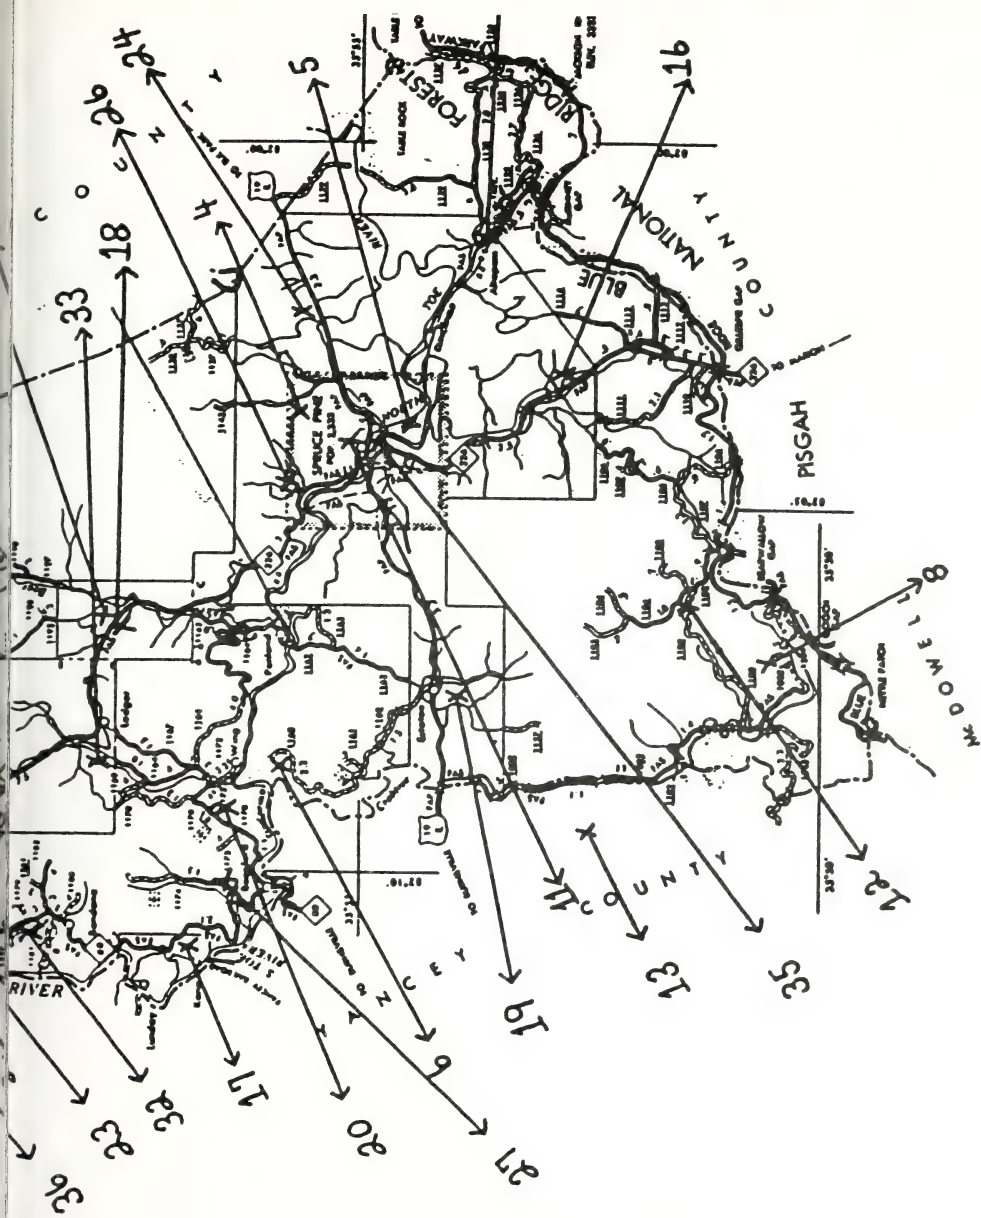

During the week we displayed the Disaster Relief Unit for two days, for the public, in downtown Spruce Pine and the Spruce Pine Shopping Center. We visited three churches around their Sunday services, six churches during their Vacation Bible School, and one church during their Wednesday services. We also visited Mayland Technical College on Thursday afternoon. We parked the unit in different sections of the county for everyone to see on their way to work. We want to thank the following people who were of tremendous help during the week: Fred Burleson, Matt Burleson, Robert Stroup, Jr., Jerry Sullins, and Dennis Woody.

Finally on July 24, at the Key Leadership Conference, several men met to discuss their problems with Baptist Men and RA's.

During the coming year we will be having our Annual Brotherhood Workshop on Monday, November 17. On January 19, we will have a Baptist Men's Rally with a guest speaker. On Sunday, March 1, we will have a Crusader Car Competition and Mission Fair in preparation for the State RA Congress on March 20-21, in Winston-Salem. Our Associational Track Meet will be held on May 2, and the State Pioneer Track Meet on May 15-16, at Gardner-Webb. In early summer we will hold a workshop to explain changes and the reasons for change in the Brotherhood Program, coming in October 1987. We will finish the year on August 15, with an Associational RA Congress, including speakers, music, and various competitions with awards.

There are also many exciting state events in the coming year. "RA Day" will be held at Mars Hill on September 13, and Gardner-Webb on October 18, where for \$4.25 you can eat lunch, tour the campus, and see a football game. On October 4, will be "see Wake Forest Day" which will include lunch and Wake Forest vs. Virginia for about \$6.50. On September 27 there will be a Western North Carolina Baptist Men and RA

Convention at Mars Hill. This will include an exciting program, booths of all Baptist Men's Ministries, an afternoon soccer game, and all-you-can-eat Barbecue for only \$6.00. The N.C. Baptist Men's Convention will be November 7-9 in Raleigh. Wake Forest will also have "Baptist Men's Day" at two ACC basketball games; Duke on January 31, and State on February 28. Camp Caraway for boys in grades 4-12 will be open from June 15 to August 1. This is a week of study and fun for only about \$65.

On behalf of the Mitchell Association, I have participated in the following Brotherhood events during the year.

- Taught 9th graders during World Mission Week at Caswell in July.
- Attended two Baptist Men's Board Meetings in February and September.
- Attended Brotherhood and R.A. Director training in August and September.
- Attended Baptist Men's Convention at Charlotte in November.
- Taught at Pioneer Officer and Counselor Workshop at Caraway in October.
- Took a group to see Wake Forest Days; Football in October and Basketball in January.
- Attended and helped in Crusader and Pioneer Congresses on consecutive weekends at Gardner-Webb and Wingate Colleges in March.
- Helped with the Pioneer State Track Meet in May.
- Received orientation during Foreign Mission Week at Ridgecrest in June.
- Attended the Baptist State Convention in Charlotte in November, and the SBC in Atlanta during June.
- Attended the National Pioneer R.A. Congress in Memphis in August.

I am thankful for the Brotherhood Program in every church, even though it may not be reported. EVERY CHURCH HAS AT LEAST ONE MAN WHO MINISTERS IN HIS COMMUNITY. THIS

IS GRASS ROOTS BROTHERHOOD. Please recognize these men and their ministry.

Brotherhood in Mitchell County is growing at a tremendous rate but as Baptist Men our first obligation is to engage in or "do missions." We as Christians cannot pay or pray away our obligation to be involved in missions ourselves. A missionary is a person with a mission and every believer's mission is to proclaim and demonstrate God's love, through Christ, to all people. During this year you WILL GO somewhere. Brotherhood is simply, proclaiming Christ AS WE GO.

Joel Young

EVANGELISM COMMITTEE REPORT

Evangelism is the presentation of the gospel of Christ, in the power of the Holy Spirit, to bring lost people to repentance, to have faith and to make a commitment to Jesus as Lord and Saviour. Because it is every believer's responsibility to evangelize, it is the church's greatest task.

In our association this year we as individuals and churches have sought to be about this greatest task of all. Only time will tell the final results of our efforts.

This past spring eighteen of our churches joined efforts with churches nationwide in simultaneous revivals. What a wonderful experience to see revival take place in our churches. Many souls were won to the Lord and renewed zeal is evident among our people. Prior to the revivals in our association we had an Evangelism Rally at Pine Branch Baptist Church with Rev. Ad Hopper from Ellenboro, N.C. as our challenge speaker. We are planning an Associational Evangelism Conference, February 24, 1987.

Two other events have greatly blessed those who have taken advantage of them. Those were the State Evangelism

Conference in February and the Youth Evangelism Conference in July at Greensboro, N.C.

May we have a greater zeal to share the Lord than ever before. May we say with the prophet: "His Word was in mine heart as a burning fire shut up in my bones, and I was weary with forebearing, and I could not stay." Jeremiah 20:9

THE EXECUTIVE COMMITTEE REPORT

October 3, 1985

Members of the Executive Committee met at Lily Branch on Thursday evening, October 3, for a special session called by the Moderator. Rev. Ricky Barnes, new pastor of the host church, shared a devotional thought and led in prayer.

Annabelle Blanton reported a balance in the regular fund of \$3,095, plus \$1,330 in designated funds. The Building Fund balance is \$4,424.64. This is a corrected figure from the previous report.

Rev. Borders reported that "letters of acknowledgement" had been received from Dr. Charles Fuller and Dr. Charles Stanley. Copies of resolutions passed at the annual session had been sent to these men. The Biblical Recorder makes a charge for printing resolutions. The Executive Committee voted to ask the Recorder to use the resolutions as a news item. There is no charge for this.

Rev. Borders reported on the cost of printing the Minutes. After discussing this matter the committee voted to have Edmonds Printing Company of Lawrenceville, Virginia, to print the Minutes for the current year. Using 88 pages and 700 copies as an estimate, their bid was \$776. This will leave more funds to offset the extra time by the office secretary in preparing "camera ready" copy for the printers.

Two churches have offered to purchase the audio equipment owned by the association. The high bid was \$750. The Executive Committee voted to list this equipment in the newsletter one more time and "to receive sealed bids" at the associational office, until December 31. At the January meeting of the Executive Committee the bids will be opened and the equipment will be sold to the highest bidder.

There was a lengthy discussion about the date for the annual meeting in 1986. The members adopted a motion that the date and hours for the 1986 Annual Meeting be August 25-26, Monday afternoon and evening and Tuesday evening. The Program Committee will determine the hours after formulating the Tentative Program. This represents a one time change. The Program Committee will bring a recommendation regarding future annual sessions for consideration by the messengers at the 1986 meeting.

Rev. Vernon Buchanan, Chairman of the Nominating Committee, recommended Steve Atwood as Associational Youth Director. He was elected by the Executive Committee.

Rev. James Lankford reported that a local business man, and member of First Baptist Church, has offered a building located on Greenwood Road opposite of Spruce Pine Lumber Company to the church as a gift. One of the conditions for this gift to First Baptist is that office space for the Mitchell County Baptist Association be made available until the association can construct its new office building on the lot donated by Berry Chapel Baptist Church. The association would be responsible for utilities and modifications to the interior of the building, but no rental fee. Should First Baptist accept this offer the Executive Committee voted to move the associational office and approved the expenditure of "up to \$1,000" for modifications.

The Executive Committee voted to have a five member Building Committee for the new building appointed by the Moderator. At the January meeting of the Executive Committee the Moderator will appoint a Finance Committee.

Rev. Buster Yelton closed the meeting with prayer.

January 16, 1986

Members of the Executive Committee met at Bakersville on Thursday evening, January 16, for its regularly scheduled session. Rev. James Lankford shared a passage of scripture and led in prayer.

Annabelle Blanton reported the year-end balance of \$4,057.31. During the month of January receipts have been \$5,388.37. Interest earned on the checking account for 1985 was \$388.77. The current balance in the Building Fund is \$4,605.63. The decision was made to place \$3,000 of the amount in a savings account "for up to one year" to realize the greatest interest rate.

Joel Young gave a report on the volunteers who made the trip to the flood area in West Virginia. He reported a total of \$3,901.20 given by the churches and individuals for this purpose. A total of 28 men made up the group, and this was equivalent to 76 days of work.

Churches that contributed funds and/or volunteers include: Berry Chapel, Grassy Creek, Bear Creek, Pine Branch, Roan Valley, Cub Creek, Spring Creek, Crabtree Chapel, McKinney Cove, Ledger, Black Mountain, and Mount Carmel. First Baptist made a cash contribution and donated the use of their van.

Rev. Vernon Buchanan, Evangelism Chairman, announced a Pastors' Briefing for "Good News America" Simultaneous Revivals. The "Briefing" will be during the regular Pastors' Conference on February 10, Ledger Baptist Church, 10:30 A.M. Also, an Associational Rally will be held on March 25, 7:00 P.M., at Pine Branch Baptist Church.

Rev. Borders reported on the move of the associational office to 113 Greenwood Road. He estimated that the move would not require more than \$500 for remodeling.

As announced at the last Executive Committee meeting, the audio equipment would be sold by sealed bid. Pine Branch was high bidder at \$200.

Rev. Frank Blevins, Moderator, reported that the Building Committee planned to meet with the Director of the State Convention's Church Building Planning Department. This committee expects to make a progress report at the April 3, meeting of the Executive Committee.

Rev. Sam Brewer closed the meeting with prayer.

April 3, 1986

The Executive Committee met on Thursday evening, April 3, 7:30 P.M., at Mine Creek Baptist Church. Scripture and prayer were by Rev. Richard Grindeland, pastor of the host church. Eleven churches answered to the roll call of churches.

Rev. Hugh Borders read the Treasurer's Report for Mrs. Annabelle Blanton who was unable to be present. As of April 3, there was \$3,483.61 on deposit. Of that amount of \$96.78 is designated funds for the Pastors' Fellowship, and \$585.91 was reported as "Cash on Hand." That leaves a balance of \$3,972.74 in the regular fund account.

On January 17, 1986, a Certificate of Deposit in the amount of \$3,000 was purchased with funds out of the Building Fund Account. This left a balance of \$1,663.26 in the Building Fund.

The following items of business were approved:

(1) The date, time, and place for the annual sessions this year will be: Monday afternoon and evening, 3:30 - 5:30 P.M., and 7:00 - 9:00 P.M., August 25, Mount Carmel Baptist Church; and Tuesday afternoon and evening, 3:30 - 5:30 P.M., and 7:00 - 9:00 P.M., August 26, First Baptist Church, Spruce Pine. The theme for this year's annual meeting will be Evangelism.

(2) Rev. Gerold Grindstaff was named as the Alternate for the Annual Sermon to replace Rev. James Green who has moved.

- j. Stewardship Director - Rev. Walter Ponder

(4) The Executive Committee members voted at the suggestion of the Associational Council, to recommend to the annual session that a World Missions Conference be scheduled for October 2-9, 1988.

(5) In the absence of Keith Whitson, Chairman of the Building Committee, Rev. Hugh Borders reported that two meetings of this committee have been held. On February 6, the Committee met with Robert Clegg, Director of Church Planning, Baptist State Convention.

Following that meeting an aerial photograph of the Berry Chapel property, six black and white photographs, and a rough sketch of the lot including a plot plan and topography figures, were sent to the Church Architect Department, Baptist Sunday School Board, Nashville, Tennessee.

On the basis of the Building Committee's suggestions, and using the above materials, the church Architect Department was requested to prepare a tentative floor plan for an office building.

Mr. Jerry Grubbs of the Nashville office tells us that the floor plans should be in Spruce Pine around May 1.

In the near future our Moderator, Rev. Frank Blevins, plans to name a Building Fund Committee consisting of one lay person from each church. (Churches already represented

on the Building Committee will not be included in this second committee.) Members of the Building Fund Committee will keep our churches informed on the progress of the building, and help in the appeal to churches for funds.

(6) Joel Young, Brotherhood Director, reported that the emergency van from the State Brotherhood Department is scheduled to be in our county for a week in the near future. This van will be parked in various locations and open to the public.

(7) Robert Stewart, Sunday School Director, Baptist State Convention, closed the meeting of the Executive Committee with a report on Sunday School work. He challenged our association to schedule a Sunday School Growth effort for 1987.

July 24, 1986

The Executive Committee met on Thursday evening, July 24, 7:00 P.M., at Bear Creek Baptist Church. This brief meeting preceeded the annual Key Leadership Conference. To conserve time the roll call of churches was omitted.

Annabelle Blanton, Associational Treasurer, reported a Building Fund balance as of June 30, of \$1,811.02, plus \$3,000 in a Certificate of Deposit. The balance in the Regular Fund Account was \$6,440.23, as of July 24, with July salaries and other regular expenses yet to be paid.

The members of the Executive Committee dealt with the following items:

(4) Voted to recommend adoption of the Proposed Budget to the messengers of the annual session.

(5) Heard a report, including five pages of architect's drawings, from the Building Committee for an associational office building. Keith Whitson, Chairman of the Building Committee, asked that the Executive Committee accept the proposed plans as being adequate and practical, and authorize the Building Committee to proceed in the preparation of detail specifications for the proposed structure. Mr. Whitson indicated that every effort would be made to have a full report ready for the annual meeting.

BAPTIST RETIREMENT HOMES REPORT

In recognition of the increased proportion of adults now 65 or older, the Baptist Retirement Homes of N.C., Inc., has sought to create a broader awareness of its services

across the state. Implementing state-of-the-art communication techniques through use of the Biblical Recorder, local newspapers and direct contacts, the Homes is effectively making itself known to greater numbers of Senior Adults and to a concerned and responsive denominational community.

The leadership of the Baptist Retirement Homes is addressing major changes which suggest a need for an adjustment of services. The sheer size of the Senior Adult population in the next decade is expected to require a significant expansion of existing services. Already consideration is being given to the construction of Continuing Care Communities in Asheville and Charlotte and to the renovation of the campus in Winston-Salem.

With extended longevity, the Baptist Retirement Homes anticipates ministering to Senior Adults who will live longer and healthier lives. More choices need to be available to these individuals as they experience added years of activity. Planning has begun to move beyond the standard services now available to consider additional possibilities such as home delivery of health services.

While the past year has brought a forward look at the direction of retirement care, attention has also been directed toward improvement of existing services. The following facts and figures highlight the achievements of the Baptist Retirement Homes from August, 1985 through June, 1986:

- Sound financial management again eliminated the need to increase residential fees.
- Over \$900,000 of benevolent care was provided to residents.
- Of a projected 3.4 million dollar budget, the Cooperative Program and Homes & Hospital Offering provided \$785,000.
- Over 40 new residents were admitted to the Homes and Nursing Care.
- Construction and renovation of seven new housing

units was completed in Willow Cove on the Winston-Salem campus.

- Bill Stillerman became the new President of the Homes.
- Jack Hoyle was appointed Vice-President in Charge of Administration.
- Carolyn Bunting was appointed Assistant to the President for Admissions.
- Jim Saul was appointed Assistant to the President for Personnel.
- Don Peiffer was appointed Assistant to the President for Business Affairs.
- A video tape, "Not An Ordinary Person," produced by the Homes in 1985, won the M.E. Dodd Award for Video and Film Productions.
- Residential and apartment living remain available. Requests should be made through the Assistant to the President for Admissions.

Under the focused and energetic leadership of Bill Stillerman, President of the Homes since November, 1985, the fine tradition initiated by past Presidents will continue. Yet, the Trustees and Administrative Staff of the Baptist Retirement Homes believe the Participation of North Carolina Baptists to be critical for the successful growth of the Homes. By remaining sensitive to retirement care issues and by staying informed and supportive of services offered by the Retirement Homes, North Carolina Baptists can help assure a system of services adequate to the growing demand.

Ed Proffitt

BAPTIST HOSPITAL REPORT

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from all across North Carolina, from 31 other

states and the District of Columbia. Eight patients came from outside the United States. An additional 252,043 ambulatory patients were seen in the outpatient clinics and the emergency department.

These people came to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the tertiary health care they needed. For example, Baptist Hospital surgeons successfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40% of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of 9 young people who drank potassium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recovery time for many patients. Most patients can be discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another. The helicopter not only provides faster transportation but is equipped and staffed to provide emergency care for patients while they are in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir, Asheville and Rockingham. (The Raleigh Center has become independent.) These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the

hospital made 56,460 visits with patients, families and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's \$150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist churches of North Carolina gave \$566,307 through the Cooperative Program and \$374,238 through the North Carolina Missions Offering. These gifts help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

Respectfully submitted,
Rev. Bruce Buchanan

BAPTIST CHILDREN'S HOMES REPORT

The Centennial Year for the Baptist Children's Homes of North Carolina was concluded with an exciting, informative and inspiring day on November 11, 1985. The exciting words of Dr. Blackwell, in behalf of our staff, children and trustees, renewed the commitment to continue fulfilling the mission and broad purpose of this child care ministry. Those words still ring in the ears of those present for this occasion.

The mission is to care for dependent, neglected, homeless and troubled children; unwed mothers and their children; and the rendering of related services to the relatives. Services are directed toward the preservation, conservation and rehabilitation of families to avoid, wherever possible, the placement of the child away from home.

In our one hundredth and first year of child care, more than 1,500 children were served. From this group of children/youth, many had no religious affiliation when admitted to our care. Our pastors baptized more than twenty-five youth into the fellowship of the local church.

The New Homes & Hospital Offering, approved by the Convention last November, claimed the attention of our staff during the first five months of 1986. The offering was received in May with fifty percent of that which was received going to the Children's Homes, twenty-five percent to the Hospital and twenty-five percent to the Retirement Homes. The goal was \$1.6 million. We encourage you to help promote the new offering in your church during May 1987.

The happy news from the west is that construction has begun on the Moody Farm cottage, located in the Iotla Valley of Macon County.

Mary Lewis and Gary Bruin, experienced child care workers on the Mills Home staff for nine years, have accepted the responsibility of giving leadership as directors of the Moody Farm Ministries.

Special appreciation is expressed to our Western Area child care and social workers who serve so faithfully at our Maternity Home in Asheville, the Thermal Belt Youth Shelter in Forest City, and the Broyhill Home in Clyde/Waynesville. These facilities have operated at near capacity throughout the year. The children served have mostly been those who call for extra measures of strength, wisdom and love. The words, "Care Finds a Way" truly apply to these wonderful servants of our Lord.

Respectfully submitted,
Rev. Gerold Grindstaff

BAPTIST FOUNDATION REPORT

The purpose and objective of the Baptist Foundation has been, from the date of its incorporation and by the terms of

its charter, to assist individual Baptists to find ways of continuing their support of all Baptist causes - institutions, agencies, mission causes - with estate and deferred gifts. As a result, trust funds are now administered which benefit local churches, associations, specific mission objects and offerings, and every agency, school, and institution supported by Baptists.

In 1985, North Carolina Baptists placed over one million dollars in new trust agreements with the Foundation, making provision for the perpetual support of practically every Baptist cause. Endowment of Cooperative Program was a primary trust designation.

It is now possible through the Foundation for each Baptist to "Give it Twice", once to family, then to Kingdom causes. Through properly constructed trusts and Wills, family members and friends can receive from one's estate, over a period of years, an amount exactly equal to, or even greater than the estate portion they would normally receive through an ordinary estate distribution. With the "Give it Twice" plan, after the family receives their portion, the entire estate principal is still intact, with the income from the entire estate available for Christian causes - forever. If giving is exciting for the Christian, giving it twice is surely twice as exciting!

An indirect, but profound benefit of Foundation services to the local church has been the enhancement of individual stewardship growth and commitment. In nearly every instance, those who elect to commit to Kingdom use a portion of their estate assets, are during their lifetime more committed stewards. They enjoy their giving, and this happy, conscious stewardship dedication must be a profit for the church.

The Foundation seeks to inform Baptist people of:

1. Their responsibility as stewards to make provision for the future use of their resources.
2. The critical need experienced by all Baptist

causes for endowment support - the ongoing, assured support of those who support them now.

3. Ways by which these realities may be met and accomplished.

4. Counsel in wise decisions for endowing any Baptist cause - for instance, the Foundation may discourage a trust for a cemetery fund if the church already receives more funds than are needed to maintain that cemetery.

Specifically, the local church may be benefitted in these ways:

1. Members are encouraged to name local church in their Wills. A percent of the estate is usually preferred, rather than a dollar amount.

2. The church may receive real estate in a Life Estate agreement. The individual deeds to the church certain property, or a portion of such property, maintaining all rights and responsibilities to it for life or for a designated period, and then the property becomes that of the church.

3. Appreciated property and securities, "E" bonds, church bonds, bank shares, and nearly any property of value can be transferred into a trust which can benefit the individual and the church - now or at a future date.

4. The Foundation assists churches in establishing their own endowment, memorials, or Planned Giving committees, then works with the committee to promote estate stewardship among the people. The Foundation can - and does - serve as fiscal agent, managing the memorial funds, etc. received as a result of church committee's efforts, and then distributes the income back to the church or other designated beneficiaries.

5. Local churches are now investing special funds which they hold for some future cause, with the Foundation for loans to new churches, to associations to purchase property for new churches, etc. These may be long-term or short-term loans, and each is handled on an individual

basis. The local church receives a fair return on its funds while enjoying the knowledge they have made those funds available to a struggling congregation who is engaged in the same "calling" as they - preaching the Gospel of Jesus Christ.

6. Local churches, or specific programs of local churches, may be named beneficiary and owner of insurance policies, or the church may be named co-beneficiary, secondary beneficiary, remainder beneficiary, residual beneficiary, or even dividends may be assigned to the church. Tax consequences may accrue to the donor in each case.

In summary, every cause the church promotes and supports can be endowed for perpetual and "forever" support. The Foundation's role is to help the church, church members, and congregations find the best ways to do so.

STATE MISSIONS REPORT

One cannot understand or appreciate State Missions without seeing a much larger picture. Frances Riley, in her study book, Changing Lives, refers to the five fingers of an outstretched hand to illustrate the interrelatedness of the various mission functions sponsored by Southern Baptist Churches. She named the fingers on this hand as "(1) Individual churches, (2) Groups of churches in a given area working together (associations), (3) Churches throughout the state working together (state conventions), and (4&5) All three working together to win people here at home and those abroad (Home and Foreign Missionaries)." These five ministries, "missions," are so closely interwoven it is impossible to separate them.

This year's State Mission Offering goal of \$1,125,000

will be divided between eight ministries: (1) Mission Ministries, (2) Caswell Capital Funds, (3) Heck-Jones (WMU), (4) Christian Higher Education, (5) N.C. Baptist Men, (6) Caraway, (7) Caswell, (8) and The Christian Action League of N.C.

From the wording of each of the ministries it is fairly clear what activities and programs will be carried out except for the first category, "Mission Ministry." Under this umbrella term are included a wide range of ministries that are conducted by local churches and associations with financial support from the State Convention. These include language missions to American Indians, Chinese, Koreans, Japanese, Asian Indians, Vietnamese, Laotian, Spanish, and those from the Middle East.

In addition there are ministries to special groups by Volunteer Chaplains, Student Summer Workers, Seminary Extension, Bivocational Ministries, and Ministries to Special Persons, i.e. persons with mental retardation, persons who are blind, and persons who are deaf.

"God's dreams --- are what State Missions is all about. God's dream (is) that every person on earth will come to know Him and will choose to love Him and serve Him with all of life.

"Helping God's dream come true is what you and I are called to do."

VACATION BIBLE SCHOOL REPORT

The summer of 1986 has been a busy one for the churches in the Mitchell Association. As of this writing, 23 churches have reported Vacation Bible School with a total enrollment of 1,914 and 63 professions of faith and rededications. These reported figures reflect a great deal of planning, preparation and hard work on the part of the

participating churches. The fact that Vacation Bible School is so much a part of the life of our churches confirms its importance.

The concept of VBS began 84 years ago, and its endurance and growth are proof that God has bestowed His blessing on what began so long ago in a beer garden in New York City.

I appreciate the opportunity to have served as Associational VBS Director for these past 4 years. I have gained from the experience in many aspects. Most importantly, I have learned to appreciate Mitchell Association and the churches who support Vacation Bible School through participation in the clinics and their own church Bible School. It is a wise church who takes advantage of the opportunities offered by a Bible-centered Vacation Bible School. It is my prayer that every church in our association will receive the blessings God gives through VBS.

I wish to thank those who served as VBS Team Members over the past four years. I greatly appreciate the dependability and hard work of each person who was a part of the team. Their love for Bible School contributed to the success of the VBS clinics.

I also appreciate each church who supported the clinics through participation and attendance. A special "thank you" to Bear Creek Baptist Church for graciously hosting the VBS Clinics over the years.

May God richly bless each of you as you allow Him to use Vacation Bible School as an instrument for sharing His love in our churches and communities.

COOPERATIVE PROGRAM REPORT

One of the greatest programs ever developed by Southern

Baptist is the Cooperative Program. Through the Cooperative Program each of our churches can send missionaries overseas, support home missionaries, support seminars, hospitals, homes for the aging, homes for unwed mothers, etc. These are things that my church and many of your churches could not do individually. But through the Cooperative Program we can have a part in all of these and more.

You may want to know how we are doing in our giving. The following is a scale to show you how our churches give to the Cooperative Program. It is our prayer that all of our churches will give at least some percentage of their budget to the Cooperative Program.

The above information was taken from the 1985 Minutes of the Mitchell County Baptist Association. In the first 6 months of this year, 2 churches gave the same as last year, 8 churches had a decrease, but 13 churches had an increase in giving.

STEWARDSHIP REPORT

Oh No! Not another report on money!....No, not just money, but time, talent, and all of you. Jesus did not ask for us to commit one arm, or one leg, or half our tongue. He wants and desires to have us commit ourselves to Him.

It has been reported that we have just finished a great year in Mitchell County Baptist Association. We have Sunday School, Church Training, and all the organizations, and we have had a successful year financially. Thank you for your support to Christ, to your local church, and to our association.

Now to deal with the stewardship of money. We trust that our churches will set a goal of at least 4% of their undesignated gifts to Associational Missions. Missions here in Mitchell County are just as important as in any part of God's creation. The best way to begin is where we live (Jerusalem) and then reach out to the uttermost parts of the earth (Acts 1:8).

Please note the following scale to see where your church is in relationship to missions giving to Mitchell Association. Would you pray and give that Mitchell County can be led to Jesus Christ our Saviour?

ANNUITY BOARD REPORT

The purpose of the retirement program is to make available retirement benefits to all ministers and denominational employees in churches and agencies. The retirement needs of people employed in churches and agencies are met by using a combination of plans.

The Annuity Board also administers the insurance program which includes life, long-term disability, group accident, and medical coverage for employees of churches and agencies and for trustees and seminary students.

As of June 30, 1986, 15 churches in the Mitchell County Baptist Association have 17 pastors and staff persons in the Annuity Board's retirement program. The association has the Director of Missions in the retirement and insurance program.

HISTORIAN'S REPORT

This past June I retired after more than 43 years as a Southern Baptist Pastor. More than 41 years was spent pastoring churches in the Mitchell County Association. I thank God for this wonderful privilege. I love you, the people of this association.

I pastored Mount Carmel Church early in my work. It met in a small building that was just in front of the present beautiful building. I remember many wonderful services there. As I look back I can hardly believe the great progress that has been made in the Mitchell Association Churches.

I have seen many pastors come and go. The most of these men were wonderful men of God. Many have gone on to be with our Lord Jesus Christ. We miss them just as we miss many of the lay people who have gone on home.

Our churches have the greatest opportunity now to do the work of our Lord than ever before in our history. Are we taking advantage of this great opportunity? I wonder? God help us.

CHRISTIAN HIGHER EDUCATION REPORT

CAMPBELL -	CHOWAN -	GARDNER-WEBB -	MARS HILL
1887	1848	1905	1856

MEREDITH -	WAKE FOREST -	WINGATE
1891	1834	1895

North Carolina is a recognized leader in Christian higher education. Baptists have established and supported seven colleges for a cumulative total of 786 years. Leaders who formed the Baptist State Convention in 1830 did so with founding a college in mind. Baptists and their colleges have grown up together in North Carolina. The histories of the Convention, the churches and the colleges are inseparably intertwined.

The "roll call" of colleges, and a brief mention of current items of interest and concern, are listed for the benefit of the associations:

Campbell - During 1986, there is a special observance of the centennial year, using as a theme "A Century of Vision and Service." The new School of Pharmacy will open in the fall, and a School of Education has been established for graduate studies. Programs are offered in Goldsboro, Rocky Mount, Raleigh, Fort Bragg, Sanford, and in Wales and Malaysia.

Chowan - Enjoys a national reputation as a two year institution of high quality. President Bruce E. Whitaker was recently named as one of the 17 most effective chief college administrators in the nation. Chowan is engaged in a four million dollar campaign for additional student aid, scholarship assistance and program support.

Gardner-Webb - On May 31, 1986, Dr. Craven E. Williams completed his tenure as president, begun in July, 1976. On June 1, Dr. M. Christopher White, Vice President of Elon College, became the 10th president of Gardner-Webb. Included in its many educational programs are assistance for deaf and blind students who wish to earn a college degree.

Mars Hill - A comprehensive revision of the General Studies curriculum, to be implemented in the fall of 1987, includes statements of convictions by the faculty. Included in these are the centrality of Christian faith, morals and purposeful life, responsible citizenship and the value of work. Scholarships to attract superior students continues to be a major emphasis.

Meredith - "Through instruction" and "culture made perfect through the religion of Jesus Christ" are central to the college mission. Extensive studies during 1986 resulted in a reaffirmation of Meredith's commitment to education for women in both undergraduate and graduate programs. Construction of the Gaddy-Hamrick Art Center was begun in June.

Wake-Forest - Conversations continue between Convention leaders and university trustees to clarify the basis for a continuing relationship. Founded in 1834 by North Carolina Baptists, Wake Forest is acknowledged as a superior university among church-related schools in the nation.

Wingate - Looking toward its one hundredth anniversary in

1995, the college has entered a 10-year, 30 million dollar "Second Century: Vision for Excellence" campaign. Numerous building, renovation and beautification projects are planned, in addition to library expansion, faculty support and student financial aid.

AMERICAN BIBLE SOCIETY REPORT

Available figures indicate that significant progress was made in the areas of both distribution and translation during 1985. As the year advanced, calls for Bibles and New Testaments in local languages came from all quarters of the globe, but especially from churches in the Third World. In active cooperation with our associates in the United Bible Societies, an international partnership of which the American Bible Society is a leading member and through which we conduct our work overseas, more than 542,000,000 Scriptures were distributed worldwide in 1985 alone, an increase of almost 5 percent over 1984. Through the United Bible Societies we are also supporting Scripture translation work in 544 different languages around the world. In 360 of these languages a part of the Bible is being translated for the first time. Thirty-four projects involve the revision of former translations. The remaining projects are new translations in languages that have had previous translations but where the need exists for a clearer common language version which people can more easily understand.

Together with our overseas Bible Society partners, we have been actively involved in the translation and publication of complete new Bibles in seven languages in which only a part of God's Word had previously been available. The Bible Society has a clear commitment to

provide people with a full record of the wonderful works of God and the ways in which His people are called upon to respond to them. As noted above, however, much work continues to be done in translating the New Testament, individual Gospels and other books of the Bible for evangelistic outreach in a great number of languages.

In Uganda, no other book is in as much demand as the Bible. An estimated 652,506 Scriptures were distributed during 1985, many of them to children and youth.

In famine-ravaged Ethiopia, a Bible is still a prized possession. Despite difficult operating conditions - including severe travel restrictions, government censorship, and customs delays - Bible workers reported distributing 132,918 Scriptures during 1985. In a country with more than 40 distinct population groups, speaking among them a total of 86 languages and dialects, the need for additional translations of God's Word is extremely urgent.

In Bolivia, a land of some six million inhabitants, that many copies of Scripture were distributed last year. With the high illiteracy rate, special emphasis was placed on the New Reader program.

In Mexico, the agenda for Bible work was dramatically reshaped by the devastating earthquakes which struck Mexico City in September, claiming thousands of lives and leaving some 300,000 people homeless. In response to this disaster, an emergency Scripture distribution program was quickly established to reach families of victims with the Word of God.

In the Philippines, a sprawling archipelago of 7,107 islands where approximately 135 languages and dialects are spoken, a continuing high priority was given to Scripture translation...each year since 1980 a new common language translation of the Bible has been published in one of the country's major languages.

In Brazil, Scripture distribution showed a dramatic upswing during 1985 as 83,773,751 copies of Scripture were circulated.

In the United States, 1985 was a year of expansion for the American Bible Society. A total of 96,222,967 Scriptures was distributed nationwide...The American Bible Society was especially pleased to produce 100,000 copies in ten languages of an imprint of the Gospel of John entitled "Good News America, God Loves You" for the Home Mission Board of the Southern Baptist Convention.

The language requirements of the various ethnic communities in this country generated a brisk demand for many of the 80 other languages in which the American Bible Society distributes Scriptures in the United States.

Emphasis continued on the ministry for the blind or visually impaired. Scriptures in Braille, on records or cassettes for those who need or prefer the spoken word, and in extra large print for the partially-sighted are offered.

The American Bible Society expects 1986 to be a year of unique and exciting opportunities for world Scripture outreach.

Your American Bible Society is dedicated to meeting the burgeoning world demand for Scriptures, but this goal can only be achieved through the support of your churches.

In 1985 Southern Baptists contributed \$298,339 to the American Bible Society.

The Southern Baptist Convention was an indispensable partner in the worldwide Bible cause during 1985 and your expanded support is essential in the year ahead as we seek to extend this vital Scripture ministry to embrace all those throughout the world who are still eagerly awaiting God's Word.

THE BIBLICAL RECORDER REPORT

In a year that has been marked by tragedy, stress and disappointment, the people of God who call themselves North Carolina Baptists continue to witness and minister to our ever growing and changing state. The Biblical Recorder is a vital part of that Baptist family and as the officical newsjournal of the denomination, it has enjoyed a stable and wholesome year of ministry at the side of hundreds of thousands of our people.

Readership of the paper is high. Comments, letters and other communications with the Recorder indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains a more important ministry now than even then.

Tar Heel Baptists are on the threshold of the greatest opportunity we have ever been given by God for witness and ministry in our state. That does not mean it will be easy. The minority status of Christians--fewer persons in North Carolina are members of any church than are not--and the rising spirit of secularism make our task more difficult but at the same time much more imperative than ever. We must not fail.

Well-informed Baptists are more effective Baptists. The Recorder welcomes its assignment in the task of sharing the Good News of Christ. This year, we had a tremendous opportunity through the "Good News America, God Loves You" revivals and the paper was on the job, promoting and reporting on the crusades. As always, the Recorder will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Despite a tremendous increase (\$96,000) in the cost of second-class postage during 1986, subscription rates will not be raised for the fifth consecutive year. Many of the other major state Baptist papers such as the Recorder have

already found it necessary to raise their rates, but the directors of our paper have been working with the editor to find a way to avoid any increase so that our churches and individuals can continue to get the paper at the lowest possible cost.

The rates are: Church Budget Plan, \$5.00 per subscription for every resident family; Club Plan (four or more), \$6.00; and Individuals, \$7.00. If your church does not have the Every Family Plan, special introductory offers are available. Please contact:

CHURCH MEDIA LIBRARY REPORT

First, forget any preconceived ideas about a library as only a quiet place to study. That thought is out for your church media center. Church media libraries should provide an avenue of meaningful and exciting ministry. Books, tapes, records, films, reference items all are available to aid you in personal Christian growth - in teaching Sunday School, VBS, Church Training, in talking with your children (we all need help at times in answering some of those questions our young people come up with). Also, help is available for special ministries such as for the elderly homebound members, those with problems with their vision, or those "special" people that need a little extra attention.

This is just a small portion of the avenues open to a well stocked, well run, and well supported church library.

It is our wish in the Mitchell County Baptist Association that within the next year all of our churches will start a media center. In the 1985 Minutes we had 15 churches that listed library services. This does not have to be done on a large scale, but certain minimum requirements need to be met. Material is available for assisting each church in setting up a media center.

Also, Mr. James H. Rose serves as a consultant in our area and is available and eager to assist our churches in this endeavor. He can tell each church how to utilize available space to get the most out of it, how to start and develop the media center, and put you in touch with available resource centers. Mr. Rose is also willing to come to this area to conduct a 10 hour workshop on how to start and administer a church media center - if enough people show an interest in this. The workshop could be scheduled to start on Friday evening and conclude on Saturday.

I urge each church to seriously consider starting a media center as part of a growing ministry in their church. The phone company has a slogan, "Reach out and touch someone." One excellent way for our churches to reach out to people with the love of Christ is through a well run media center.

Those interested in the above mentioned workshop should contact either the associational office, 765-9412, Evelyn English 765-9729, or Pat Silver, 765-5506.

Respectfully submitted,
Evelyn English

In Memoriam

REV. BRUCE BUCHANAN

MAY 13, 1920

JULY 10, 1987

When Professor Bruce Ledford of Auburn University, Auburn, Alabama, looked for a typical mountain preacher he could record on film, he chose Rev. Bruce Buchanan, the recognized elder statesman among pastors in this area.

"Preacher Bruce" was ordained in 1944, when he became pastor of Pine Branch Baptist Church. Other pastorates include: Mount Carmel, Roan Mountain, Calvary, Altapass, and McKinney Cove, and Bellview in Avery County, and Ritter Town in Hampton, Tenn.

The pastor who was to serve some 42 years was also a leader in the denomination. On four occasions he served as Moderator of the Mitchell Association: 1965, 1966, 1967, and 1968. He preached the annual associational sermon in 1946, 1954, 1962, and 1979. From 1973 until his death he served as associational Historian. From 1972 until his death he served as the associational representative for Baptist Hospital. Rev. Calvin Knight, Church and Community Relations, Baptist Hospital, a long-time friend of Rev. Buchanan, led the memorial prayer for Rev. Bruce Buchanan and others who had "passed on" during the associational year.

Brother Bruce served a four-year term on the General Board of the Baptist State Convention, and on numerous committees for the local association. At his death he was a member of Roan Mountain Baptist Church, and serving on two church committees: the New Cemetery Committee, and the Historical Committee.

- (a) Salary for Secretary is to include one week (20 hours) of paid vacation and up to ten (5 hour) days of sick leave for herself and her immediate family.
- (b) This item represents "up front monies" for crises ministries such as natural disasters.
- (c) This is based on the current self-employed rate of 12.3% with the Director of Missions paying 7.15%, and the Association paying the remaining 5.15%. This is recommended as a guide to churches to deal with the increasing Social Security Taxes for pastors.
- (d) This is based on the current rate of 7.15%.

In addition to the Committee's recommendation of the Proposed Budget for 1987-1988, the following suggestions are made:

- (1) We request that each church continue to make it's contributions for

Associational Missions on the basis of a minimum of 4% of their regular offerings, payable monthly. (The Associational Building Fund Offering is separate from this contribution).

(2) Churches that do not support Associational Missions regularly on a percentage basis are urged to receive a special offering for this purpose annually during the month of May, in connection with the observance of Associational Emphasis Week, or at another time of their choosing.

(3) Extra Secretarial help for the preparation of last year's Minutes, plus printing cost is estimated to be \$3.00 per copy. Your Budget and Finance Committee suggests that in ordering copies of the 1985 Minutes that churches send their check with the Uniform Church Letter to the Association to cover the number of Minutes ordered.

SUNDAY SCHOOL REPORT

Sunday School is THE outreach arm of the church. One out of every three persons enrolled in Sunday School become Christians. Likewise, only 1 out of every 280 persons contacted through visitation alone ever receive Jesus Christ as Lord.

This year 9 churches participated in a Sunday School Growth Campaign desiring to improve their outreach-visitation program. Altapass, Bakersville, Beaver Creek, Berry Chapel, Central, Grassy Creek, Lily Branch, Pine Branch, Spruce Pine, First, and McKinney Cove. The results of this campaign were overwhelming. All 9 churches surpassed their High Attendance Day goals which resulted in 335 individuals more in Sunday School than on the previous Sunday. Over 1,100 prospects were discovered by some 300 persons visiting door to door. The most amazing statistic is that 71% of all people enrolled in Sunday School were present in those 9 churches.

Southern Baptists current outreach goal is Challenge 10/90. That simply means 10 million people studying God's Word in Sunday School by 1990. Is this goal attainable? Not unless the 36 Sunday Schools in Mitchell county each involve 7 new persons in their respective classes next year.

This year has been a good one for Sunday Schools all across Mitchell County. 1987-88 can be a great year for the cause of Christ. Let's regain a glimpse of that vision as Matthew recorded in Matthew 28:19-20. Jesus instructs us that "as we go, we are to make disciples and then to begin teaching them." This new church year offers many opportunities to fulfill that command of Jesus Christ and to help each Sunday School catch the vision.

Plans for the coming year include:

- Sunday School Leadership Training, September 16-18, Ridgecrest.

- October Outreach Month Promotion.

- "How to Witness" Workshop: learn to share testimony,

to discover and reach lost persons through the Sunday School, to reach and visit evangelistic prospects on roll.

-- Sunday School Teacher's Apprentice Program - develops new Sunday School teachers by asking one new person each month to teach their Sunday School class.

-- Outreach Bible Study Conference - opportunity to reach unsaved youth and adults not enrolled in Sunday School.

-- Literature Workshops - free Sunday School literature available for Church's expanding and extending their Sunday School.

-- Sunday School Teacher's Diploma Program - to provide training and inspiration for workers.

I believe this year can be the greatest year ever in Mitchell County Sunday Schools. "Business as usual" cannot get the work of God accomplished. James 4:2 says, "You have not because you ask not." Let's ask God for a great increase as we sow and reap through Sunday School. I am convinced God will truly bless our efforts as we strive to follow His will in making Bold Mission Thrust a reality.

Rev. Mark O. Hollar

CHURCH TRAINING REPORT

"Every person mature in Christ," was the noble ambition of the Apostle Paul (Col. 1:28). In this one short phrase, he summed up the work of the church: 1. Evangelism ("in Christ"), 2. Missions ("every person"), and 3. Nurture ("mature").

It is the third aspect of the church's work - nurture - with which Church Training is primarily concerned. Christians who are maturing as disciples will bear fruit and serve others. "That we may present every person mature in Christ," is the goal of Church Training.

We worked toward that goal in our association last year

through:

- Leader Training in Key Leadership Conferences.
- Church Member Training at "M" Night and in Doctrine Study.
- New Member Training in the promotion of Survival Kit for New Christians, and the New Christian Encourager Plan.

We sent more participants to the Children's and Youth Bible Drills than any other association in the state.

To work toward the goal of "every person mature in Christ" in the coming year, our plans include:

- Making Masterlife available as several pastors complete the study and prepare to lead groups in their churches.
 - Continuing to provide Church Leader Training.
 - Encouraging increased participation in annual Doctrine Study.
 - Promoting Children's and Youth Bible Skills.
 - Sponsoring "M" Night.
 - Seeking to expand New Member Training in the churches.
- God grant that we may remain committed to our theme, "Every person mature in Christ."

Rev. Larry Greene

WMU REPORT

Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms. 1 Peter 4:10 NIV. This is our watchword for 1986-87. Our hymn is "Come All Christians, Be Committed." The watchword and hymn calls us to a commitment. A commitment to discover our spiritual gift and to use it faithfully in service to others.

The WMU Emphasis for 1986-87 was "Gifted to Serve-Called to Act." This is a statement full of action words. As you continue to read this report you will see that the WMU of the Mitchell Association have put the

emphasis for 1986-87 into action. The following are some of the highlights of the WMU year:

- January 4, 1987, the WMU Director attended the Baptist Men and Wives' Mission Rally at Boyd's Seafood.

- February 8-14, 1987, was "Focus on WMU." The theme was 'Gifted to Serve-Called to Act.'

- February 8, 1987, the WMU Director spoke at Grassy

Creek and stressed getting involved in Woman's Missionary Union.

- February 15-18, 1987, the Home Mission Study was scheduled. The theme was "All Are Called To Evangelism."

- March 1-8, 1987, was the Week of Prayer for Home Missions and the Annie Armstrong Easter Offering. The theme was "Who Will Win America?" The national goal was \$37,500,000.

- March 27-28, 1987, some of our WMU members attended the State Annual WMU meeting at Ridgecrest.

- April 8, 1987, the WMU Director attended Ledger Baptist Church to meet with a new organization of Baptist Women. Their membership was 13, and Sue Buchanan was director.

- April 12, 1987, was Cooperative Program Sunday.

- April 21, 1987, the Annual WMU Meeting was held at Grassy Creek Baptist Church. The theme was, "For God, And Home, And Every Land." Speaker was Jean Teague, missionary serving in Japan. Lily Branch choir rendered the special music, and all of the women together sang a special song, "Lord Do It Again." We were asking God to pour His Spirit upon us and send a revival.

The following associational officers were elected at this time: WMU Director - Shelba Snipes; Assistant Director - Malene Sherrill; Secretary - Nora Nell Jarrett; Baptist Women Director - Norma Duncan; Baptist Young Women Director - Deborah Ford; Acteens Director - Kathy Hollifield; G.A. Director - Jackie Hughes; Mission Friends Director - Margaret Greene; Mission Action Chairman - Beulah Burleson; Enlistment and Enlargement Chairman - Helen Miller; Centennial Chairman - Iris Burleson; Nominating Committee for the coming year - Ruth Uphold, Chairman; Betty Hughes and Nell Young.

A prayer of dedication was offered for these leaders, led by Rev. Hugh Borders.

- June 9, 1987, the WMU Director was invited to speak to the Baptist Women at Altapass Baptist Church. She spoke on prayer using the book, "Our Father," written by Carolyn Weatherford, WMU Executive Director to the Southern Baptist Convention.

- July 25, 1987, the workshop for associational leaders was held at Fruitland Bible Institute. Two of the Mitchell associational leaders attended. The Baptist Women Director, Norma Duncan, and the WMU Director.

- July 30, 1987, the Key Leadership Conference was held at Bear Creek. There were 12 WMU members present with 9 churches represented.

- August 3, 1987, some of our WMU members attended the State Missions Meeting at the Western Steer Steak House. Sara Ann Hobbs of the State Missions Division was guest speaker. Week of prayer for State Missions will be September 13-20, and the state goal is \$1,200,000. Last year the state started giving 10% of the total amount given from each association for State Missions back into the association. Mitchell Association received back \$1,039.

The association Baptist Young Women Director, Deborah Ford, has planned two exciting events this year. The first event was held at Bear Creek. The theme was "A New Song." There were 13 Baptist Young Women present representing 5 churches. The second event is scheduled for September 11-12, 1987, at the Pinebridge Complex. This is a Baptist Young Women's Marriage Enrichment Retreat. The leader for this retreat will be Dr. Robert Newton, Director of the Department of Christian Family Life for the Baptist State Convention.

This has been a year of mission action. We are looking forward to the Centennial Year when WMU will be 100 years old. If you are not a part of WMU, you miss a lot of missions involvement. We are here to help you get involved.

Respectfully submitted,
Shelba Snipes

BROTHERHOOD REPORT

During the past year, many men in our association have become personally involved in missions. I have seen the excitement of this involvement spread and touch others. Through the blessing received by those helped, a much larger blessing is poured out on those doing the work. A blessing is waiting this year for all who are willing to fulfill their part of the Great Commission.

Our first event began on October 20, and during the next month a total of 40 men from seven churches gave a total of 74 days of work on Christopher Road Baptist Mission in Shelby. Leaving before daylight each morning, these men worked until they could not see inside the building and then traveled home. This group consisted of between three and eleven men each day who put up over 9,000 square feet of sheetrock using 26,000 nails in some 7,000 hours of total work, completely sheetrocking the entire church.

On December 7, our Annual Brotherhood Workshop focused on the North Carolina Baptist Assembly and the work Baptist men have done to renovate the Civil War military installation into a first-class conference center. This was followed by individual conferences for Brotherhood leadership.

A new event was held on Sunday, January 11, at Boyd's Seafood. The Baptist Men and Wives' Mission Rally attracted over 100 people who, after dinner, heard an exciting mission challenge by Richard and Patty Hipps, missionaries to Brazil, followed by a challenge to Baptist Men by Jim Marchman, former vice-president of N.C. Baptist Men.

The first of two events for Royal Ambassadors was held on March 1. The Mission Fair - Car Competition was held at Pine Branch and drew over 40 R.A.s from four churches who participated in four age-level competitions for R.A. Racers. Awards were given to winners and an exciting day was enjoyed by everyone.

On a very snowy April 5, a total of eight men from four

churches left for a week at Caswell, the North Carolina Baptist Assembly. These men worked three full 10-hour days giving 240 hours on the renovation of Fort Caswell Hotel. There were many different jobs being done, according to a person's skill, but all were necessary for completion. Friday was free with a trip to the USS North Carolina, in Wilmington, and fishing.

The second Royal Ambassador event was the Track Meet on Saturday, May 2. Held at Mitchell High School, almost 50 boys from five churches participated. The winners in the Pioneer division, advanced to the State Track Meet on May 22-23, at Gardner-Webb College.

This year will see a change in procedure for Brotherhood. A new group, Young Baptist Men, has been formed and literature wrote, to try to keep more young men in church. As you can see from the chart, during the three years from age 15 to 18, the typical Baptist church loses 4 boys or 40%, who may never return to church. Due to work, cars, girls, school activities and many other concerns, only 2 boys or 20% are left in church after high school. Studies have also shown that 90% of leadership in future years, comes from this 20%, that is deacons, teachers, and all other leadership positions in church. This new group, Young Baptist Men, starting at the 10th grade (age 15) to age 34, is meant to bridge the gap from youth to young adult and give mission activities in which to be involved. If the dropout rate could be cut by only 10% to 30%, churches would have 50% more leadership in future years, a cut of 20%, to 40%, would give 100% more, or twice the number of workers.

This program is not for everyone, but understanding the dropout cycle is crucial to the ministry of every church.

I am thankful for the Brotherhood Program in every church, even though it may not be reported. EVERY CHURCH HAS AT LEAST ONE MAN WHO MINISTERS IN HIS COMMUNITY. THIS IS BROTHERHOOD. Please recognize these men and their ministry.

Brotherhood in Mitchell County is growing at a

tremendous rate but as Baptist Men our first obligation is to engage in or "do missions." We as Christians cannot pay or pray away our obligation to be involved in missions ourselves. A missionary is a person with a mission and every believer's mission is to proclaim and demonstrate God's love, through Christ, to all people. During this year you WILL GO somewhere. Brotherhood is simply, proclaiming Christ AS WE GO.

Respectfully submitted,
Joel Young

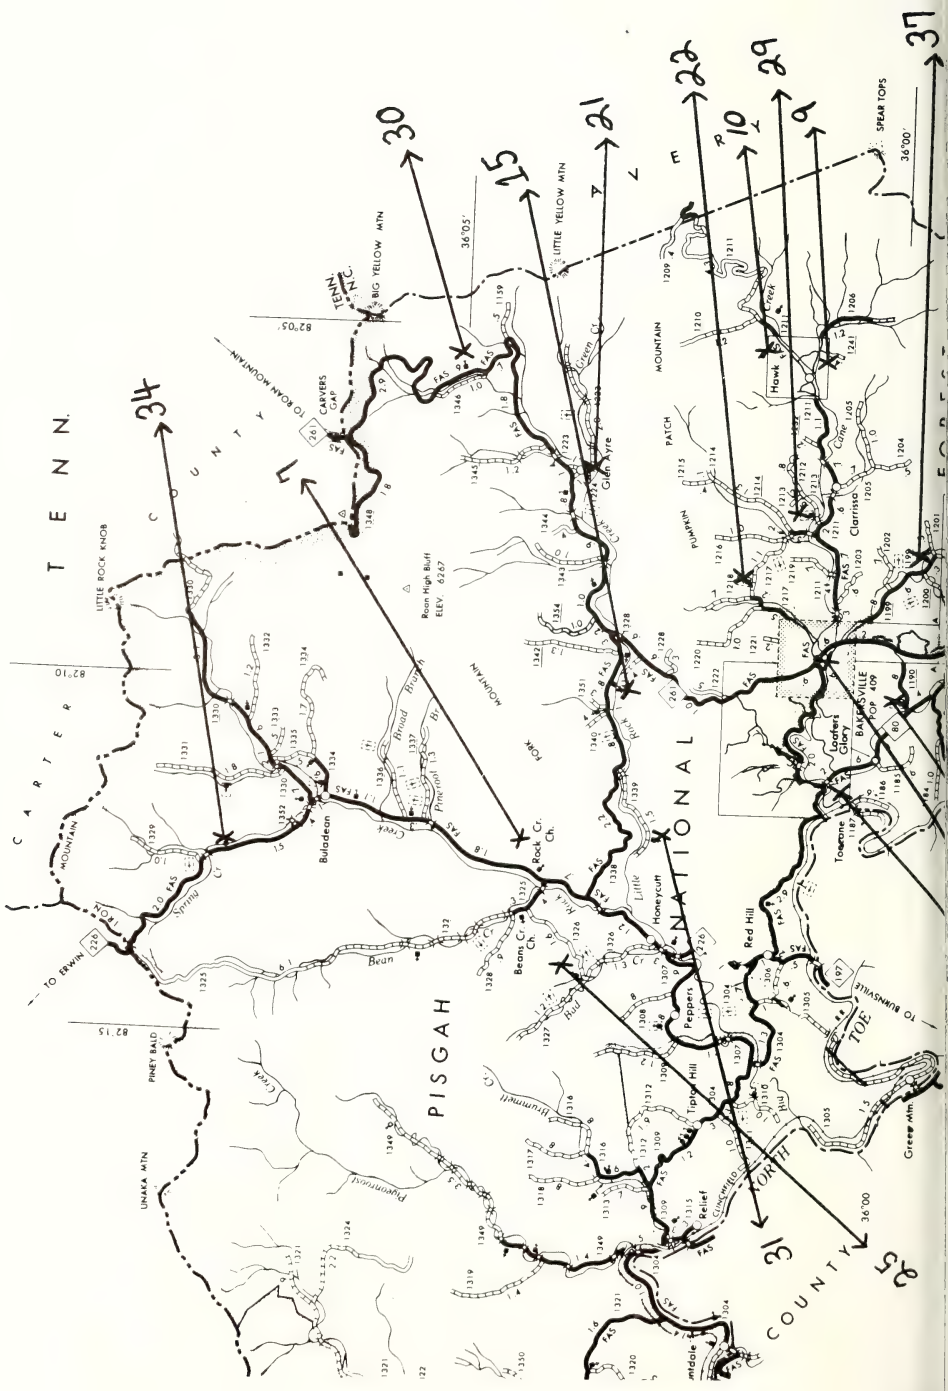

EVANGELISM COMMITTEE REPORT

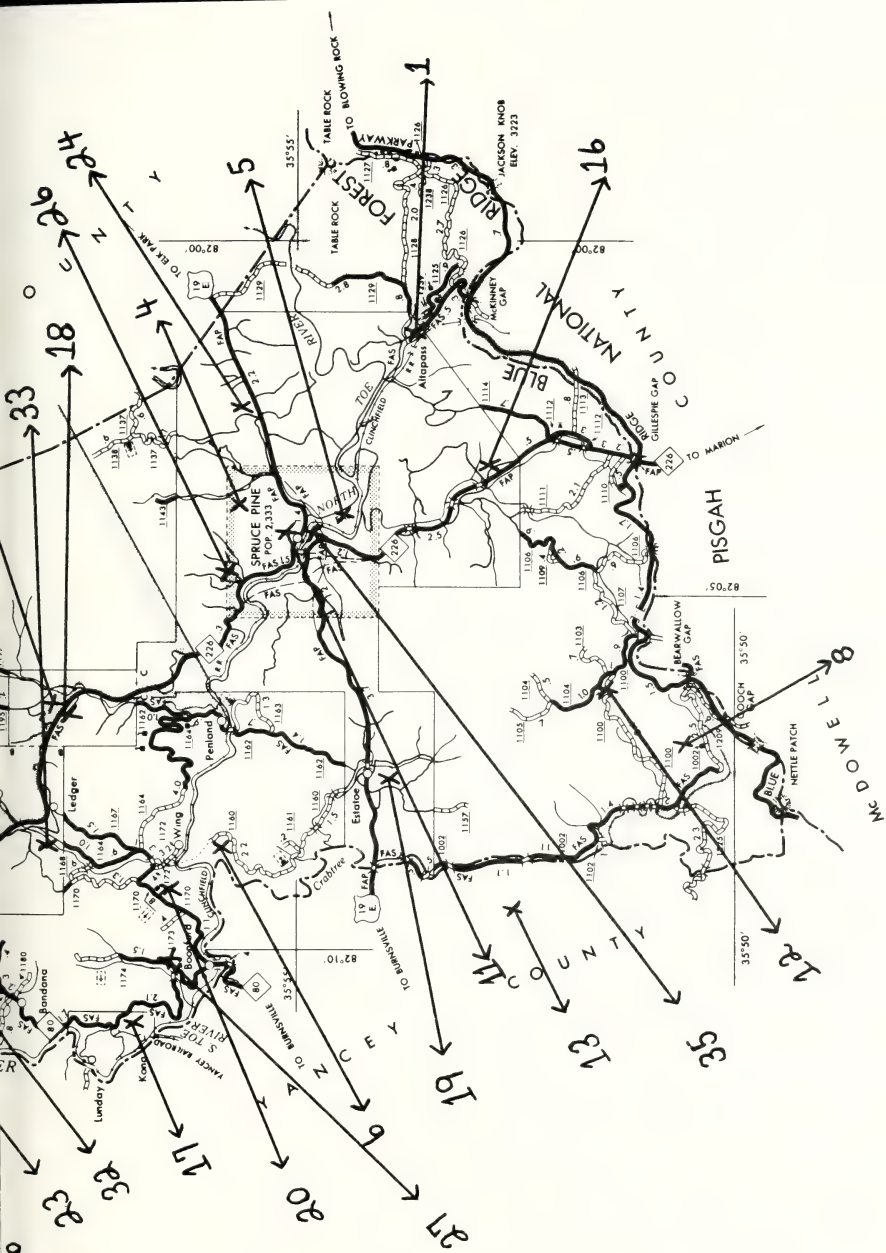

Evangelism must be the priority for the individual Christian and every church. It must be the heartbeat of the church. As church members move into the world, one key concept must stand: the church - the body of believers - is the evangelist.

The meaning of evangelism is simple and does not change. It is presenting Christ to every lost person in the world. The church must present Christ as the living, loving, and redeeming Lord so others may know and accept Him into their lives. This is the command of Christ to his churches.

We praise the Lord for the efforts of our churches in the Mitchell Association in evangelism. Many of our churches are using resources available for training church members in evangelism. Lay Evangelism School (LES), Training Evangelistic Lifestyle and Leadership (TELL), and Continuing Witness Training (CWT) are three resources for witness training being used. The Equipping Center module, Training Sunday School Workers in Evangelism, is an excellent tool for training Sunday School workers for Christ.

our speaker for the second annual Evangelism Conference for the Mitchell County Baptist Association, Friday, February 20, at Bear Creek Baptist Church. Rev. Everett brought a very challenging message.

The Youth Evangelistic Crusade was held in Greensboro during the month of July.

Our county, our state, our country, our world, is more a mission field than ever. Jesus said, "Lift up your eyes, and look on the fields; for they are white already to harvest." Again He said, "The harvest truly is plenteous, but the labourers are few; pray ye therefore the Lord of the harvest, that He will send forth labourers into His harvest." Now is the time we need to be about our task.

Your Evangelism Committee appreciates the opportunity of serving and desires your prayers that we might together see many souls won to Jesus Christ.

THE EXECUTIVE COMMITTEE REPORT

November 30, 1986

By means of a memo dated November 19, 1986, and addressed to pastors, (or Deacon Chairmen for those churches without a pastor), Rev. James Lankford, Moderator, called a meeting of the Executive Committee for Sunday afternoon, November 30, 1986, 2:30 P.M., at First Baptist Church, Spruce Pine.

The following answered the roll call of churches: *Bakersville-2, *Beaver Creek-1, Berry Chapel-2, *Central-2, *Chestnut Grove-2, Grassy Creek-2, *Ledger-2, *Liberty Hill-2, Lily Branch-2, *Mount Carmel-2, *Pine Branch-2, Silver Chapel-1, *Snow Hill-2, Spruce Pine, First-2, *White Oak-2. A total of 15 churches, and 28 messengers were counted. (Asterisk indicates presence of pastor.)

The Moderator read a passage of scripture and called on the Director of Missions to lead in prayer. Included in this prayer time was the family of Elizabeth Senter and her daughter. The Senters were missionaries on assignment to Liberia. The mother and daughter were attacked and murdered in their home in Liberia. The Senter family is from Western North Carolina.

Taylor Puckett, Chairman of the Finance Committee - Office Building, reported that his committee had met. They have requested the Building Committee to proceed with the matter of securing bids on the office building. A suggestion of \$1 per resident member per month for 1987, (or $6,250 \times 12 = \$75,000$) would be made to the churches by means of a memo to the pastors. A ground breaking ceremony is scheduled for a date prior to April 1, 1987. By this date they hope to have raised \$30,000, and will recommend that construction begin once this amount is in hand.

Joel Young, Brotherhood Director, gave a report of volunteer work in West Virginia last year, in Cleveland County this year, and for Avery Prison and Bakersville jail in the immediate future.

Rev. Hugh Borders gave a progress report for the Sunday School Growth Campaign scheduled for March 14-22, 1987. At present nine churches are planning to participate.

Rev. Larry Greene, Church Training Director, called attention to the Church Training Leadership School planned for January 24, 1987.

Shelba Snipes asked for greater participation in associational meetings.

The Moderator recognized Rev. Rocky Branch for a point of personal privilege. Rev. Branch called for honesty and unity within our association. He asked that we put the past behind us, and move forward into the future.

Rev. James Lankford offered his resignation as Moderator, and for all other places of service he holds in the association. He asked that his resignation be effective December 19, the date he is to move to North Kannapolis

Baptist Church, or upon the election of his successor. Rev. Walter Ponder moved that his resignation be accepted. There was a second, and the motion passed by a unanimous vote.

Rev. Gerold Grindstaff moved that Rev. Rocky Branch be elected as Moderator. The motion was seconded, and the vote was 13 for, and 9 opposed.

Rev. Hugh Borders gave a report concerning the cost of the 1987 Minutes. He stated that Mayland Printing has given us the low bid of \$812 for 700 copies. This is for camera-ready copy at approximately 90 pages per book. Should 700 copies prove to be insufficient, the bid for 725 copies would be \$825, and for 750 copies would be \$870. Edmonds Printing Company in Lawrenceville, Va., has printed our Minutes for the past two years. We ordered 700 copies at 94 pages per book. The motion was made, seconded, and approved to accept Mayland Printing's bid.

Extra secretarial help for the preparation of the Minutes, plus printing costs is estimated to be \$3.00 per copy for the churches. The Budget and Finance Committee asks the churches to send their check with the Church Letter to cover the number of Minutes ordered.

There was no other old or new business and the meeting was adjourned to join in the Key Leadership Conference.

BAPTIST RETIREMENT HOMES REPORT

The year 1986-87 has been an exciting time in the life of the Baptist Retirement Homes of North Carolina, Inc. Charged with the task of providing quality living opportunities for Older Adults within a Christian context, the "Homes" has this year attempted to "move forward" in three broad directions.

I. Advocacy for Older Adults

During 1986-87, the "Homes" has endeavored to become an advocate, a spokesman, for a very special segment of the state's population...the Older Adult. Appearing before church, associational, and convention groups throughout the state, the "Homes" and staff have attempted to sensitize Baptists to the particular needs of Older Adults as well as the significant contribution they can make to the well-being of the churches and associations of the Baptist State Convention.

II. Quality Care

During the year 1986-87, the "Homes" has continued to develop creative ways to meet the needs of Older Adults. For example, a significant new relationship has been established between the "Homes" and the Geriatric Section of the Bowman Gray School of Medicine (Wake Forest University). Mary Lyles, an attending physician in the Department of Medicine, has been appointed the "Homes" Medical Director. As a result of this new relationship, the "Homes" will be able to offer "sub-acute" care as well as

intermediate and skilled nursing to its residents and patients. In an attempt to provide quality care opportunities to Older Adults who still reside in the local community setting, a respite or temporary care program has been begun at the Albermarle Home. Quality care, long the hall-mark of the "Homes" is still the institution's main objective.

III. Expansion

During 1986-87, plans for institutional expansion and new development have moved forward at a rapid pace. "Ground-breaking" for a new Continuing Care Retirement Community in Winston-Salem will take place in the fall. The Homes' long-range plan includes the development of similar facilities in Asheville, Charlotte, and the East.

The "Good News of Jesus Christ" is the presupposition upon which the "Homes" operates. In reaching out in service to Older Adults, the "Homes" offers concrete expression to the love of the Christ for all people. The support of North Carolina Baptists makes this ministry of love possible.

Rev. Kenneth Mashburn

BAPTIST HOSPITAL REPORT

During the past year, Baptist Hospital admitted 22,973 patients for a total of 186,321 days of patient care. More than 1,000 of those patients had heart surgery and 27 received kidney transplants. During this period, the hospital also performed its first heart transplant and, as of June 1, 1987, has performed four successful heart transplants.

Approximately 1,000 persons with kidney stones have been treated with the lithotripter. The lithotripter has also been used to break up gallstones. Baptist Hospital was the first hospital in the United States to achieve this success.

The Air Care Program, described as "a flying emergency room staffed with highly trained pilots and flight nurses," continues to save lives and to contribute to more rapid and complete recovery for many victims of trauma. For example, Air Care made it possible for a man whose arm was severed in a hay mowing accident to reach the hospital in time to have his arm reattached.

Baptist Hospital is one of less than a half dozen medical centers in the nation routinely transplanting living bone tissue. A woman underwent this rare procedure to correct an arthritic condition in her hip where her bone tissue had died. Bone tissue with its own blood supply was successfully transplanted from her lower legs to the upper end of the right femur.

In addition to those admitted to the hospital, 30,726 persons were seen in the outpatient clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Department of Clinics. 2,747 patients had outpatient surgery.

During the past year, the Pastoral Care Department has continued to provide pastoral services for hospital patients, pastoral counseling, clinical pastoral education, and human enrichment events. In addition, the department, in cooperation with the Baptist State Convention, has offered the "Pastor's Sabbath" Program at Caraway Conference Center and has provided assistance to more than 100 pastors and their families through the Minister's Care Plan. Plans are being made to offer training in "Conflict Management," "Healing of Corporate Pain," and "Ministry to the Interim Church."

Due to the change in the method and timing of the special offering, Baptist Hospital received during its past fiscal year the largest offering from the churches in its history. The last North Carolina Missions Offering in September of 1985 and the first Homes and Hospital Offering in May of 1986, together with designated gifts, brought the hospital a total of \$474,662.00. Cooperative Program gifts

to the hospital during the same fiscal year was \$608,389.00, making our total receipts from the churches \$1,083,051.00

For these gifts and for all other continuing support and help from the Baptist churches, the hospital trustees, staff and patients are deeply grateful.

BAPTIST CHILDREN'S HOMES REPORT

In behalf of Dr. Blackwell, the staff, trustees and children in care, we gratefully acknowledge your support through your prayers, concern and financial resources.

Four major emphases occurred during this exciting year at the Children's Homes:

1. There was a reorganization of group care on the Mills Home campus in order to more effectively deliver services to children and families. Intentionalized Services will focus on specific tasks needed by our clients in order to regain their ability to function as a whole or independently in society.

2. Moody Home Ministries, an intensive program of "friendship therapy" to troubled girls, was opened in Macon County. We are grateful to our Lord and to the people of Western N.C. in realizing this dream in 1987.

3. The process of Long-Range Planning, which in today's complex world of child care, can only extend up to five years was begun. As a basis for this LRP, accreditation by the National Association of Homes for Children was awarded in 1987. We are only one of three NAHC accredited child-care institutions in North Carolina. We believe you share in this accomplishment.

4. Partnerships in cooperation with the WMU, Personal Evangelism, Baptist Men and the Department of Aging have been both rewarding and exciting. We are grateful for their willingness to assist in informing the Baptists of North Carolina on this child care ministry.

We are delighted to report that more than fifty of our youth made a profession of faith in Jesus Christ during this

church year.

Our commitment to you is to be good stewards of that which is entrusted to our care as we offer quality services on four group care campuses, eight emergency care homes, in our foster homes, at our therapeutic camping program, through the child development center and at our maternity home. OUR MISSION REMAINS FIRM: TO HELP HURTING CHILDREN AND ASSIST BROKEN FAMILIES. We encourage you to help us by promoting the 1988 Homes & Hospital Offering in May and Cooperative Program stewardship.

Update/Western Area: Again our Lord has blessed us with a marvelous new facility, the Moody Home in the beautiful Iotla Valley of Macon County. Even more beautiful is the ministry being offered to teenage girls needing a level of care beyond that which is available in other services of the Homes. Mary Lewis and Gary Bruin, the directors of Moody Home are well trained and gifted in leading this service.

Other services in the Western Area continue to do well. The Broyhill Home at Clyde, which includes the Haywood Emergency Care Cottage, the maternity home in Asheville, and the Thermal Belt Youth Shelter in Forest City tend to have a waiting list in recent months.

The children whom we serve need our help more than ever. However, we have a dedicated staff of child care and social workers to meet the challenge of caring for some of God's loveliest children. Through your prayers and generous gifts, we continue to be laborers together for God and we are grateful for the opportunity to serve with you.

BAPTIST FOUNDATION REPORT

You might call Frank Neville handicapped. He spends most of his time in a wheelchair. But he denies that he is handicapped, and instead has utilized his limited mobility as opportunity to witness. Each day he invites neighbors and acquaintances, one at a time, into his home for coffee. There he talks with them about Jesus, and Frank has been thrilled and amazed at their expressions of appreciation for his concern for their spiritual welfare.

Frank has determined that he will never stop witnessing, and his financial and estate plans have been so prepared as to insure that he will always be a part of winning the lost to Christ. He transferred valuable land into trust with the Baptist Foundation. Until his death, he will receive income earned by the trust. After that time, all income will be paid to Carolina Baptist Association to be used for Spanish mission ministries; scholarships for youngsters to attend summer camp, for students studying for Christian vocations, and for persons going on volunteer mission trips; for training and resources for associational leadership; and for camp development. Frank Neville, like others who are faithful stewards now, wishes to continue that commitment when he is no longer here.

The Foundation promotes endowment of Christian causes with an assurance drawn from its experience with donors that such planning for the future in no way minimizes "now" witnessing and giving. Just the opposite has been the case; the faithful steward is faithful in every area. The statistics, dollars and facts of this report are truly about the people whose impassioned concern for mission and ministry has resulted in positive action.

In 1986, new trust agreements were prepared for 93 persons. Their gifts to initiate these trusts totaled \$1,181,288. Many of the agreements provide for and anticipate the addition of funds in the future; thus, it is difficult to assess the longterm benefit to Baptist work

provided through the trusts. Assistance was given to dozens of persons in preparing their Wills, all of whom included trusts through their estates for nearly every cause supported by Southern Baptists.

One imaginative concept employed in several trusts and Wills has been "Give it Twice." A trustor provides that family members receive income earned by the trust until they have received an amount equal to the principal placed in trust. Then, after the family has received the full amount, the income thereafter is paid to Baptist causes selected by the trustor in the trust agreement. He has denied his family nothing! They have received it all. But the principal is still intact and the second time around the income will support Kingdom work.

Because of the 1986 tax reform legislation, certain types of trusts have taken on new significance. The Retirement Unitrust has become a vehicle for partially replacing the IRA. This trust is especially attractive for professional persons and others in middle years for supplementing other pension plans.

Many local churches chose to use the Foundation as trustee for funds which they were holding for future needs. Investment of those funds with the Foundation can, in some cases, result in greater income for the church. Conversely, since the funds are pooled and since churches can recall the funds, if they are withdrawn during a depressed market, principal returned to the church could be reduced. It is important that churches recognize that the Foundation's first objective is to assist individuals in estate stewardship. The motivation for using the Foundation must be the making of a gift to a Baptist cause. The Foundation does not operate as a bank or investment institution. However, one exciting realization for the church is that investment through the Foundation allows their funds to be a part of "family" and to be available for "family" use, if they desire.

In cooperation with the state convention, the

Foundation established in the last year a credit line of \$3,000,000 for church loans. The Board of Directors took action to implement recommendations of its study committee, resulting in addition to the staff of a director of administration to direct the church loan and student loan programs, as well as trust management. The Board also approved construction of office facilities for the Foundation near the Baptist Building, with plans to begin construction in September, 1987.

Assets of the Foundation have increased to more than \$13,000,000. These dollars are expressions of concern made by Baptist stewards. They are the very same persons who, like Frank Neville, witness and give daily, that the lost, the needy, the hurting people of the world might know Jesus.

STATE MISSIONS REPORT

"I don't like sending my money to foreign nations - I want my money to be used right here at home."

Have you heard that one before? Well, I like "calling North Carolina home." What about you? Jesus said to begin at home with the "Good News" and spread out to all the world. That is what State Missions is all about - beginning at home.

State Missions means "home town" people. It means WMU, Baptist Men, Caraway and Caswell. It means higher education in our colleges and seminary extension. It means mission ministries, building new facilities, language missions, learning to read for the first time, helping the hearing impaired and the blind, guiding our military personnel and people on vacation in the resort areas of our state, and a thousand other ways of showing how much we care about the people in our beautiful state.

State Missions is caring and sharing to change lives

for the better in our home towns and communities.

Next month, September 13-20, will give each of us an opportunity to give our money toward winning our state for Jesus.

Pray, pray, pray - and then give to change lives in North Carolina.

Jean Warren

VACATION BIBLE SCHOOL REPORT

During at least one week this summer, and in some instances two weeks, there is a great deal of activity in several of our churches in the Mitchell Association. The reason for all this activity is a Vacation Bible School in progress. At this writing 20 churches have reported a Vacation Bible School with a total enrollment of 1,414.

These statistics indicate that a great deal of preparation has been made in our churches to ensure a successful year of Vacation Bible School. The preparation for some churches began back in February when the Associational VBS Early Bird Clinic was held. Even though the attendance was low due to adverse weather conditions, there was an excitement in the air connected with VBS. Our associational planning for VBS continued with the Vacation Bible School Clinic which was held in April. At this clinic the leaders in each department were given information to take back to their individual churches for planning on the local church level.

I would like to thank each person that attended our associational clinics for their willingness to give of their time and talent to spread the Word of God. I would also like to say a special thank you to each of our Team Members for their hard work and dedication that they shared so unselfishly to ensure a successful year of Vacation Bible School.

May God richly bless each of you as you allow Him to use Vacation Bible School as a tool with which to share His love in our churches.

Regina Murdock

COOPERATIVE PROGRAM REPORT

One pastor refers to the Cooperative Program as the "life blood of our denomination." In his report to the local association he used these words to explain the function of this Baptist mission effort: "The Cooperative Program is like the circulatory system . . . put in your dollar; and some part of it reaches and strengthens everything Southern Baptist are doing on the whole face of the earth!"

No program deserves our support unless it is efficient and effective. The following quotation is the text of a current tract published by the Stewardship Commission, Southern Baptist Convention.

(*Note: The quotation used was the text of a pamphlet entitled, "You Be The Judge," in which a comparison of the use of Cooperative Program dollars with funds contributed to T.V. evangelists was made. Due to the length of the material quoted, it is not included here.)

STEWARDSHIP REPORT

The idea behind Planned Growth in Giving is simple. Individual families are asked to adopt a 15-year giving-growth plan with 15 annual steps of growth in the percentage of income given to the Lord's work through their church.

For some Baptists, Planned Growth in Giving will be a challenge to simply begin some form of systematic giving to the church. Perhaps they have never contributed on a regular basis. Planned Growth in Giving invites them to begin designating some percentage of their income to their local church, and then for the next 13 years, increase that percentage annually, perhaps by one, one-half, one-third or some other portion of a percentage.

For those who already give regularly, Planned Growth in Giving is a challenge to increase their level of stewardship as they support the ministers of their church. Starting with what they are now giving, regular givers are asked to increase each year the percentage of their income they give to their church.

For the many church members who already tithe, Planned Growth in Giving is an invitation to follow the model of Jesus and sacrificially increase their level of giving during the next 13 years.

Just as individuals are asked to increase their personal contributions to the local church, SBC churches are asked to make a commitment to increase their contributions through the Associational Missions, and the Cooperative Program.

Each church is encouraged to adopt its own growth plan for the support of Associational Missions and the Cooperative Program. The challenge to SBC churches is to increase their percentage of giving through the Cooperative Program by at least 7.5 percent of the undesignated church receipts by the year 2000. Commitment to increased financial support of Associational Missions by the churches should be a worthy goal expressed in a percentage of "undesignated budget receipts."

Your Budget and Finance Committee for the Mitchell Association suggests a minimum of 4% for Associational Missions. Based on 1985-86 figures, 4% of the total of undesignated budget receipts of \$1,460,013, would have meant \$58,400 for Associational Missions, or an increase of

\$16,855! This represents a 40.5% increase over the \$41,545 contributed by the churches.

Each church needs to grow in the area of Stewardship. Planned Growth In Giving is an excellent program to give guidance to such an effort.

For help with your questions, or to examine the materials available, call the Stewardship Chairman, or the associational office.

ANNUITY BOARD REPORT

On January 1, 1988, the "Expanded Church Annuity Plan" will become operative. Those presently enrolled in a plan or plans, through the Annuity Board will be transferred into the new expanded plan.

A growing number of churches are making preparations to participate in this new plan. Here are ten reasons why your church ought to be one of them.

1. Your church has a biblical responsibility to provide for those it calls to serve. (Luke 10:7; Gal. 6:6; Lev. 6:12,26)

2. No longer do retirement programs have to be negotiated with each new pastor or staff member. By adopting the expanded Plan, your church sets an official church retirement policy.

3. The expanded Plan is easy to administer. It's based on percentage contributions. (See chart below)

4. Your church protects itself financially through the expanded Church Annuity Plan. It is much easier to make regular contributions to the expanded Plan than to support a retired minister, a disabled staff member or the surviving family of a pastor who dies.

5. Your church has the flexibility to cover whomever it chooses in the expanded Plan. Preferably your church

will cover all who serve in a paid capacity. But if budget restrictions require it, your church can cover ministers only now.

6. Accounts in the expanded Church Annuity Plan are managed at no extra cost to your church.

7. Your pastor and other eligible staff members receive more benefits. The expanded Plan provides a built-in incentive for participants to contribute to their retirement accounts. These contributions and your church's contributions are matched by state convention contributions. More contributions mean larger retirement accounts and larger retirement benefits.

8. Your church can trust the Annuity Board. We have managed pension funds since 1918. We now hold in trust over \$2 billion in assets.

9. Free retirement planning information is available to your church.

10. Contributions go farther in the expanded Plan. Four funds allow investment flexibility. Plan funds are managed with an investment philosophy consistent with Christian principles and earn competitive interest.

If your church has not already adopted the expanded Church Annuity Plan it needs to now. The expanded Plan becomes effective January 1, 1988.

Your church can adopt the expanded Church Annuity Plan by:

- Voting to do so in a business meeting; and
- Signing and returning a Cooperative Agreement to your state convention office.

To secure a copy of the "Cooperative Agreement," or for more information about how the expanded Church Annuity Plan benefits your church, call the Associational office, 765-9412, or the Annuity Board, toll free, 1-800-262-0511.

CHRISTIAN HIGHER EDUCATION REPORT

One Baptist leader has said that Baptist colleges deserve the "Light Under the Bushel Award." He meant, of course, that many of the finest, most interesting stories about Baptist colleges are not widely known.

Everyone connects Baptist colleges and a superior experience in Christian education. Most would agree that there are other strong advantages for Baptist students who attend a North Carolina Baptist college. When young people and their parents are choosing a college together, here are some things to consider:

THE TIME: Life after high school is still a time for growing, maturing, learning and planning for a full life as an adult. Going to college in a Christian environment can make a world of difference for a lifetime. The first experience after leaving home can shape a life forever.

THE SIZE: All of the Baptist colleges in North Carolina are small and manageable. You can easily walk anywhere on campus. No one is overwhelmed by a "megaversity" environment. A new student, fresh from high school, does not get lost in the crowd. Classes are small. Teachers can know the names and faces of students, and are available to advise and counsel between classes.

A LASTING FAMILY: Many years after graduation, former students still visit and write letters to favorite professors. Cherished friends in college often remain friends for a lifetime. More often than not students will choose a husband or wife while on a college campus. These are only some of the advantages of a Baptist college community of caring people.

THE CALL TO CHRISTIAN SERVICE: In Baptist colleges the ideal of service to others remains strong in vocational planning. A sense of calling to a variety of service/leadership areas is emphasized, including church-related vocations. In a "me first" world, Baptist colleges are different in important ways.

PREPARING FOR LIFE: Christian education prepares students for making a living. But more importantly, Christian education is the best preparation for spending a life. An excellent, broad-based education provides a sound foundation for a person's last job, as well as the first.

THE ROLL CALL OF BAPTIST COLLEGES

There are six educational institutions supported financially by the Baptist State Convention: Campbell; Chowan; Gardner-Webb; Mars Hill; Meredith; and Wingate.

Wake Forest, our oldest school, has a continuing "fraternal and voluntary" relationship with North Carolina Baptists and the Council on Christian Higher Education.

AMERICAN BIBLE SOCIETY REPORT

Praise God for the continuing partnership of the Southern Baptist Convention in the worldwide Bible cause! Your faithful prayer and financial support make a vital contribution to the American Bible Society's global program of Scripture translation and distribution.

During 1986 the total number of languages in which at least one complete book of the Bible has been translated climbed to 1,848 with the registering of 19 languages in which publication by the Bible Societies and other Christian organizations took place for the first time. In seven languages first-ever Bibles appeared. The American Bible Society is continuing to lend assistance to ongoing Scripture translation projects in 555 languages. In 348 of these, some part of the Bible is being translated for the first time.

The Word In Action In Foreign Lands:

In Columbia, local Bible Society workers are witnessing

an enormous interest in reading and studying the Bible on the part of the general population, as is evidenced by the year's Scripture distribution total of 6,616,978 copies. Bible Portions, especially the Four Gospels, are continually in demand by churches, particularly for evangelization programs where they are given out free of charge.

In Kenya, the task of opening God's Word for all is a very demanding challenge. Although there are only two official languages - kiSwahili and English - their use is limited to only 15 percent of the population and is concentrated in urban areas. The majority of the rural population use local vernacular languages, of which there are 40. Work on translating the Scriptures is therefore an ongoing top priority.

In the Philippines, recent events have brought both renewed hope and an urgent need to rebuild national institutions and values. Today, more than ever before, people are turning to the Bible to discover what God's Word has to say to them. And in this time of difficulty and opportunity, the local Bible Society is expanding its distribution programs so that all may have easy access to the Gospel's message of comfort and reconciliation.

The Word In Action In The United States:

The work of the American Bible Society embraces many ongoing ministries which have become a regular part of its outreach each year. These include serving the special Scripture needs of hospital patients, nursing home residents, inmates of correctional institutions, blind and visually-impaired people, men and women in the armed forces, and, increasingly, the many thousands of expatriates from other countries who require specially-prepared editions of God's Word in their own languages.

During 1986, the American Bible Society supplied 100,142,313 copies of Scripture to people in the USA in over 80 languages and in various customized formats. This number reflects a 4.07 percent increase over distribution figures for 1985.

Since 1816, the ABS has been working to serve the Scripture needs of this nation. But the Society's mission extends to providing God's Word for people of all nations where a need exists. One area of the world where people have long been without God's Word, but where a unique opportunity for Bible work has recently been initiated, is the People's Republic of China. Through a special partnership between the United Bible Societies and the Amity Foundation, a social service organization formed at the initiative of Chinese Christians, a state-of-the-art printing plant is under construction on the outskirts of Nanjing. The Amity Printing Press will give priority to printing Bibles and New Testaments and will have the capacity to print 250,000 Bibles and 500,000 New Testaments annually when it is completed in the latter half of 1987. In faith the American Bible Society has committed itself to raising nearly one-half of the \$6,695,000 needed to purchase machinery, train personnel and provide the initial capital investment needed for this operation.

We appreciate immensely the way the Southern Baptist Convention has responded so generously to global Scripture needs during the past year as it has always done. In 1986, Southern Baptist churches gave \$272,277 to the American Bible Society in support of the worldwide Bible cause.

THE BIBLICAL RECORDER REPORT

There's good news and bad news!

The bad news is that during 1987 there have been some very embarrassing things happen which hindered the work and witness of Christians across our state, the nation and the world.

The good news is that Baptists have done more, given more and cared more about a lost and needy world than ever

before. And it was reported in the Biblical Recorder!

The state Baptist paper for North Carolina always tries to tell it like it is--the good, the bad, the victories and the warts--with an emphasis on the good because there is so much good being done by our people as they take seriously the Great Commission from our Lord.

Some Baptists are well-informed, some misinformed, some uninformed. The Recorder tries each week to present the news and activities of Baptists so that all will have the opportunity to be the best informed. As our state grows and there are more challenges every day for witness and ministry, our Baptist people need to be at their very best with information and insight into the situations. Never in the history of North Carolina has there been a greater moment for Baptists to make known the Gospel and help people live in the manner of Jesus.

Readership is strong, but we want every reader and subscriber possible so that more Baptists can know the opportunities and victories within our fellowship. The paper is a bargain--only \$5.00 per year for the Church Budget Plan! For half the price of a first-class postage stamp, the Recorder comes into the Baptist homes each week.

For the sixth consecutive year there will be NO INCREASE in the subscription rates. Despite the fact that second-class postage costs went up more than \$90,000 in 1987, the Recorder directors have agreed to leave the subscription prices as they are so that the greatest number of Baptists can benefit from the paper at the lowest costs.

If your church does not have the Budget Plan, we urge you to consider it for 1988. Special introductory offers are available. Please contact: The Biblical Recorder, 232 West Millbrook Road, Raleigh, N.C. 27609, (919) 847-2127. May God help us all to work together to share the Good News with the world, starting where we are and reaching to the ends of the earth.

JOINT REPORT - BUILDING COMMITTEE
AND OFFICE BUILDING FINANCE COMMITTEE

Over the past months the Building Committee and Finance Committee have met on several occasions to further plan and promote the new associational office building project. Members of both committees wish to express their appreciation for the confidence the association has placed in them.

Since last year's Annual Associational Meeting, slightly over twenty thousand dollars have been contributed to the Building Fund. The Building and Finance Committees have chosen Rev. Walter Ponder to serve as the Project Coordinator based upon his past experience in the construction business.

Materials lists for the building have been developed and presented to all of the building supply dealers in the county.

Four building contractors were asked to prepare bids for labor to place the building under roof and in the dry. An additional \$2,800 is estimated for concrete footing material and block for the foundation.

A summary of the above quotes follows:

Materials -----	\$ 12,024.12
Labor -----	6,000.00
Concrete Footing Material -----	800.00
Blocks: Material and Labor -----	2,000.00
Total	\$ 20,824.12

At last year's Annual Meeting the Building and Finance Committees made a recommendation that actual construction on the building not begin until thirty-thousand dollars was in the building fund. The thirty-thousand dollar figure was an estimate on the committee's part prior to the submission of actual material and labor quotes by building supply dealers and contractors.

The membership of both committees was extremely pleased to see actual cost figures come in approximately ten-thousand dollars below preliminary estimates. Lower costs figures will now allow the association to put the building under roof for less money than anticipated.

With actual costs estimates now firmly in hand, it is the recommendation of the joint committees that the project be allowed to proceed with the funds on hand, that construction be allowed to begin immediately, and that further contributions to the building fund be expended as needed to complete the project.

ASSOCIATIONAL OFFICE BUILDING

Our new office building was dedicated on Monday evening, August 29, 1988, at the close of the afternoon session of the 140th Annual Meeting. A copy of the dedication service can be found on pages 39-41.

Some of the key events in the building program include the following:

- The Search and Survey Committee gave notice at the July 25, 1985, Executive Committee meeting, held at Bear Creek; that at the annual session they would recommend that the association accept the offer of Berry Chapel to donate a lot for an office building. The Minutes record that this recommendation was made and accepted at the Friday, August 30, 1985, session.
- At the meeting of the Executive Committee on November 30, 1986, the Finance Committee reported that plans were underway to raise \$23,000. Building plans had been secured from the Sunday School Board in Nashville, Tennessee.
- On Monday evening, August 24, 1987, the messengers voted to proceed with construction.
- Grading of the lot began on Monday, August 31, 1987.
- A service was held on September 20, 1987, to "mark the observance of the beginning of construction, and a time of dedication of the effort to the Glory of God the Father."
- In the March 24, 1987, issue of the associational newsletter, we began using the phrase: "Working to Build. . . Building To Serve."
- The move to the new office building was made on Friday and Saturday, June 10-11, 1988.

(a) Salary for Secretary is to include one week (20 hours) of paid vacation and up to ten (5 hour) days of sick leave for herself and her immediate family.

(b) This item represents "up front monies" for crises ministries such as natural disasters.

(c) This is based on the current self-employed rate of 13.2% with the Director of Missions paying 7.51%, and the Association paying the remaining 5.69%. This is recommended as a guide to churches to deal with the increasing Social Security taxes for pastors.

(d) This is based on the current rate of 7.51%.

In addition to the Committee's recommendation of the Proposed Budget for 1988-1989, the following suggestions are made:

(1) We request that each church continue to make it's contributions for Associational Missions on the basis of a minimum of 4% of their regular

offerings, payable monthly. (The Associational Building Fund Offering is separate from this contribution).

(2) Churches that do not support Associational Missions regularly on a percentage basis are urged to receive a special offering for this purpose annually during the month of May, in connection with the observance of Associational Emphasis Week, or at another time of their choosing.

(3) Extra Secretarial help for the preparation of last year's Minutes, plus printing cost is estimated to be \$3.00 per copy. Your Budget and Finance Committee suggests that in ordering copies of the 1988 Minutes that churches send their check with the Uniform Church Letter to the Association to cover the number of Minutes ordered.

SUNDAY SCHOOL REPORT

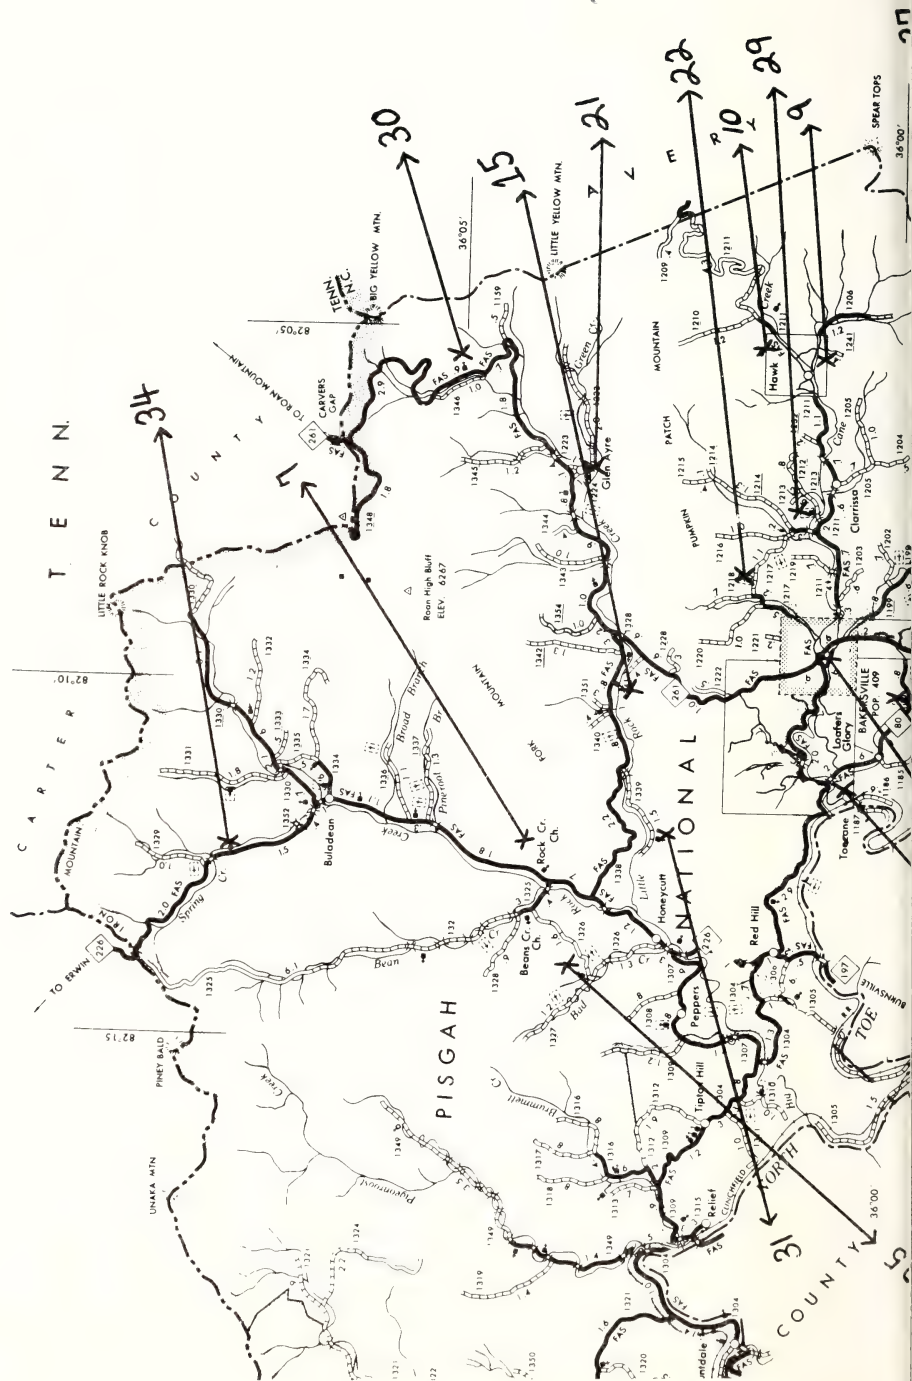

I have heard it said, "There just aren't any good Sunday School prospects out there." Did you know that in Mitchell County on a given Sunday there are 9,000 people who don't attend Sunday School anywhere? Less than 1 of every 3 people you meet on the street go to Sunday School.

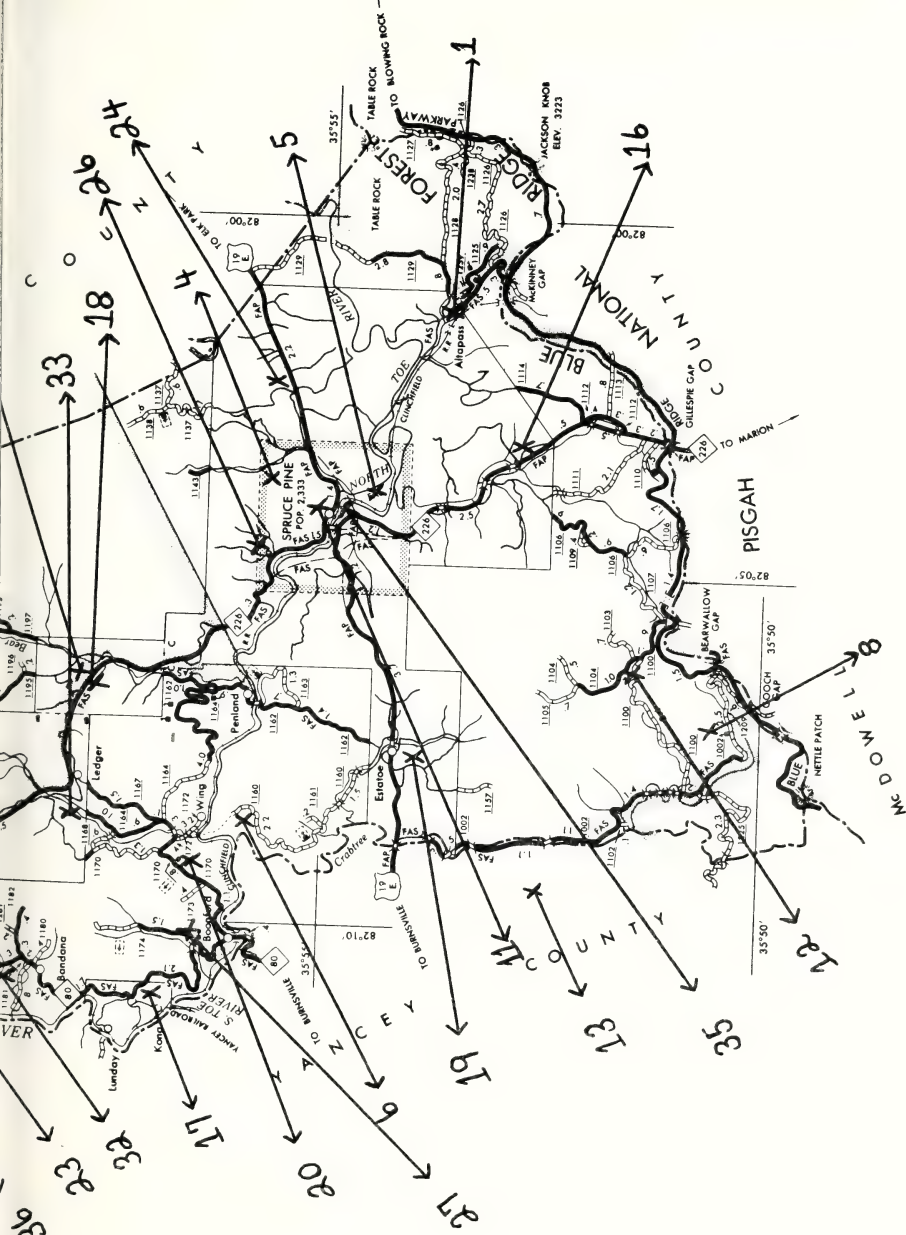

Luke 10:2 reminds us, "The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest."

Your ASSIST Team (Associational Sunday School Instruction Support Team) has strived to help churches in Mitchell County be better equipped to reach out to the unchurched. This past year your ASSIST Team traveled to Ridgecrest for 2 days of intense Sunday School training. They shared this back home by leading a graded Sunday School Literature Workshop. A Sunday School "Planning to Grow," meeting was held with Bakersville Baptist on November 17, 1987. Nine other churches have already requested assistance from our ASSIST Team. New ideas like the Teacher's Apprentice Program were introduced as well as annual church events like Witness Commitment Day, High Attendance Day, and Sunday School Preparation Week.

This year has been a good one for churches in Mitchell County. New Sunday School units have been started. Many churches had a good increase in their Sunday School, and I believe baptisms will be up for this year. Don't let your church miss out on our Sunday School Night, September 15. This will be a time for recognition of outstanding Sunday Schools and renewal of our fine teachers.

Plans for the coming year include:

- 1—Altapass
- 2—Bakersville
- 3—Bear Creek
- 4—Beaver Creek
- 5—Berry Chapel
- 6—Big Crabtree
- 7—Big Rock Creek
- 8—Black Mountain

- Associational Sunday School Night, September 15.
- Sunday School Leadership Training, September 16-17, Ridgecrest.
- Sunday School Preparation Week, September 25-October 2, 1988.
- October Outreach Month Promotion
- Sunday School Teaching Conference, October 13.
- High Attendance Day in Sunday School, October 30
- 1989 VBS Summer Explosion
- Children's Worship Tour
- Small Church Sunday School Revival

My heart truly is burdened that Sunday School became "the" outreach arm of the church. At present, it takes 40 Baptists one year to baptize one convert. Next year, our ASSIST Team will be expanded to include an Outreach person for the entire association who will work with Sunday Schools. One of every three persons enrolled in Sunday School became Christians while only one of every 280 persons contacted through visitation alone ever receive Jesus Christ as Lord.

This next year in Sunday School can be a banner year for Mitchell County. But we must take seriously the question found in Mark 4:38, "Good Sir, carest thou not that we perish?" I am convinced that we do care enough to make 1988-89 the greatest evangelistic year ever in our Sunday Schools.

Respectfully submitted,
Rev. Mark Hollar

CHURCH TRAINING REPORT

Every believer should "grow in grace, and in the knowledge of our Lord and Saviour Jesus Christ." (II Peter 3:18)

Every saint should be equipped "for the work of the ministry." (Ephesians 4:12)

Are YOU growing spiritually?

Are YOU "prepared unto every good work?" (II Timothy 2:21)

Church Training can help you learn to walk closer to

the LORD day by day and prepare you for practical service in His Name.

Are YOU involved in Church Training?

In the past year, Church Training in our association:

- involved more children and youth in Bible skills and memorization (drills) than any other association in the state.

- prepared four persons to lead MasterLife (in-depth discipling) in our churches.

- sponsored one of the most outstanding "M" Nights, ever.

- equipped leaders at state and local Key Leadership Conferences.

- promoted increased participation in Annual Doctrine Study.

Last year, Church Training helped many of our members in Mitchell Association grow spiritually and better serve the LORD.

Our desire, our prayer, our goal is to increase and expand Church Training so that every member is growing and serving. Help us promote Church Training in your church; let us help you better equip all of your members.

Respectfully submitted,
Rev. Larry Greene

WMU REPORT

This has been a "once in a lifetime experience" for Woman's Missionary Union as we have celebrated where we have come from in our first 100 years as WMU.

As we have studied our history we have learned much about our foremothers and how they were faithful to the task God had given them to do in strengthening the cause of missions at home and around the world. We have looked at the endeavors and successes of these 100 years. We have celebrated with thanksgiving and praise in our hearts the 100th birthday of Woman's Missionary Union. We have affirmed the missions purpose of WMU.

The WMU Emphasis for 1987-88 has been "A Century To Celebrate - A Future to Fulfill." The WMU Watchword for our Centennial year is taken from Hebrews 13:7-8 (RSV).

"Remember your leaders, those who spoke to you the word of God; consider the outcome of their life, and imitate their faith. Jesus Christ is the same yesterday and today and forever."

The hymn selected for our Centennial year was "God, Our Author and Creator." What a great hymn to sing for a Centennial year!

The following are some of the highlights of the WMU year:

- May 13-14, 1988, WMU "Celebration of the Century," in Richmond, Virginia, the birthplace of Woman's Missionary Union. Eunice Riddle, WMU Director of First Baptist Church, Spruce Pine, and her husband attended this birthday celebration.

Monetary gifts were sent by various WMU groups to help pay for the new WMU Building in Birmingham. This was suggested and encouraged by the Associational Centennial Chairman, Iris Burleson.

- September 10, 1987, the Associational WMU Director, Shelba Snipes, visited the Broyhill Children's Home at Clyde, N.C. for open house with a group from Grassy Creek Baptist Church.

- September 24, 1987, Associational WMU leaders met at Western Steer Steak House to make plans for the coming year. Plans were made for the WMU Workshop, Baptist Women's World Day of Prayer, the Annual WMU Meeting, and an associational WMU teaching session on the history of Woman's Missionary Union. Each leader discussed the activity she would like to do during the coming year.

- October 29, 1987, the Associational WMU Workshop was held at Bear Creek Baptist Church with 26 present. There were 10 churches represented.

- November 2, 1987, the Baptist Women's World Day of Prayer was held at First Baptist Church, Spruce Pine. The theme was "God's Command: Be Peacemakers." There were 60 people in attendance representing 14 churches. Ken Sausedo, Music and Youth Director at Grassy Creek Baptist Church, provided special music. An offering was received. The amount of \$132.90 was sent to the Women's Department of the Baptist World Alliance.

- The associational WMU Director attended the first

planning meeting for the World Missions Conference to begin on October 2, 1988. This meeting was held on November 19, 1987, at First Baptist Church, Spruce Pine.

- The Associational WMU Mission Action and Personal Witnessing Director, Beulah Burleson, contacted each WMU Director and asked that their ladies help with stamps, lotion or both for Christmas gifts for the women at the North Carolina Correctional Center for Women in Raleigh. The response was great.

- March 2, 1988, the Associational WMU Director traveled to Cane Creek Baptist Church and talked to the congregation about beginning WMU in their church.

- February 21-24, 1988, Home Mission Study. The theme was "A Church For Everyone."

- March 6-13, 1988, Week of Prayer for Home Missions and Annie Armstrong Easter Offering. The theme was "A Church For Everyone." The national goal was \$37,500,000.

- April 12, 1988, WMU History, "Century to Celebrate," First Baptist Church, Spruce Pine. This teaching session was taught by Mrs. Jean Warren. The Centennial display was well prepared. The Centennial quilt made by the WMU ladies of First Baptist was the highlight of their display. Jean did a very effective job with the history of WMU. Studying the history has been a blessing to me, and I believe to those who have participated.

- April 21, 1988, Annual Associational WMU Meeting, Central Baptist Church. The theme was "A Century to Celebrate - A Future To Fulfill." There were 91 people present with 13 churches represented. The guest speaker was Mrs. Barbara Brock, former missionary to Brazil. Special music was rendered by the choir from First Baptist Church and Amelia Burnette and Shanna Webb from Grassy Creek who sang "Jesus Wants Me for a Sunbeam."

The following officers were elected: (See page 5)

The prayer of dedication for these leaders was rendered by Rev. Hugh Borders our Director of Missions.

May 9-11, 1988, the Associational WMU Director attended the Key Leadership Conference at Ridgecrest.

July 3, 1988, Shelba Snipes, Margaret Greene, and Connie Young went to Berry Chapel to help strengthen their mission work.

July 19, 1988, the Associational Key Leadership Conference was held at Pine Branch Baptist Church. In the WMU Conference there were eight members present representing six churches.

July 23, 1988, five associational WMU leaders attended the workshop at Fruitland. They were Helen Miller, Norma Duncan, Sandy Woody, Connie Young, and Shelba Snipes.

August 9, 1988, the Associational WMU Director attended the second meeting for the "World Missions Conference" at the new associational building.

August 18, 1988, some of our WMU members attended the State Missions Associational Banquet. The guest speaker was Tom Lolley, Western Area Missionary. The suggested date for the Week of Prayer for State Missions is September 11-18, 1988. The theme is "Changing Lives Through State Missions."

As our men would work on the new associational office Saturday after Saturday, different WMU groups would provide the noon meal for them. We would like to thank each group that had a part in this.

WMU has had a great year. Now we begin our second century. It is imperative that we be women of courage and fortitude in our local churches, in our convention and in other places of influence. The very purpose for our being in the first place is to be involved in missions, to provide missions education so God can call out missionaries from our ranks, and to support missions with a strong program of prayer and giving. That means we need to be involved at every level of our denominational life. If you need assistance from the WMU Council we are here to serve. The words of Annie Armstrong would remind us to "Go Forward."

BROTHERHOOD REPORT

During the past year, many men in our association have become personally involved in fulfilling their part of the Great Commission. As some are called to be "prayer warriors", others are called to soul winning. As some are called to "get a cup of cold water," others are called to

build a church in Brazil at 115 degrees. As some are called to give more to missions than they can afford, others are called to Home and Foreign Mission service. If you stop to think, the "others" always need "some" who are in the background doing their necessary part in mission service. Whether you are "some" behind the scenes, or "others" in the spotlight, you have an equal responsibility in every mission endeavor. If God doesn't call you to "active mission service," then He will always call on you to do some part where he leaves you.

This year many men have been involved in construction of the Associational Office Building. Taking many Saturdays and sometimes weeknights, men helped, as called on, to complete construction. Led by Rev. Walter Ponder and Monroe Bridges, these men were able to save thousands of dollars, doing tasks on their skill level, from "gopher" to carpenter.

Our Annual Brotherhood Workshop was held on Monday, October 19, 1987. Several men came to receive training in Royal Amassadors, High School Baptist Young Men, and Brotherhood Leadership.

On Friday, January 15, a total of 20 men from our association, including our Director of Missions, left for a mission project in Brazil. After some 24 hours in airplanes and airports, we arrived in Sao Paulo, Brazil, a city of 15 million. After being involved in Sunday morning services in the "mother church" of Liberty Baptist, a 10-story building in downtown Sao Paulo, we left for the city of Cerquilha, some 2 hours away, where we were to build the church building. The city of Cequilho had 26,000 people (twice the size of Mitchell County) and one Baptist Church which was meeting in the pastor's home. Nightly revival services were held outside Pastor Belamino's home with about 25 to 40 in attendance. Construction was begun on the pre-fab church on Monday morning with the leadership of Missionary Leo Weatherman and Mission Service Corps volunteer, Elmer Farlow. Working in 105 to 115 degree heat (coming from 10 degree weather) for some 10 to 11 hours each day, this 40 by 60 feet building was erected by late Wednesday. On Thursday night a dedication service was held with over 200 people in attendance, standing room only. Many people came to see the

church built in three days, and received the gospel. A very emotional service, with a lot of thanks and good-byes, everyone joined singing the one song we could all understand, "Alleluia." Returning to Sao Paulo on Friday, we arrived home on Saturday, January 23. Following is the 20 men who answered their call to volunteer mission service: Allen Ayers, Rev. Hugh Borders, Eddie Buchanan, Greg Buchanan, Jim Buchanan, Eddie Dellinger, Jimmy Dellinger, Don Duncan, Eddie Duncan, Jeff Duncan, Max Gouge, Sr., Lee Ellis, Rev. Ken Mashburn, Virgil Murdock, Jr., Kenneth Pitman, Roger Pittman, Rev. Walter Ponder, Ronnie Riddle, Phillip Wilson, Jr., and Joel Young.

Two events were held during the year for Royal Ambassadors and High School Baptist Young Men. On Sunday, April 10, the Mission Fair/Car Competition was held for about 30 boys from 3 churches. Awards were given to the winners and the Lad/Crusader winners were invited to the State Congress. Then on Saturday, May 7, the Royal Ambassador Track Meet was held for 47 boys from 4 churches. The church winner this year was Spruce Pine, First. Trophies and ribbons were given to all winners and the Pioneer winners were invited to the State Track Meet. In 1989 both these events will be sponsored jointly with the G.A.s and Acteens and will include all boys and girls in the association, whether or not the church has the organization.

This year I look forward to better missions education in churches, due in great part to the upcoming World Missions Conference. Also, there is being planned a library of Mission Study materials at the Associational Office, including many video tapes, cassette tapes, and other materials that can be used in Baptist Men, High School Baptist Young Men, Royal Ambassador, Baptist Women, Baptist Young Women, Acteen, G.A. and Mission Friends meetings or in a regular church service to promote and inform people of missions.

This year our great "Brotherhood Missions Challenge" will be a partnership between the Mitchell Association and Wall Cottage at the Broyhill Children's Home. The house parents are Jim and Vivian Johnson. We will be responsible on a continuing basis for the needs of Wall Cottage. We will start out with repair work and general maintenance of

the cottage and we hope as Mitchell Baptists get to know the Johnsons and the children in the cottage, that other projects can be started. You are invited, if you are in the area of Clyde, to drop by and visit Wall Cottage, which is only about 3 miles off I-40 at the 19-23 Waynesville exit. Maps and other information will be available.

In closing, I would encourage all Baptist Men and Boys, whether or not you have Brotherhood and/or R.A.s in your church, to get involved in missions as you are called. As Christians, we cannot escape our obligation to be involved in missions, then he will call you to do some part in missions where you are.

Joel Young

EVANGELISM REPORT

During the past year we have seen the moving of the Spirit in our association. Souls have been won to the Lord and this gives rejoicing in heaven as well as here on earth. We thank the Lord for what is taking place, yet we hunger to see many more people won to Christ.

We were very fortunate to have with us at our Associational Evangelism Conference, Rev. J.W. Hutchins, our Evangelism Director for the North Carolina Baptist Convention. He brought a very challenging message which was well received. Two of our churches provided singing and music for us. These were Roan Mountain and Grassy Creek Church Choirs.

Revivals were conducted in churches all across the association. We praise the Lord for these and the evangelism that is ongoing in the churches.

Many of our pastors and members were able to attend the Statewide Evangelism Conference at Greensboro during February.

October, 1988 - September, 1989 has been designated the "Year Of The Laity In Evangelism And Discipleship." This is an evangelism strategy for reaching people based on Zechariah 4:6, I Corinthians 2:4-5, II Corinthians 5:17-19. It is a cooperative effort of the Evangelism Section of the

Home Mission Board, the Brotherhood Commission, the Church Training Department of the Sunday School Board and Woman's Missionary Union.

The purpose is to awaken the laity to their call and gifts; to deepen believer's personal relationships with Jesus Christ; to equip and develop more effective ministers and witnesses for active ministry in the marketplace and in the church.

Your Evangelism Committee plans to have a Lay Evangelism School in the association in the very near future. Let us continue to pray for a spiritual awakening in our churches.

Respectfully submitted,
Rev. Vernon Buchanan

THE EXECUTIVE COMMITTEE REPORT

January 14, 1988

Members of the Executive Committee met at Beaver Creek Baptist Church on Thursday, January 14, for its regularly scheduled session and a Commissioning Service. Rev. Walter Ponder, Moderator, presided.

Rev. Ken Mashburn led in a responsive reading and prayer.

The following churches answered to the roll call of churches: *Bakersville, *Bear Creek, *Beaver Creek, Berry Chapel, Central, Grassy Creek, *Pine Branch, *Spruce Pine, First, and *White Oak. (*Asterisk indicates presence of pastor.) Approximately 85 people were in attendance for the combined business session and commissioning service.

A Treasurer's Report was given. The balance in the regular checking account was \$4,763.36. Attention was called to Rev. Borders' trip to Brazil. The cost is \$1,100. The treasurer had received \$592 which had been designated for this purpose. This left a balance for the cost of his trip at \$508. This amount was advanced out of the treasury. All January bills had been paid except the mailing of the newsletter and the January salaries.

Taylor Puckett gave an update on the building fund. He

stated that everything so far had been paid for and that we had a balance of \$22,397.77. The plumbing and heating are being roughed in.

Rev. Vernon Buchanan, Chairman of the Nominating Committee, recommended that Rev. Victor Greene take the place of Rev. Gerold Grindstaff on the Evangelism Committee. This recommendation was approved.

Rev. Ken Mashburn, Chairman of the Seminary Extension Committee, gave information on the classes that were scheduled to begin in February on "Church Growth."

Rev. Larry Greene, Church Training Director, gave an update on the MasterLife class and encouraged everyone to participate in the upcoming Baptist Doctrine Study, "Priesthood of Believers."

Rev. Victor Greene, Chairman of the World Missions Conference stated that we had a commitment from 12 churches to participate, with the hope of hearing from several more.

Mrs. Shelba Snipes, WMU Director, commented that the ladies of the WMU would be praying for the men during their trip to Brazil. She reminded each one of the WMU Centennial Celebration in Richmond, Virginia in May, and of the Focus on WMU Week in February.

There was no new business and the business session ended.

Rev. Borders introduced O.D. Martin as guest speaker of the Commissioning Service for twenty of our men who were leaving for a mission trip to Brazil the following morning. Mr. Martin was a missionary to Brazil, and is currently the Director of Stewardship at our Baptist State Convention.

After the Beaver Creek Choir sang, Mr. Martin gave a message on missions. At the conclusion of his message the twenty men and their wives were called up front as Mr. Martin led in a prayer for their journey and their accomplishments.

The Moderator asked for a vote from the Executive Committee for the association to join the Brazilian Partnership. This was approved. Rev. Clyde Buckner led in the closing prayer.

May 5, 1988

Members of the Executive Committee met at Snow Hill Baptist Church on Thursday, May 5, 1988. Rev. Walter Ponder, Moderator, presided and called the meeting to order. Don Ford, interim pastor at Snow Hill, led in devotion and prayer.

The minutes of the January meeting of the Executive Committee were read and approved. A roll call of the churches was given by the clerk and the following churches were represented: *Altapass, *Bakersville, Berry Chapel, *Central, *Chestnut Grove, Grassy Creek, *Lily Branch, *Mount Carmel, *Pine Branch, *Snow Hill. (*Asterisk indicates presence of pastor or interim pastor.)

In the absence of the treasurer, a brief treasurer's report was given by the clerk. It was stated that \$4,728.29 was the balance on hand in the regular fund, and that we had \$10,919.72 in the building fund.

The Moderator gave a progress report on the new associational office building. He reported that the brick mason would be finished in a few days, and the inside of the building was nearing completion. He also reported that money was still coming in for the building and we had not yet borrowed any money. Rev. Ponder stated that the office should be completed and occupied by the next Executive Committee Meeting.

Shelba Snipes, WMU Director, reminded everyone of the Centennial Celebration in Richmond, Virginia, May 13-14. Several ladies in the association have made a Centennial quilt and are going to take it to the Celebration.

The Moderator asked for any old business, there was none. He asked for any new business, and there was none.

In the absence of Rev. Vic Greene, Director of the World Missions Conference, Rev. Hugh Borders gave an update on the World Missions Conference to be held in October. He reported that 19 churches were planning to participate. Churches will be asked to designate one lay person as a contact person to receive information. Our first World Missions Conference was held in 1973, and we continue to have them every five years.

Rev. Ponder stated that another work day would be held

at the new office building Saturday, May 14. The meeting was adjourned and turned over to the Sunday School Workshop.

July 19, 1988

Members of the Executive Committee met at Pine Branch Baptist Church on Tuesday, July 19, 1988. Rev. Jay Orr, Moderator, presided and called the meeting to order. Rev. Orr led in a time of devotion and Rev. Steve Sisk led in prayer.

A total of 32 people attended the Key Leadership Conference which followed the Executive Committee Meeting. Since many of the people arrived during the Executive Committee Meeting, or after, the Moderator did not call for a roll call of churches.

The minutes of the May meeting of the Executive Committee were read and approved. In the absence of the treasurer, a brief treasurer's report was presented by the Director of Missions. It was stated that \$1,165.99 was the balance on hand in the regular fund, and that we had a balance of \$795 in the building fund with an outstanding bill for \$730. This will leave only \$65 in our building fund.

The Director of Missions also reported on our upcoming World Missions Conference. A planning session has been planned for August 9, at the associational office, 7:30 P.M. Each participating church is asked to send their contact person.

The Moderator asked that we remember in prayer David Hall, our Chairman of the Budget and Finance Committee, who had undergone heart surgery that day. In his absence, Rev. Larry Greene presented the Proposed Budget for 1988-89. No questions were asked and Rev. Greene made the motion that we accept this proposal and present it to the messengers at the annual session in August. The motion was seconded and approved.

The Moderator asked for any old or new business, and there was none.

The meeting adjourned.

Judy Greer, Clerk

BAPTIST RETIREMENT HOMES

The Baptist Retirement Homes of North Carolina, Inc., began operation in 1951 with a charge to provide a Home for "Aged Saints" in the spirit of Christian care.

The Homes operates facilities in locations across the State: Asheville in the West, Hamilton in the East, Yanceyville in the North, and Albemarle in the Southern Piedmont. A multi-level care facility in Winston-Salem currently services the needs of Older Adults from all over the State.

According to a January, 1987 Report of the Office of State Budget of the State of North Carolina, the number of North Carolina citizens age 65 and over will increase by 203,935 (28.9%) by 1995 and 286,831 (40.6%) by the year 2000. . . The percentage of increase for the 80-plus age group in Baptist Life (those individuals most likely to need residential care) is predicted to be more than 50% by the year 2000.

A five-level continuing care retirement community (Brookridge) is now under construction in Winston-Salem. Land for that same purpose has been purchased in South Charlotte. Planning for the development of similar communities has begun in Asheville and in Eastern North Carolina.

In 1988, the Homes received a grant from the Mary Reynolds Babcock Foundation to study the feasibility of establishing a volunteer-based Home Health Care program that will enable frail Older Adults to continue to live independently in their homes with some assistance.

The needs for residential living opportunities on all levels (from independent living to nursing care) grow as the population does. A large number of Baptist Older Adults requiring service within a residential environment cannot afford the cost of that care. Particularly does this seem to be true for a large number of retired pastors and their spouses. Because so many ministers have lived in church-owned parsonages or have been given housing allowances, thereby never developing home equity, it is extremely difficult for retiring pastors to underwrite the cost of retirement living or residential care in their later

years. The Homes feels a particular commitment to these individuals and has responded as much as the parameters of its Benevolent Care Program will allow. New sources of funding must be found if this great need is to be met.

As we move into 1989, opportunities for creative ministry with Older Adults abound. With the support of North Carolina Baptists, the Baptist Retirement Homes will endeavor to turn those opportunities into the kind of reality that will meaningfully service the needs of the Older Adults of our State.

BAPTIST HOSPITAL REPORT

Perhaps the word which best sums up the past year at Baptist Hospital is expansion - expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The \$140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months, include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been \$181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500

chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs. . . as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

The faithful delivery of pastoral care, beginning within our Medical Center and reaching around the world, is the ministry to which we make renewed commitment.

Like most hospitals throughout the nation, Baptist has been faced with a critical shortage of nurses and other health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members. Among these are: a day care center for children of employees, wage and salary adjustments, weekend shift differential, weekend options program, case management concept, and a loan/scholarship program for students preparing for health care careers.

In January, Dr. John Lynch who had been president of the hospital for more than seventeen years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor. Mr. Len B. Preslar, Jr., who for many years has been vice-president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hospital received \$659,062 through the Cooperative Program and \$290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

Respectfully submitted,
Carl Roach

BAPTIST CHILDREN'S HOMES REPORT

You took the time, you cared. You gave much when you didn't have to. In behalf of Dr. Blackwell, the children in care, our staff and trustees, thank you for your prayers, your caring and financial support. You are special to this child care ministry.

A major thrust beyond our quality care this year was the completion of our Long Range Plans. To continue being bold in child care, several challenges were accepted by our staff and trustees from the results of our five-year Long Range Plans. We plan to add two emergency care homes - another one on the Kennedy Home campus and one where the need is greatest. The Cameron Boys Camp will be expanded to care for 50 boys. Two specialized small group homes will be opened by early 1989 - a teenage mother-baby home and a behavior change program for teenage girls in Lenoir.

Fifty percent of our children have had little or no spiritual training prior to their being in our care. We rejoice that 79 were baptized into the family of God. Our ministry is "Missions in Miniature."

To meet these challenges and continue the current ministry to children, our budget must move from seven million dollars (which it has been for five years) to 11 million dollars by 1992-93. We hope that by 1993, the Baptists of North Carolina will be giving fifty percent of our daily operating budget. Currently we receive 34 percent. This can be achieved by increasing church receipts through the Cooperative Program, the Homes & Hospital Offering and designated gifts from churches and individuals. The future of child care in North Carolina is in the hands of the Baptists of our great state. We believe they will meet the challenge.

We here in the West continue to be blessed with mountain top experiences in caring for our children. Moody Home in Franklin, Broyhill Home at Waynesville/Clyde, Thermal Belt Youth Shelter in Forest City and Haywood Emergency Care Cottage on the Broyhill Campus all continue to operate at near capacity levels.

While alternative options now open to unwed mothers have caused the demand for residential maternity care to

somewhat decrease, the Baptist Maternity Home in Asheville continues to be one of our most blessed ministries.

The vast majority of the young people we serve come from the ranks of the hurt and the hurting. Sadly very few have had spiritual training prior to their time with us. In order to help fill this vacuum, SONshine Week, a week of special Christian activities, has come to be a vital part of the Broyhill program.

One of the highlights of SONshine '88 was when Kristy, a high school Junior, shared her personal testimony in a way that thrilled and amazed us all. Kristy shared how her life was now completely transformed because of Broyhill and because of Jesus Christ who now lives in her heart.

Equally thrilling to the testimony was the response of the troubled children who listened. As Kristy finished her testimony, the Broyhill children gave Kristy a rousing, prolonged standing ovation.

BAPTIST FOUNDATION REPORT

For several years, Montagress Mercer has provided an example of estate stewardship which members of the Foundation staff have often related, but always without revealing her identity. It was her wish that "nobody know". Mrs. Mercer died this spring. We can now share her name as well as her testimony. It was her wish that "Lottie" should have her farm. To accomplish that, the farm was deeded to the Foundation but she retained all benefit from it for as long as she lived. As the plan for doing this was explained to her and the possibilities unfolded, she clasped her hands together and exclaimed, "I'm so happy!" Now her happiness has been justified. That which she desired is now a reality: the income from her trust will be paid forever to the Lottie Moon Offering. It is incidents like this which tell the story of Baptist Foundation. Facts, figures and statistics have their place, but the people behind them are the real story.

Another unique expertise provided by the Foundation is

in helping to analyze a person's total estate picture and assisting them in their complete plan of estate stewardship. Sometimes, a person only wishes to make a modest gift in trust for one specific cause and then is content. Often, however, the person realizes that both his family and Baptist causes he loves can derive a greater benefit from his estate, if his plan includes all of it. It may require more than one type of trust and nearly always a Will that capitalizes on the best possible planning. One couple, utilizing the Foundation's expertise for total estate planning, rather than making piece-meal plans and small bequests here and there, took full advantage of the tax laws available for them and provided fully for their son and the Baptist causes which they desired to support. Their satisfaction now comes from a coordinated estate plan. It is in total estate stewardship planning, not in "getting a gift", that the Foundation renders the greatest service.

The "unfunded" trust simplified planning for many persons in the past year and continues to provide a way to help meet the objectives of many stewards. The trust document is prepared to incorporate the provisions of the trustor's wishes. It will not take effect, however, until the individual is deceased. Then their Will provides the funding, most often the residual estate being assigned to the trust, hence the term "unfunded". The individual has the joy of having a plan in place, all signed and legal.

Majorie has updated her Will this year and created an "unfunded" trust. At her death, her entire estate will fund her trust. For a definite period of time thereafter, her family will receive income from the trust. At the end of those years, the income will support Baptist work forever. As she was discussing this with the staff, a new option became available to her. Her church established a Foundation trust whose income, when it is received by the church, will support local missions, the Lottie Moon Offering, a church scholarship fund, and assist with capital improvement and maintenance of its historic building. Marjorie named that church trust fund as the beneficiary of her unfunded trust. To her, happiness is having an accountable plan in place for the accountable steward.

The Baptist Foundation added 62 new trust funds to its

numbers in 1987. Gifts to trust increased its holdings to a record \$14,452,258. Trusts already in place provided \$578,697 in support of Baptist causes. As important as these statistics are, a significant aspect of The Baptist Foundation program is that it provides individuals, such as Mrs. Mercer, with an avenue for continuing their support of Christian causes beyond their lifetime.

Iris Burleson

COOPERATIVE PROGRAM REPORT

For over sixty years Southern Baptists have supported their mission ministries through the Cooperative Program. Evidence of the wisdom of this cooperative plan for mission support is found in the fact that today Southern Baptists are one of the largest missionary denominations in the world.

When you think of the Cooperative Program think of six seminaries with over 16,000 students; think of forty-seven senior colleges and universities with over 167,000 students; think of sixteen junior colleges, academies, and Bible schools with some 10,500 students; think of thirty-two hospitals with a total of 13,500 beds; think of forty-six children's homes caring for some 4,500 children; think of some 7,500 missionaries on home and foreign fields; then add to that the scores of academies, colleges, seminaries, and hospitals in more than 105 foreign nations.

Through their support of missions here and abroad through the Cooperative Program, Southern Baptists have been able to guarantee that each object will receive its proportionate part in the quickest and most orderly way. The Cooperative Program is the mission plan God gave to Southern Baptists.

Through the Cooperative Program, Southern Baptists combine all of their resources into an economical organization for carrying out the great commission Jesus gave us to go into all the world. It is a channel through which our offerings flow to the world.

The Cooperative Program helps each local Baptist Church

to witness to the unity we have as Baptists. Some 14 million Baptists working together through over 37,000 churches are more effective than individual churches working alone.

Regardless of where your church is located, and no matter how large or small your church may be, the Cooperative Program makes your church a part of the world field.

The Cooperative Program is good stewardship. As a local church member you decide how much you will give through your church. Together church members decide how the local church budget will be divided.

There may be a better name than the Cooperative Program, but until God chooses to reveal it to us there is no better plan for the support of the Great Commission.

Rev. Lee Ayers

ANNUITY BOARD REPORT

North Carolina's response to renewed efforts to upgrade contributions of those already members of the Annuity Board of the Southern Baptist Convention's retirement plans and to secure new participants continues to be exciting. Consider these facts:

- There have been 129 new members enrolled in the retirement plans during the period January 1 - January 15.
- There are now 2319 North Carolina churches and associations contributing to retirement plans.
- North Carolina has 1803 signed Cooperative Agreements! More than any other state - including Texas.
- The number of churches participating at the Old Plan A level of \$33.34 has decreased from 439 to 166.
- The average annuitant in North Carolina receives \$234 per month, up from \$196.
- North Carolina has 3,664 members making contributions to Annuity Board retirement plans.
- There are 1,592 annuitants receiving benefits each month in North Carolina - \$372,422.85 each month!

It is exciting to think about what has been done to help ministers retire with dignity. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them.

But there is still so much to be done! Consider these facts:

- Only 64% of our churches are participating in our retirement plans - even after all these years of opportunity.

- Of this 64%, many do not actually make contributions. The minister does this on his own.

- Small contributions make the annuitant's benefits small:

In North Carolina

182 receive less than \$50

469 receive less than \$100

954 receive less than \$200

1216 receive less than \$300

- We have 164 churches that have signed the Cooperative Agreement, but still make no contribution.

- We have 477 churches that are making contributions but still have not signed the Cooperative Agreement.

On the local associational level this is the picture as of August 1, 1988:

- 15 churches have adopted the Expanded Church Annuity Plan.

- 3 churches still have the old \$33.34 per month plan - plan based on an annual salary of \$4,000.

- 17 churches have no annuity plans.

- 18 pastors and the Director of Associational Missions are members of annuity plans.

Suffice it is to say that there is a great challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

Let's keep us the good work.

CHRISTIAN HIGHER EDUCATION REPORT

What is a Baptist College? First, Baptist colleges are colleges, places where teaching and learning take place. During 1987-1988 almost 18,000 students and more than 1300 faculty members worked at the task of making your Baptist colleges good colleges. A college cannot be a church any more than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

Second, the word "Baptist" tells what kind of colleges they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus for students.

Third, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the seven Baptist colleges. Some of these who met at one or more of our colleges during 1987-1988 are these: January Bible Study preparation; summer ministries orientation for students working with churches; youth ministry retreats; youth choir festivals and children's choir camps; pastors' schools; Christian studies for pastors and their families; senior adult rallies; Directors of Missions summer meeting; church weekday education workshops; Special Olympics for the mentally retarded; Church Training doctrine seminars; pastor support conferences; church incorporation seminars; WMU-sponsored Acteens meetings; RA track meets; Pioneer RA Congress; Baptist Young Men's Congress; Crusader RA Congress; Baptist Student days; construction of Mars Hill College chapel by N.C. Baptist Men volunteers; annual May meeting of the General Board and all committees; March meeting of the General Board's Executive Committee; and more.

The goal: CHURCH RELATED COLLEGES AND COLLEGE RELATED CHURCHES.

Respectfully submitted,
Lucille Howell

STATE MISSIONS REPORT.

The goal for North Carolina State Missions for 1988 is \$1,600,000. A worthy goal serving many worthy ministries. Our Mitchell Association gave \$00,000 last year with 00 churches reporting. We need to remember that 10% of this total can be returned here to be used for our own mission projects. The more we give, the more we can expect to be returned home. If we wish, we can refuse the percentage, and leave the money to be used in all the state ministries.

Nothing can be accomplished unless we all join in the observance of a Week of Prayer during September 11th through the 18th. All of God's work must be preceded by concerned prayer, not only in order to set goals in giving, but to be sure we are in God's will and that each ministry touched by the money given is centered on God's will as well.

Our giving touches the lives of college students, our chaplains, those who are blind, children and adults attending our camps and assemblies, and those special pastors who are bivocational.

In addition, there are also area ministries and other associations that are the center of focus because of the special problems presented by the cities located within them and large masses of people.

Please encourage your church to pray and to give. To begin with the best we have to give in our own home state is truly worthwhile. We need to begin here to share God with the whole world.

Set your church and personal giving goals high so we can see changed lives in our precious state of North Carolina.

Jean Warren

VACATION BIBLE SCHOOL REPORT

As the temperatures began to rise this summer, there was also a fever raging in many of our churches in the Mitchell Association. This fever was not caused by heat, humidity, or some strange illness. This fever was created by prepared workers and anxious students in Vacation Bible

Schools. At this writing, 26 churches have reported a Vacation Bible School with a total enrollment of 2,016.

Preparations for a successful Associational Vacation Bible School began in March when the Associational VBS Team Members attended the State VBS training session held in Hickory, N.C. Later in March, the Associational Early Bird Clinic was held at Bakersville Baptist Church. Our associational planning continued for VBS with the Associational Vacation Bible School Clinic which was held on April 28, 1988, at Bear Creek Baptist Church. At this clinic department leaders were given information to take back to their individual churches for planning there.

I would like to thank each person that participated in our associational clinics for their willingness to give of their time and talent to spread the Word of God. I would like to thank the two churches that hosted our clinics for so willingly sharing their facilities with us. A very special thanks goes to each of our Associational Team Members for their hard work and dedication that they shared so unselfishly.

May God richly bless each of you as you allow Him to use VBS as a tool with which to share His Word in our churches.

Respectfully submitted,
Regina Murdock

SEMINARY EXTENSION REPORT

The Seminary Extension class for the spring of 1988, was a course entitled, "Church Growth." The class was held at the Pine Branch Baptist Church Fellowship Hall, February 4 - March 31, 1988. The instructor for this class was Rev. Sibbald Lambert. Sibbald did a great job and I believe that everyone who attended was helped by this class. We enrolled twenty people, from eight churches of the Mitchell Association.

AMERICAN BIBLE SOCIETY REPORT

The longstanding and fruitful partnership between the Southern Baptist Churches and the American Bible Society continued to open new ways to the Word for millions of people across the globe in 1987.

Your support has been of key importance in the success of the many projects undertaken in 1987, in the ongoing task of meeting the Scripture needs of the world -- whether through expanded distribution in areas where the availability of God's Word is critically low, or through innovative channels of Scripture production, or through new translations of the Scriptures.

The American Bible Society has been involved in the distribution of the Scriptures in at least 665 different languages throughout the world. The total number of Scriptures distributed worldwide during 1987 was 624,053,932 copies. This represents an increase of 4.0 percent over 1986.

One of the major highlights of 1987 was the completion of the Amity Printing Press in Nanjing, the People's Republic of China. The first 20,000 copies of an initial order for 100,000 Chinese Bibles were off the press by November, with the balance to be completed by January.

In 1987, complete Bibles were published for the first time in the Ayacucho Quechua language of Peru, the language of Tuvalu, an island nation in the South Pacific, and in Karo Batak, one of the several dialects spoken on the Indonesian island of Sumatra. Ongoing Scripture translation projects are proceeding in an additional 573 languages.

In Uganda, there is a high demand for Bibles amid the distress and suffering that many people have experienced as a result of the political and economic upheavals of recent years. In 1987, more than 33,000 Luganda Bibles were distributed to displaced Baganda people who have been driven from their homes by war and unrest. Distribution of an additional 24,000 Luganda Bibles is planned for 1988.

In Peru, a new Bible in the Ayacucho Quechua dialect was dedicated after more than ten years of translation work. The publication of this Bible comes at a time when the people who live in Peru's Ayacucho region, which lies in the

foothills of the Andes, sorely need the Scriptures' message of hope and peace, for they are often quite literally caught in the crossfire between government forces and the Sendero Luminoso (Shining Path) guerrilla movement.

In Haiti, the most important event for Christians in the past few years was the dedication of the long-awaited Haitian Bible at the beginning of 1986. The fruit of more than ten years of translation work, the new Bible was even lauded in the press as "an event in our national history." The Bible Society is also preparing specialized New Reader Scriptures in both Haitian and French for use by the government and the churches in a massive literacy campaign being launched throughout the country. In total, 1,080,641 copies of Scripture were distributed last year.

In Lebanon, since the civil war began twelve years ago, Bible work in that country has been carried out under difficult and dangerous conditions. Despite the terrible and tragic events that have gone on unabated during the past few years, the Bible Society has faithfully continued to distribute the Word of God. In the course of the year, the Bible Society distributed a total of 384,565 copies of Scripture.

In Indonesia, an archipelago nation of more than 13,500 islands stretching along the equator, a high priority continues to be given to Scripture translation. There are over 830 languages spoken in Indonesia, but only 60 of them possess translations of some part of the Bible. A common language translation of the Bible in Karo Batak was published last year, and common language translations of the New Testament in Aceh, Banggai and Tobelo are scheduled for completion in 1988. For 1987, the Bible Society reported its total Scripture distribution at 10,901,440 copies.

In 1987, the following Scripture distribution totals were reported in the countries of Eastern Europe: 50,430 copies in Czechoslovakia, 37,030 copies in Hungary, 227,924 copies in Poland, 33,000 copies in Romania, and 20,000 copies in the USSR.

The Society's unswerving goal is to meet all the Scripture needs that are presented to it. But we cannot do that alone. That is why we must turn for help to our partners in mission, among whom the Southern Baptist

Convention ranks above every other denomination in terms of the financial assistance it renders to the Society. In 1987, the churches of the Southern Baptist Convention contributed \$255,073 to the American Bible Society in support of the worldwide Bible cause.

THE BIBLICAL RECORDER REPORT

There is an old saying, "When Baptists know, Baptists will do." There is also an old saying, "Tell the truth and trust the people." The Biblical Recorder believes and tries to practice both!

In a rapidly changing world, it is more important than ever before that Baptists be well informed which is not easy in an age that is complex, busy and competitive. But we must never forsake the ideal.

Baptists, like the population in general, are watching more television and listening to more radio than they are reading. Somehow it just seems easier to watch and listen than read and think, but we must be informed and involved in the work of the Lord as Baptists do it. . .if we are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and greater commitment to the Commission of our Lord to win, teach and baptize persons.

As the Recorder informs it also gives opportunity for Baptists to freely exchange points of view. Baptists do not have a hierarchial form of church government and operation. Every person is important and opinions are valid in direct proportion to the accuracy of information upon which they are based. Democracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even in Baptist ranks, stability can be maintained only when good and sincere people know the truth and take their stand

upon it.

To make it possible for as many people as possible to read the paper each week at the lowest possible cost, there will be no increase in subscription rates for 1988. If your church does not have the Every Family Plan, please consider it for 1989; the cost is only \$5.00 per subscription for the year. Special introductory offers are available. Please contact:

God has given us a great opportunity and a great responsibility. Let us be informed about what is happening. Let us be involved in meeting the challenge, in being a part of the answer to take the Gospel to a lost world.

- (a) Salary for Secretary is to include one week (25 hours) of paid vacation and up to ten (5 hour) days of sick leave for herself and her immediate family.
- (b) As of January 1, 1990, the new rate is expected to be 13.30%, with the Director of Missions paying 7.65%, and the association paying the remaining 5.65%. This is recommended as a guide to churches to deal with the increasing Social Security Taxes for pastors.
- (c) As of January 1, 1990, the new rate will be 7.65%.

In addition to the Committee's recommendation of the Proposed Budget for 1989-1990, the following suggestions are made:

- (1) We request that each church continue to make it's contributions for Associational Missions on the basis of a minimum of 4% of their regular offerings, payable monthly.
- (2) Churches that do not support Associational Missions regularly on a percentage basis are urged to receive a special offering for this purpose annually during the month of May, in connection with the observance of

Associational Emphasis Week, or at another time of their choosing.

(3) Extra Secretarial help for the preparation of last year's Minutes, plus printing cost is estimated to be \$3.00 per copy. Your Budget and Finance Committee suggests that in ordering copies of the 1989 Minutes that churches send their check with the Uniform Church Letter to the Association to cover the number of Minutes ordered.

SPECIAL COMMITTEE REPORT

During our Budget and Finance Committee meeting, those present were made aware of a pressing situation involving the continued operation of the Associational Office. Several years ago a Word Processor was purchased to help with the tremendous amount of paperwork which is processed in the office. At the time of purchase this Word Processor was the most economical machine that could function as needed. However, due to a recent partial failure of this machine, it has been learned that a chip, that was installed to prevent the program from being used on another machine, also now prevents replacement of even minor defects, without replacement of the chip and the entire program package. This replacement also means having to re-type all information that was on the former program. This would involve a good deal of money and time and would have to be repeated each time there is even a minor defect.

Another alternative discussed was to purchase a personal computer, which can do much more than the Word Processor, including the use of programs from other computers and if being repaired or replaced, the programs can be used on a substitute or replacement computer. While the information would still have to be re-typed initially, this would not have to occur again if repaired. This would also allow use of programs, now available, from the State Convention and SBC, to speed up many tasks including the newsletter, Uniform Church Letters, financial reports, World Mission Conferences, and many more that cannot be done on the Word Processor.

At present, the Word Processor is still usable, though not completely. However, if the system should fail, which is now a possibility, everything would have to be done by

hand, until a new system was purchased and all information re-entered. To give you a little idea of the time involved, some 900 address labels would have to be hand-typed for the newsletter each month.

The Budget and Finance Committee voted that whatever was done, that due to the nature of this being a one-time expense for capital improvements, that it should be treated separately from the Proposed Budget, and the necessary funds be raised by a special committee. This issue was then presented to the Associational Council. The Associational Moderator, Rev. Jay Orr, then appointed a special committee to decide what was the most practical approach to follow, under the circumstances.

This committee has met with Mr. Ted Evans, a computer consultant for the Home Mission Board, who said that any of some 8 name and off-name brands are equal as long as the following minimum requirements are met:

1. IBM PC or Clone with MS DOS.
2. 8088 XT Turbo with 640 K.
3. 101 Enhanced Keyboard.
4. 3.5 and 5.25 Floppy Drives with 40 Meg. HD.
5. Serial and Parallel Port with 5 Expansion slots.
6. Monochrome or EGA Color Monitor.
7. Epson LQ 1050 Printer with Sheet Feeder.
8. Everex 2400E Modem.

In addition, several recommendations were made for needed programs. Some can be obtained free or for postage, while others must be purchased. The entire package recommended, along with a small table, at wholesale prices would cost approximately \$3,000.

Therefore, this Committee makes the following recommendations:

1. Due to the conditions described above, the Word Processor, even if repaired, would be subject to failure at any time which would involve a good deal of time and money. The computer package, as described, is recommended due to the availability of programs and their use on a substitute computer during any necessary repair.

2. That this Committee be continued in order to select a computer and all necessary programs, based on the guidelines.

3. That the Moderator select a committee to raise the necessary \$3,000 off-budget, from a capital improvement point of view.

4. That components of this computer be purchased separately, as funds are available, in order to re-type information and learn the system as quickly as possible, while the Word Processor is still operational.

ORDER OF BUSINESS COMMITTEE: RECOMMENDATION

Since 1979, a "Book of Reports" has been prepared for messengers attending the annual sessions of this association. By means of the printed page, reports include more information, allow for a more thorough study of that information, and make it easier for messengers to report back to their local church, than was possible with oral reports.

This has prompted many people to suggest that the time has come to consider some changes in the amount of time devoted to our annual meetings, and how best to use that time.

Suggestion number one: With the "Book of Reports" there is no need for every report to be given orally every year.

A. Reports from groups, agencies, and institutions that are outside of the local association seldom call for a formal response, and could be received as information. Examples: American Bible Society, Annuity Board, Missions Reports, Christian Higher Education, etc.

B. Outside speakers from our State Baptist agencies and institutions could be invited on a rotation basis to insure such speakers ample time, and guarantee that messengers would hear from all phases of Baptist work periodically.

C. The "Book of Reports" would be presented on the first day of the annual session, and the reports could be adopted on the second day of the annual session.

Suggestion Number Two: The time saved by omitting so many oral reports would make afternoon sessions unnecessary. Meals would be unnecessary.

A. Messengers who work can attend night sessions.

B. Smaller churches would be able to host a session of the annual meeting.

Recommendation: The Order of Business Committee recommends that the annual sessions for 1990, be scheduled for Monday and Tuesday evenings, August 27 and 28, and that where feasible, reports be handled through the "Book of Reports."

Messengers to the Tuesday evening session on August 28, 1990, will evaluate this plan, and either adopt it for future years, amend it as they choose, or vote to return to the present schedule.

Order of Business Committee,
Rev. Sibbald Lambert, Chairman
Rev. Larry Greene
Avery Buchanan

NEW MEMBER COMMITTEE REPORT

As reported in the January Executive Committee report, Freedom Baptist Church applied for membership in our association. Rev. Jay Orr, Moderator, appointed the following committee to take care of this matter. Rev. Mark Hollar - Chairman, Rev. Sibbald Lambert, and Rev. Vernon Buchanan.

At the April Executive Committee Meeting your New Member Committee reported that a meeting had been scheduled for Tuesday evening, May 2, with the pastor, Rev. David Troutman, and the church's lay leadership.

That meeting was held, and the organizational structure and ministry of Freedom Baptist Church was reviewed. Your committee was favorably impressed with the progress being

made by this young church family.

We recommend that Freedom Baptist Church remain "under the watchcare" of the association until the annual session of 1990. During this year the New Member Committee will be available for counsel and advice.

SUNDAY SCHOOL REPORT

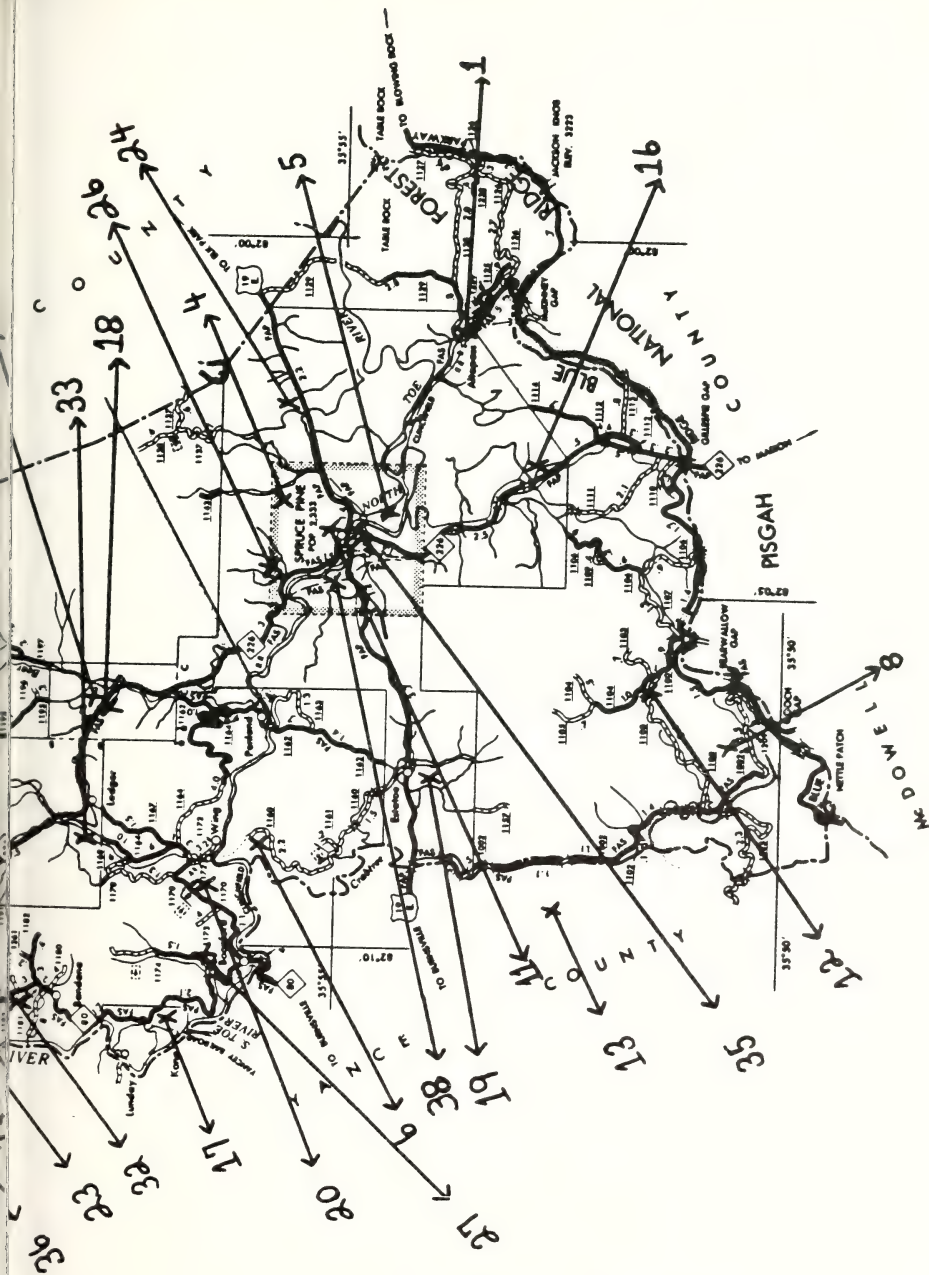

A recent Galloup poll stated that it takes a total of 26 Baptists to win 1 person to Jesus Christ in a year's time. I believe Sunday Schools must take the lead in changing that statistic.

This upcoming year will provide for just that opportunity as we prepare for "Here's Hope Simultaneous Revivals" in 1990. Sunday School will play a major part in preparation, prayer, scripture distribution, training, and outreach visitation. Special seminars will be held to prepare our Sunday Schools for the task.

This past year one of the most talked about events in Mitchell County was Sunday School Night, where well over 200 persons attended, with at least 125 decisions made. Our 1989 Sunday School Night is less than two weeks away. It is scheduled for Thursday, September 7, at 7:00 P.M, Bear Creek Baptist Church. An award will be given this year for "Outstanding Sunday School Director" in Mitchell County. Church recognitions and a time of spiritual renewal for Sunday School teachers are a part of the program.

Your ASSIST Team (Associational Sunday School Improvement Support Team) has been hard at work. We were invited to several churches to help plan and to give new ideas for improving Sunday School. We taught the book "The People Challenge" in many of these. I especially appreciate

the great job our ASSIST Team has done this year.

Southern Baptists current outreach goal is "Challenge 10/90." That simply means 10 million people studying God's Word in Sunday School by 1990. Is this goal attainable? Not unless the 35 churches in Mitchell County each involve 9 new persons in their respective classes next year. The saying, "With God all things are possible," can become a reality for Sunday Schools in 1990.

Plans for the coming year include:

- Associational Sunday School Night, September 7,
- Sunday School Leadership Training, September 8-9, Ridgecrest
- Sunday School Preparation Week, September 24-30
- October "Outreach Month" Promotion
- Sunday School Teachers' Apprentice Program (develops new Sunday School teachers by asking one new person each month to teach their Sunday School Class.)
- High Attendance Day in Sunday School, October 29
- Here's Hope Emphasis for Simultaneous Revivals, April, 1990
- 1990 VBS Summer Explosion
- Small Church Sunday School Revivals
- Outreach Bible Study Conference, (opportunity to reach unsaved youth and adults not enrolled in Sunday School.)
- Sunday School Teacher's Diploma Program, (to provide training and inspiration for workers.)

What will the year 1989-90 hold for Sunday Schools in Mitchell County? The answer lies within each one of our hearts. Luke 9:23 says, "If any man will come after me, let him deny himself, and take up his cross daily, and follow me." We must put away selfish desires and ambitions, and involve ourselves diligently in the work of His church through the Sunday School. "As Sunday School goes, so goes the church." I believe 1989-90 will be a banner year in Sunday School.

The toll free number for the Sunday School Board is 1-800-458-BSSB.

SEMINARY EXTENSION REPORT

After several attempts to schedule a Seminary Extension class for the spring of 1989 we were unsuccessful, because of conflicting dates. The Seminary Extension Committee decided to plan a class in the fall. Tentatively set for September, with Rev. Sibbald Lambert as the instructor. The class will be "Evangelism," a study of the Biblical basis of evangelism.

CHURCH TRAINING REPORT

Church Training is getting a new name. "Discipleship Training" is more descriptive of our calling/task than the old name, and this new name better reflects our Lord's plan for all of us to "make disciples" (Matthew 28:19).

Disciples of Jesus are His life-long learners and followers. He tells us that we "are a chosen people, a royal priesthood, a holy nation, a people belonging to God" (I Peter 2:9). As such, we are to continually grow in Him and to help others come to know Him and grow in Him.

Are you yourself growing as a disciple? Are you making disciples? Your church's Discipleship Training Program exists for this very purpose -- to help you grow and to help you learn to "make disciples."

Here are some of the ways your association works with your church in Discipleship Training:

- Preparing leaders at Key Leadership Conference.
- Promoting Discipleship Training at "M" Night.
- Encouraging and assisting in Annual Doctrine Study.
- Making MasterLife in-depth training available.
- Helping new church members get off to a good start through "Survival Kit."
- Involving children and youth in Bible skills and memorization through the Drills and Speakers' Tournament. (For the past four years, more of our young folk in Mitchell County have participated in the Drills than in any other association in the state.)

Discipleship Training is not an option for God's people. It is our Master's mandate. May Mitchell Association, each member church, and each member of each church be faithful to our Lord's commission to "make disciples."

Respectfully submitted,
Rev. Larry Greene

BROTHERHOOD REPORT

While in numbers our Associational Brotherhood enrollment continues to decline, I believe that our Brotherhood involvement continues to grow. I believe that through their church and our association, that men and boys are involved in the two tasks of Brotherhood: MINISTRY; Caring for and ministering to those INSIDE of our church family and church building, and MISSIONS; Caring for and ministering to those OUTSIDE of our church family and church building. I believe a mixture of both of these tasks are essential to be an effective and successful Brotherhood program. But most importantly, I believe that involvement in both ministry and missions are essential to an effective and successful Christian life. How can a Christian fail to show the love of Christ in his everyday life, which is what "Brotherhood" is all about. Whether this involves visitation, money, concern for their children, construction, help in an emergency, witnessing, food, or prayer, these are all just seeds that are sown in preparation of God providing the increase. (I Cor. 3:6-7)

Beginning last fall, we started a partnership with Wall Cottage at the Broyhill Baptist Children's Home. Several times last fall and this spring, groups of men went to do

basic maintenance work on the cottage. In the process we met and learned to love a group of children and youth there at Wall. We also got to know Jim and Vivian Johnson, the houseparents, and their sacrifice and hard work there at the cottage. We were glad to offer some help in this enormous task of having adequate and clean facilities for the many children and youth who must pass through Broyhill each year. We now have the cottage in good condition, insofar as the things we can do. We plan to continue to return as the need arises, over the years. Plan now to volunteer when you read about a specific need.

One side-story to this project began as a plan to provide a couple of Christmas presents to the children and youth at Wall, who only receive one gift from the Children's Home and frequently nothing from their home or family. This project quickly mushroomed to include three gifts for each child from not only Wall Cottage, but also Blanton and Carolina Cottages. With 111 total gifts from 8 churches, for 33 children and youth as well as 6 houseparents. With so many gifts we decided to plan a Christmas Party which was held at Central Baptist on December 16. Food was offered free by volunteers from Central and Pine Branch, and donations of salad from Western Steer Steak House and drinks from Pepsi-Cola. After a program led by Ken Sausedo, gifts were opened one by one, with bright and sometimes tearful eyes, in receiving the presents they had wanted. Afterwards, everyone went to Pinebridge for ice-skating. We were told later by the houseparents, that this trip was the highlight of the year for everyone, not only because of the gifts, but the love of friends they didn't even know. We are planning this year to include all five cottages at Broyhill with two or three gifts and a Christmas party in early December. So gift requests or "Angels" will have to be distributed in early to middle November. Plan now to be a part of not only buying a gift, but be present to see the joy of Christmas love on over 50 young faces.

There were two other events during this year as follows: The Brotherhood Workshop was held on November 17, and provided Leadership Training for Baptist Men and Royal Ambassador Leaders. The Associational Track Meet was held on a rainy day and COLD Saturday, May 6. This year about 30

boys from 4 churches were involved. The church winner this year was Pine Branch.

One project that went unfilled this year, due to no response, was at Fruitland Baptist Bible Institute. We were asked to help with repairs to the Missionary Residence building. As far as I know, this project is still needed and I hope some churches, especially those with Fruitland Alumni as pastors, will volunteer to participate in this project.

Finally every man and boy has a responsibility to learn and develop their own gifts or personal ministry for missions. While God has not given us all the same abilities, "HE HAS GIVEN SOME PEOPLE, WHO CAN DO EVERY DIFFERENT THING THAT IS NEEDED, TO GET THE JOB DONE. Just as every Christian is given certain gifts with which to minister, we are ALL called to some ministry or mission responsibility. The question is not "Am I called" but "WHAT PART AM I BEING CALLED TO NOW?"

Joel Young

EVANGELISM REPORT

Evangelism is the reason the local church exists. In the Synoptic Gospels and in John and Acts, Jesus is reported as giving a command to go and preach the gospel. Evangelism is certainly not an option. What a blessing to share the glorious gospel and what a tremendous responsibility.

During the past year many of God's people in the Mitchell Association have been engaged in sharing the good news and better equipping themselves to share.

In February, many of our pastors and lay people were able to attend the State Evangelism Conference in Greensboro.

March 21, the Mitchell Associational Evangelism Conference was held at the Bear Creek Baptist Church. Several of our churches attended. The Bear Creek Choir along with Ken Sausedo provided inspirational singing. Rev. Kenneth Ridings, pastor of Grassy Branch Church in Asheville, brought a challenging message on evangelism.

March 21, the Mitchell Associational Evangelism Conference was held at the Bear Creek Baptist Church. Several of our churches attended. The Bear Creek Choir along with Ken Sausedo provided inspirational singing. Rev. Kenneth Ridings, pastor of Grassy Branch Church in Asheville, brought a challenging message on evangelism.

Our churches have been engaged in revivals during the fall and spring. Several of these churches in different areas have come together to promote special revival meetings and are continuing to do so. The reports have been favorable.

On April 10, pastors met at the associational office for a training session in Lay Evangelism taught by Rev. Sibbald Lambert, pastor of Grassy Creek Baptist Church. They in return were encouraged to lead a Lay Evangelism School in the church where they serve.

Richard Everett from the State Evangelism Department led an Associational Steering Committee Orientation in preparation for Simultaneous Revival Emphasis in 1990. Hopefully many churches in the association will be involved.

Youth and their leaders attended the first annual Super Summer at Carowinds, July 28.

God has blessed and we as His children should keep constantly before us the command to be His witnesses. Acts 1:8, "But ye shall receive power, after that the Holy Ghost is come upon you; and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth."

VACATION BIBLE SCHOOL REPORT

As our delightful summer slowly winds down our Vacation Bible Schools in Mitchell County are still marching forward. At this writing, 29 churches have reported a Vacation Bible School, with 2 VBS Mission Schools and 1 Backyard Bible Club reported with a total enrollment of 2,355.

Our preparation for an exciting Associational Vacation Bible School year began in March as our Associational Team traveled to Asheville for the State VBS training session. We continued our training with an Associational Early Bird Clinic at Snow Hill Baptist Church to train VBS directors and pastors. On April 27, 1989, we conducted our Associational Vacation Bible School Clinic at Bear Creek Baptist Church to train directors, department leaders and teachers to return to their home churches for further training and planning.

I would like to thank each person who prayed and worked so faithfully in any capacity with our VBS sessions throughout the county to spread the Word of God to our children, youth and adults. A special "thank you" is extended to the two churches, Snow Hill and Bear Creek, who so graciously hosted our clinics.

It will be my continued prayer that God will bless each of you as we allow Him to use our Vacation Bible Schools and "the fruits of our labor" for all the years to come.

WORLD MISSIONS CONFERENCE REPORT

A World Missions Conference was held October 2-9, 1988. Rev. Victor Greene served as our WMC Director, and he reported the following statistics in his report to the Foreign Mission Board: Number of churches participating - 18; Total attendance - 5,211; Missionaries participating were 4 Foreign, 3 Home, and 4 State, or a total of 11.

Four people made decisions for "Mission Volunteers." Thirty people made decisions for "recommitment."

Total Love Offering for the missionaries was \$3,191.34.

The first World Missions Conference held in this association was in 1973, and Rev. Joe Pittman was the Director. Other World Mission Conferences have been held in 1978, 1983, and 1988.

Tentative plans for our next World Missions Conference have been set for 1993.

STEWARDSHIP REPORT

The Mitchell County Baptist Association sponsored a Stewardship Conference on May 11, at Boyd's Seafood Restaurant, with 43 persons present. Nineteen churches were represented. Mr. O.D. Martin of the Baptist State Convention, led the conference.

The church is responsible for providing the climate for every member to grow spiritually. A part of that growth should be in the area of "Stewardship."

No program can be a substitute for what the Bible says about stewardship. Your Associational Division of Stewardship will help your church get Bible study materials without cost, through the Baptist State Convention. For example, a book called Living the Responsible Life, is a guide through Scripture verses that tell about God's ownership and man's responsibility to be a good manager.

It is felt that the greatest need of our Mitchell County churches is to have a broader base of participation in the budget-making process. Typically, only a small group of church members make all the decisions concerning the budget. Usually it is done on a "rush-rush" basis. Consequently, when the budget is presented to the members for approval, most members are not familiar enough with it to understand or question it.

For the size of churches in our association, the process that seems to work best is the "Great Challenge Budget Program." This program involves getting all of the interested people together at a covered dish supper. A discussion leader comes from the Baptist State Convention and leads the group into setting their mission priorities. Because the members have the opportunity to participate in the budget-making process, the net result is an average increase in giving of about 20%.

How would you like to see a 20% increase in giving in your church? The only cost to your church is a covered dish supper. The Baptist State Convention will supply all the materials and the leadership for the meeting. It is not a high pressure approach. It does not involve pledge cards. It is simply getting your interested people involved in the process.

In the past few weeks, we have been going to some of our churches and recommending the "Great Challenge Budget Program." In the coming weeks and months, we may be approaching you about this. But you don't have to wait for us to come to you. If you are interested, contact us through the associational office, and we will get with you as soon as possible.

BIBLICAL RECORDER REPORT

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the Biblical Recorder is launching a new era of service and ministry for the decade of the '90s and the 21st Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The Recorder is that source; nothing else matches the paper as a single resource of news; information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upon their time and resources. The Recorder is never a luxury; it is a necessity if we are to work together in this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians, more articles geared to

youth, family and women. An even greater focus on laypersons will continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages whereby we can save churches time, money and staff work by offering them a page in the Recorder in lieu of their weekly newsletter. Watch for more details in the Recorder in the near future concerning this time and money-saving device for the churches (and associations).

We have a large readership now but we want more---that is the purpose of the paper. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60 percent of our news is from North Carolina now, but we want a higher percentage soon!

The most important thing facing us at this point is to get the paper into more Baptist homes than ever before. Will you help us? Not only subscribe to and read the Recorder yourself but please speak a good word for the paper and urge others to subscribe and read it also. For more information on rates and special plans for subscribing, contact, The Biblical Recorder, 232 West Millbrook Road, Raleigh, N.C. 27609, (919) 847-2127.

CHRISTIAN HIGHER EDUCATION REPORT

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is 807! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them. During the 1988-89 school year there were 18,534 students and 2,249 faculty and staff engaged in the programs of Baptist colleges.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and

Cooperative Program support." A sentence or two about each of these will complete this report.

Christian Education. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith is compatible.

Baptist Students. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents can help students with their life plans when they guide them toward Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

Cooperative Program. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

BAPTIST RETIREMENT HOMES REPORT

This marks the 38th year of ministry by the Baptist Retirement Homes to the Baptist Older Adults of this state.

Charged in 1951 with the mission of providing residential care for "Aged Saints," the Homes provide care for Older Adults in five locations across the state (Albemarle, Asheville, Hamilton, Winston-Salem, and Yanceyville.)

A new continuing care retirement community, Brookridge, located in Winston-Salem will open for operation in the fall of 1989.

Recognizing the growing need for quality residential care for Older Adults, the Board of Trustees of the Retirement Homes has formulated a three-pronged long-range

plan to meet this need:

- To work with churches and associations in the development of regional continuing-care retirement communities in the West, the Piedmont, and the East.

- To work with churches and associations in the development of "free-standing" residential housing (independent-living units, assisted-living units, and nursing-care units).

- To work with churches and associations in the development of alternative forms of residential care for Older Adults (Respite Care, Adult Day Care, and Home Health Care.)

One of the greatest challenges North Carolina Baptists face as they move into the 21st century is the question of how residential-living situations for Baptist Older Adults are to be provided.

With the support of North Carolina Baptists, the Retirement Homes sees this challenge as a wonderful opportunity for ministry.

For more information write to Baptist Retirement Homes, P.O. Box 12759, Winston-Salem, N.C. 27117, or phone 919-788-2441.

BAPTIST CHILDREN'S HOMES REPORT

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague America's children and families.

While maintaining group care services in place since 1885, Baptist Children's Homes also inaugurated two innovative services in Care House, the first home for teen-age mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House, where five teen-age mothers will learn to parent their babies, was dedicated June 4, during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21, Baptist Children's Homes dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, Baptist Children's Homes named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange BCH speakers for your church and help your members with estate planning.

Baptist Children's Homes continue to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

Baptist Children's Homes continue to garner popular support with North Carolina Baptists who contributed \$1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than \$1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

Baptist Children's Homes, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

Respectfully submitted,
Robert Stroup, Sr.

BAPTIST HOSPITAL REPORT

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the AirCare helicopter and a second for helicopters from other medical centers, will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system by adding to the helicopter ambulance service its own neonatal ambulance for critically ill infants. The CommView Computer System, developed jointly by the Department of Radiology and AT&T, digitizes images,

stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the tumor. Other types of cancer can be treated by hyperthermia which carefully focuses microwaves to raise temperatures inside a tumor to 102 degrees to 105 degrees Fahrenheit to kill or injure cancer cells. A technique called Mohs Micrographic Surgery allows the removal of skin cancer with minimal damage to normal skin.

These and other advances in patient care attract patients from across the country and around the world. Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from thirty-five states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs, as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

We renew our commitment to the faithful delivery of pastoral care, beginning in our Medical Center and reaching around the world.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. However, we do not have any beds closed due to shortages. The Code Blue Program in high schools of northwestern North Carolina and the appeal to Baptist youth through Acteens is also creating interest in health care careers.

During the past fiscal year Baptist Hospital received \$668,937.39 through the Cooperative Program and \$303,133.07 through the Homes and Hospital Offering, including church

gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

BAPTIST FOUNDATION REPORT

"Strengthening for Greater Service" had special meaning for the trust agency of the Convention during the past year. Noting the progress made during the 69-year history in undergirding the financial support for the Convention, its churches, institutions, and mission causes, the Foundation recommitted itself to greater service to these causes.

With concern that it performs its mission efficiently and that it involves more Baptists effectively in supporting the cause of Christ, the Foundation carefully embarked upon a capital campaign to secure funds for the construction of its own building to house its development and administrative offices.

Since its staffing in the early 1950s, space for the Foundation has been provided in the Baptist Building. With the consistent rapid growth in assets managed and services provided by the Foundation, the current space has become inadequate to properly perform the on-going work of the agency. We are pleased to report that the majority of the funds necessary to construct the new building have been secured. The new building will be erected beside the Baptist Building in Cary and we are hopeful that it will be ready for occupancy by the end of this year.

In engaging in this project, it has been of utmost importance to our Board of Directors and Staff that the on-going responsibilities of the Foundation not be neglected during the campaign. Indeed, the need for increased financial support for Baptist institutions, missions, and other ministries has not diminished, and has remained our first priority. It is essential that more individual Baptists become aware of the possibility of sharing the message of Christ beyond their lifetime. Seeking to fill this role, the Baptist Foundation is the only entity which

receives endowment gifts for any and every Baptist cause. Through trust and endowment funds established by individuals, churches, and associations, the principal is invested and income is paid regularly and perpetually to the cause or causes named by the donor.

Total assets of the Foundation is now approaching \$17 million, of which \$3.8 million was added in 1988 alone, making this the greatest year of growth in the Foundation's history. Last year, \$1,258,775 was paid to Baptist work and to individuals designated in charitable remainder-type trusts. This latter agreement provides for income to be paid to the donor (or other individuals) for a specific period of time and then to charitable causes thereafter. Through this method of making gifts to Christian causes, the donor is assured that heirs are not neglected and that Christian causes will eventually benefit from the estate.

We are continually grateful for the support of Baptists across the state who support the mission and ministry of the Foundation. We welcome the opportunity to serve.

Respectfully submitted,
Iris Burleson

ANNUITY BOARD REPORT

The Annuity Board continues to blaze trails in its effort to "serve those who serve the Lord." The effort put into planning and promoting the Expanded Church Annuity Plan continues to bear amazing results which will multiply manyfold down through the years.

Goals set by the Annuity Board trustees for 1989 include: Developing a long term plan suitable to Southern Baptist ministers and their families; Working through the Church Alliance to provide an approved IRA or to restore the tax deductible option of the Voluntary Annuity Board; Providing more choices for ministers seeking to meet the needs for family insurance protection; Continuing to work hard to control health care costs; Developing materials on financial planning; Continuing to make churches and ministers aware of retirement and insurance plans.

Significant progress has occurred in meeting many of

these goals. A new and vastly improved insurance program is being offered under the name ChurchLife. There will be four plans from which to choose. In addition to other improvements there has been an increase in the amounts of insurance that can be carried out in retirement.

It is astounding to see the growth of the Annuity Board and its ministry to ministers across the Southern Baptist Convention. There were at the end of March 1989, 19,972 annuitants who received \$20,246,625. There were 472 recipients of Adopt-An-Annuitant grants, totaling \$67,775, and 490 monthly relief grants and 180 monthly expense grants, receiving a total of \$142,914. The Annuity Board assets at the end of March were \$2,460,709,118, most of which belongs to Southern Baptist ministers who participate in the retirement plans.

Efforts continue to be made which will help churches and ministers have a plan for retirement. Each church is encouraged to be a responsible employer and to make every effort to see that ministers participate by providing its contribution to the plan for those who serve the Lord in that church. It should be a condition of calling, both for the church and the minister, that the minister is covered. It is protection - both for the church and the minister.

This is what is happening in North Carolina: There have been 27 new members enrolled in the retirement plans during the period April 1-June 30; There have been 61 plan upgrades during this period; There are now 2,162 North Carolina churches and associations contributing to retirement plans; North Carolina has 1,892 signed Cooperative Agreements! More than any other state; The number of churches participating at the Old Plan A level of \$33.34 has decreased from 439 to 92; The average annuitant in North Carolina receives \$249.96 per month, up from \$234 last year; North Carolina has 3,406 members making contributions to Annuity Board retirement plans; There are 1,764 annuitants receiving benefits each month in North Carolina - \$440,929.89 each month!

It is exciting to think about what has been done to help ministers retire with dignity. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them. But there

is still so much to be done!

Consider these facts: Only 64% of our churches are participating in our retirement plans-even after all these years of opportunity; Of this 64%, many do not actually make contributions. The minister does this on his own; Small contributions make the annuitant's benefits small - in North Carolina, 184 receive less than \$50, 493 receive less than \$100, 1,006 receive less than \$200, and 1,287 receive less than \$300; We have 151 churches that have signed the Cooperative Agreement, but still make no contribution; We have 457 churches that are making contributions but still have not signed the Cooperative Agreement.

Suffice it is to say that there is a great challenge still before us to help ministers prepare for the future and to help churches be responsible employers. Let's keep up the good work.

Respectfully submitted,
Rev. R.M. Cassity

AMERICAN BIBLE SOCIETY REPORT

The churches and denominations of the United States are the mainstay of the American Bible Society's worldwide Scripture ministry. Conscious of the outstanding service which the Southern Baptist Convention has provided to the people of the world through your support of this ministry, we are happy to submit this report highlighting some of the Society's activities during 1988.

Opening new ways to the Word for people throughout the world is a challenge which grows in scope and urgency with every passing year. Many of the projects to which we commit ourselves each year are undertaken in faith - faith in God and in the generosity of concerned Christians in this country. The American Bible Society is sincerely grateful for the contributions, totalling \$251,951.11, received from your churches during 1988 and draws confidence from knowing that there are Christian communions such as yours who believe in the power of the Word of God and are committed to sharing it with people across the globe. Your partnership

with us in the Bible cause enhances our own vision of what can be accomplished in response to the Scripture needs of our world.

(NOTE: For those who desire additional information, a 14-page brochure from the American Bible Society is available in the associational office.)

REV. FRANK PARSONS

**JANUARY 19, 1901 -
SEPTEMBER 2, 1989**

"WHAT A JESUS!"

The Ministry of Brother Frank Parsons in Mitchell and Yancey Counties covers a period of about twenty years, 1940's - 1960's. For several years prior to his retirement Rev. and Mrs. Parsons served as house parents at Thomasville Baptist Children's Home. He was still a member of the Baptist Church on the campus of the Children's Home at his death.

*He served as pastor of three churches in the Mitchell Association: **Toecane**, 1944, 1957-1959; **Red Hill**, 1953-1957; and **Rockdale**, 1955-1957, 1959. He also served as pastor of three churches in the Yancey Association: **Pleasant Gap**, 1956-1957; **Brown's Creek**, 1959-1960, and **Byrd's Chapel**, 1966-1968.

He was Clerk of the Mitchell Association, 1943-1946, and 1950-1952. For one year, 1944, he also served as Treasurer and Historian. He served as Historian in 1941, 1944, 1954-1957, and 1959. In the Associational Minutes for 1943, Brother Frank published "A Brief History" of the Mitchell Association, plus a brief history of Baptist as a people of God.

He was elected Superintendent of the "Mitchell County Baptist Sunday School Convention," 1950-1953, and Assistant Superintendent, 1954-1955. He is listed as Vice-Moderator of Mitchell Association, 1948-1949, and 1952-1954.

Brother Frank is remembered by his many friends as "a man of prayer." His favorite phrase of testimony and praise was, "What A Jesus!"

*Note: All dates were taken from copies of North Carolina State Convention Annuals, or Associational "Minutes."

(Proposed Budget - continued)

(a) Salary for Secretary is to include two weeks (25 hours each) of paid vacation and up to ten (5 hour) days of sick leave for herself and her immediate family.

(b) As of January 1, 1990, the new rate is 15.30%, with the Director of Missions paying 7.65%, and the association paying the remaining 7.65%. This is recommended as a guide to churches to deal with the increasing Social Security Taxes for pastors.

(c) As of January 1, 1990, the new rate is 7.65%.

In addition to the Committee's recommendation of the Proposed Budget for 1990-91, the following suggestions are made:

(1) Line items for salaries and fringe benefits for the Director of Missions and Secretary will remain the same for the fiscal year 1990-91 as they were for the fiscal year 1989-90. The Director of Missions and Secretary will be permitted to make salary reductions as they deem necessary for health insurance, term life insurance, etc.

(2) We request that each church continue to make its contributions for Associational Missions on the basis of a minimum of 4.5% of their regular offerings, payable monthly.

(3) Churches that do not support Associational Missions regularly on a percentage basis are urged to receive special offerings for this purpose.

(4) Extra secretarial help for the preparation of last year's Minutes, plus printing cost is estimated to be \$3.00 per copy. Your Budget and Finance Committee suggests that in ordering copies of the 1990 Minutes that churches send their checks with the Uniform Church Letter to the Association to cover the number of Minutes ordered, at \$3.00 per copy.

THE EXECUTIVE COMMITTEE REPORT

January 11, 1990

Members of the Executive Committee met at McKinney Cove Baptist Church on Thursday, January 11, 1990, for its regularly scheduled session. Rev. Jay Orr, Moderator, presided, after giving a welcome to McKinney Cove.

Rev. Dallas Renfro read scripture and led in prayer.

The following churches were represented: Altapass, *Bakersville, *Beaver Creek, Berry Chapel, *Central, *Chestnut Grove, *Crabtree Chapel, *Freedom, Grassy Creek, *Lily Branch, *McKinney Cove, *Mount Carmel, Pine Branch, Silver Chapel, and *White Oak. (Asterisk indicates presence of pastor.) Twenty-five people were present.

Helen McKinney gave the Treasurer's Report. She stated that the "Cash on Deposit" was approximately \$3,500 and of that amount funds held in trust and invoices due amounted to approximately \$2,000, leaving a balance of approximately \$1,500. Mrs. McKinney pointed out that December and January were traditionally times of "low cash flow." She urged churches to take this into consideration and remember the need for

associational missions along with other church ministry and missions.

Joel Young gave a report from the Special Committee in charge of purchasing a computer system for the associational office. He stated that several people had been appointed to speak to the churches about this matter. One gift has been given towards this purchase and approximately \$2,500 is now needed. He stated that invitations from the churches for a member of this committee to present this need for funds would be appreciated. To prevent a crisis situation if the present system should suddenly go out, the purchase of new equipment needs to be made as quickly as possible.

Rev. Hugh Borders presented Joel Young with a "Certificate of Appreciation" for 5 years as Associational Brotherhood Director.

Rev. Martin Fisher reported on the training sessions that would be up-coming for Vacation Bible School.

Rev. Vernon Buchanan reported on the Evangelism Committee. A Prayer Retreat is to be held January 25, at Pine Branch Baptist Church, for the Simultaneous Revivals in the spring. Participating churches have been asked to send \$1 per resident member to cover the cost of promotion and publicity.

Rev. Vernon Buchanan, Chairman of the Nominating Committee, presented the name of Rev. Howard Buchanan as Director of Discipleship Training (formerly Church Training.) The motion was approved.

Ken Sausedo, Youth Director, announced a meeting to be held January 22, at the associational office, to organize and plan events for the youth. Last summer, "After Church in the Park" showed the need to reach our youth. Associational Youth Night will be sometime in March. The date will be announced.

Rev. Mark Hollar presented a recommendation from the Associational Council. This recommendation was for the Budget and Finance Committee to consist of nine lay persons to serve on a rotating basis. (Please see this recommendation following adjournment of meeting.)

An amendment was offered to insure that no church would have more than one member on this committee. The recommendation as amended was approved without opposition.

Rev. David Troutman, pastor of Freedom Baptist Church reported on the progress of his church, which is under the watchcare of the association. He reported on their growth and search for land to purchase.

Iris Burleson reported on the events of W.M.U. Nineteen churches now have W.M.U. She stated that each W.M.U. group was praying for another specific W.M.U. group and that the prayers were being felt. Also, she announced the Annual W.M.U. Meeting to be held, April 19, 7:00 P.M., at Altapass Baptist Church. Hope Christian will be guest speaker.

There was no old business and no new business. Dallas Renfro provided some pictures that had been taken as some of our men traveled to the piedmont to help victims of Hurricane Hugo.

Ken Sausedo provided a special solo. The guest speaker, Bobby Stafford, from the Baptist State Convention, spoke on the subject of church growth.

The meeting adjourned.

(Following is the text of the Associational Council's recommendation to the Executive Committee, dated January 4, 1990)

The Associational Council recommends that the Nominating Committee

be instructed to bring to the April 5, 1990, Executive Committee Meeting, nominations for a nine member Budget and Finance Committee. With the election of this committee, the present Budget and Finance Committee, (consisting of a Lay Chairman, Moderator, Clerk, Treasurer, Directors of Sunday School, Church Training, Brotherhood, WMU, Music and Youth, Evangelism Chairman, Historian, and Missions Committee Chairman,) would cease to function.

The new Budget and Finance Committee would be responsible for the preparation of the Proposed Budget for 1990-91. They would present their Proposed Budget to the July 19, 1990, Executive Committee Meeting.

At the Annual Meeting, August 27-28, 1990, the messengers would be asked to make this arrangement permanent by amending Article 5B, of the Constitution.

We further recommend that this nine member committee be composed of lay persons, and that their terms of service be: one year for three members; two years for three members; and three years for three members. In succeeding years three members would rotate off each year, while three new members would be elected to a three-year term. The Moderator, Treasurer, and Director of Missions shall serve as ex-officio members of this committee.

This change would:

1. Separate individual budget requests from budget proposals.
2. Facilitate promotion of the Proposed Budget in the churches.
3. Allow for more adequate control of disbursements, especially when "cash on deposit" makes it necessary to give priority to certain line items in the budget.
4. Provide for greater representation of the churches in the crucial budget making process.

April 5, 1990

Members of the Executive Committee met at Mount Carmel Baptist Church on Thursday, April 5, for its regularly scheduled session. Rev. Jay Orr, Moderator, presided.

Rev. Martin Fisher gave a word of welcome to Mount Carmel and led in scripture and prayer.

The following churches answered the roll call: Bakersville, *Beaver Creek, Berry Chapel, Central, *Crabtree Chapel, *Grassy Creek, *Liberty Hill, *Lily Branch, *Little Rock Creek, *McKinney Cove, *Mount Carmel, Pine Branch, and *Silver Chapel. (Asterisk indicates presence of pastor.) A total of 24 persons were in attendance.

In the absence of the treasurer, Rev. Borders gave a report stating that we had a balance of \$1,183.88 with \$228.38 being held in trust, for a total balance of \$1,412.26 in the treasury.

Rev. Borders also gave a statement from Rev. Vernon Buchanan, giving his resignation as Evangelism Chairman, so that the newly elected chairman could attend the training sessions at Ridgecrest in May.

Rev. Martin Fisher reported that the Vacation Bible School Clinic would be held May 1, at Bear Creek Baptist Church. He encouraged churches to begin making plans now for a successful VBS.

Joel Young gave a report from the Special Committee that had shopped for and purchased a computer for the associational office. When the committee began to negotiate for the best price on the equipment that came closest to specifications recommended by Home Mission Board

Consultant, Ted Evans, the "best price quoted" was approximately \$250 above the first estimate of \$3,000. Funds already received were used to purchase most of the hardware and one piece of software. As of April 5, the date of the Executive Committee Meeting, Chairman Joel Young estimated that we would need an additional \$400 to purchase essential items.

James Pitman, member of the Nominating Committee presented the names for the upcoming Budget and Finance Committee, and several new associational officers. These were approved by the Executive Committee Members.

Ken Sausedo reported that "Youth Night" was a success, and that another youth event was scheduled for Saturday, May 5, in the park.

Director of Missions, Rev. Hugh Borders gave a word of thanks for the support that has been given for the computer system.

There was no old business or new business to discuss.

The program was turned over to Robert Stewart, Director, Church Programs, Baptist State Convention, and Rev. Coy Jeans, pastor, Greenlee Baptist Church, Marion for a brief workshop on worship.

Rev. Ken Mashburn adjourned the meeting with prayer.

July 19, 1990

Members of the Executive Committee met at Ledger Baptist Church on Thursday, July 19, 1990, for its regularly scheduled session. In the absence of the Moderator, Rev. Hugh Borders called the meeting to order and led in scripture and prayer.

The following churches were represented: Altapass, Bakersville, *Beaver Creek, Berry Chapel, *Chestnut Grove, Crabtree Chapel, Lily Branch, Roan Mountain, *Silver Chapel, and Snow Hill. (Asterisk indicates presence of pastor.) A total of 22 persons were in attendance.

A Treasurer's Report was given stating that \$2,794.96 was the balance in our regular fund, with approximately \$275 of that amount designated for the computer system. We also have \$61.51 in the building fund. It is estimated that the end of the month will bring bills of approximately \$3,000.

Mary Stafford, WMU Director, stated that the WMU Team would be traveling to Fruitland on the next day to a workshop.

A report was heard from the New Member Committee. They recommended that the Executive Committee present Freedom Baptist Church to the messengers at the Annual Meeting for full approval into the association, after being under the "watchcare" for the past year. The recommendation was seconded and approved.

Joe Biddix, Chairman of the Budget and Finance Committee, presented the Proposed Budget for 1990-91. After discussion, the motion was made for the Executive Committee to approve this budget and for it to be presented to the messengers at the Annual Meeting. The motion was seconded and approved.

No old or new business was discussed. The meeting was turned over to the Key Leadership Conference.

Respectfully submitted
Judy Greer, Clerk

NEW MEMBER COMMITTEE REPORT

At the annual session last year (see pages 38-39 of the 1989 Minutes,) Freedom Baptist Church was received "under the watchcare" of the association until the 1990 annual session. This was the recommendation of a New Member Committee appointed by the Moderator: Rev. Mark Hollar, Chairman, Rev. Sibbald Lambert, and Rev. Vernon Buchanan.

Throughout the year this committee worked closely with the pastor, Rev. David Troutman, and the church family. There has been an excellent spirit of cooperation between the New Member Committee and the church.

Freedom Baptist Church has supported the association and Baptist missions financially this past year, and participated in associational activities and events.

Two members of the committee moved recently, but prior to their departure they agreed to recommend that Freedom Baptist Church be received as a member of this associational body.

At the July 19, 1990 meeting of the Associational Executive Committee, those present voted to give their approval to receive Freedom Baptist Church into full fellowship.

RECOMMENDATION OF THE CONSTITUTION AND BY-LAWS COMMITTEE

At the January 11, 1990 Executive Committee Meeting, those present voted to approve a recommendation from the Associational Council that a change be made in the formation and function of the Budget and Finance Committee. (For the text of that recommendation see the minutes of the January 11, 1990 Executive Committee.)

Article 5B in the Constitution now reads as follows:

"A Budget Committee. This committee shall consist of one person appointed by the Moderator, who shall serve as Chairman, and the following associational officers: Director of the Sunday School, Director of Church Training Programs, Director of Woman's Missionary Union, Director of Brotherhood, Chairman of Evangelism, and Historian. The Moderator and Treasurer shall serve as ex officio members of this committee. It shall be the duty of this committee to consider the financial needs of the association and prepare annually a proposed budget adequate to meet these needs and to present the budget to the association at its annual meeting for adoption."

Your Constitution and By-Laws Committee recommends that Article 5B be revised to read as follows:

A Budget and Finance Committee. This committee shall consist of nine lay persons with no church having more than one member. Their terms of service shall be for three years with three members rotating off each year.

The Nominating Committee shall include in their report each year the names of three persons for membership on the Budget and Finance Committee. The committee will elect their own chairperson.

The Moderator, Treasurer, and Director of Missions shall serve as ex officio members of this committee.

It shall be the duty of this committee to receive individual budget requests from department directors and committee chairpersons, and prepare annually a proposed budget adequate to meet the needs in light of anticipated contributions from the churches.

This committee shall publish the proposed budget sixty days prior to the annual meeting, and seek opportunities to promote the proposed budget in the churches.

Once the budget has been adopted, the committee will be available to advise the treasurer regarding disbursements, especially when "Cash on Deposit" makes it necessary to give priority to certain line items in the budget.

Respectfully submitted,
Rev. Victor Greene, Chairman
Rev. Steve Sisk

ORDER OF BUSINESS COMMITTEE RECOMMENDATION

The Order of Business Committee, (see pages 38-39, 1989 Minutes,) recommended "that the annual sessions for 1990, be scheduled for Monday and Tuesday evenings, August 27 and 28, and that where feasible, reports be handled through the 'Book of Reports.'"

"Messengers to the Tuesday evening session on August 28, 1990, will evaluate this plan, and either adopt it for future years, amend it as they choose, or vote to return to the present schedule."

Note: "the present schedule" included an afternoon session on both days, with a meal provided by the host church.

Respectfully submitted,
Rev. Sibbald Lambert, Chairman
Rev. Charles Murrell

SUNDAY SCHOOL REPORT

The Annual Associational Sunday School Leadership Night was held on September 7, 1989, at Bear Creek Baptist Church. Rev. Ron Harrison, Associate Sunday School Worker with the Baptist State Convention, brought an inspirational message.

Richard McKinney of **Crabtree Chapel** was recognized as "Outstanding Sunday School Director" for the past year. **Crabtree Chapel** received a certificate for the largest percentage increase in enrollment, 42.7%, plus a second certificate for a 15.8% increase in average attendance.

Other churches receiving certificates for increases in average attendance were: **Big Crabtree** - 12.5%, **Grassy Creek** - 14%, and **Roan Valley** - 17.8%.

"Certificates of Appreciation" were given to these ASSISTeam members: Rev. Mark Hollar - Director, Don Ford - Adults, Shelba Snipes - Youth,

Sylvia Dellinger - Children, and Donna Bailey - VBS Director.

The Associational Sunday School Leadership Night for this year has been scheduled for Thursday evening, September 13, 7:00 P.M. at Pine Branch Baptist Church. Our speaker will be Arthur Burcham, Manager, General Officer Program Section, Baptist Sunday School Board, Nashville, Tennessee. His subject will be: "Evangelism Through the Sunday School."

High Attendance Day in Sunday School this year is Sunday, October 28. Sunday School Directors are requested to call the associational office the week following, October 28, and report on the number in Sunday School for High Attendance Day.

Rev. Mark Hollar resigned as Director of our ASSIS Team on July 22, and moved to a pastorate near North Wilkesboro. Additional plans for Associational Sunday school activities will be announced by Brother Holler's successor.

DISCIPLESHIP TRAINING REPORT

What do the decade of the 90's and Discipleship Training have in common with previous decades and Church Training, or BTU, or BYPU? They have in common the Great Commission. Go make disciples.

I like the new name, Discipleship Training. It expresses well what we should be about.

Walter A. Henrickson has written a book about making disciples of Christians. It is entitled, Disciples Are Made - Not Born. As believers in Jesus Christ we are born from above. "Being born again, not of corruptible seed, but of incorruptible, by the Word of God, which liveth and abideth forever." I Peter 1:23. Paul describes young and immature believers as "babes in Christ." But a disciple is not only born again, he or she is a pupil, a life-long learner and follower of Jesus Christ. Jesus said, "And whosoever doth not bear his cross and follow after me, cannot be my disciple."

Roy T. Edgemon says in the Discipleship Training Manual: "If churches are going to be New Testament churches, training disciples is not an option. It is a scriptural requirement for Christians and churches.

Discipleship Training is a Christ-like action, more than an organization or program.

Every problem in the church and every concern Christians face is a discipleship issue. To train disciples is to equip them to live a powerful Christian life. To fail to train disciples is to ignore the command and model of our Lord; to neglect the church of Jesus Christ, and to allow Christians to face life spiritually unprepared.

"All Christians need Discipleship Training. All churches need Discipleship Training. The world needs trained disciples."

Your Associational Discipleship Team is available to help you any way it can. May all of us dedicate ourselves anew to do a better job in Discipleship Training. If we will do this and follow through, I believe we will see an increase in Sunday School and church attendance, and in the number of people saved.

Rev. Howard Buchanan

VACATION BIBLE SCHOOL REPORT

The promotional theme for Vacation Bible School in 1990 was "Share Hope, Reach Through VBS." The theme is based upon II Corinthians 3:12, "Seeing then that we have such hope, we use great plainness of speech." Our world and community desperately needs the hope that personal faith in Jesus Christ can bring. After great success for Christ through the spring "Here's Hope" Revivals, Vacation Bible School filled the summer of our county with this same message of hope. As of this writing, 26 churches have reported a VBS, with an enrollment of 2,027. God must be praised for the harvest of souls won through VBS this summer. The unsaved, unchurched, lonely, and hopeless individuals in our community, who were won to Christ, will never be the same, nor will they ever forget those who had a part in helping them to make this life-changing decision.

A note of thanks must be given to the 1990 VBS team. From the state clinic in Brevard to the associational clinic at Bear Creek, they demonstrated their loyalty in God's Word and their excitement to reach people for Christ. They truly are an example of Christian team work.

Bear Creek Church again hosted the associational clinic this year. We thank you for your willingness to share your building to train VBS workers.

I pray that fruit may abound to the glory of God, from your 1990 Vacation Bible Schools.

Respectfully submitted,
Dr. Martin Fisher

EVANGELISM REPORT

Having only begun in the last part of the associational year, I do not have a lot to report. We did, however, attend the Key Leadership Conference at Ridgecrest. In one of our up-coming meetings I plan on sharing with the other pastors about this.

We read in God's Word, "he that winneth souls is wise." We hope to have some plans that will encourage each pastor, who in turn will encourage his people to become soul-winners.

Jesus speaking to His disciples said, "Say not ye, There are yet four months, and then cometh harvest? Behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest. And he that reapeth receiveth wages, and gathereth fruit unto life eternal: that both he that soweth and he that reapeth may rejoice together." John 4:35-36

I pray that all will see, then be doers of the Word and not hearers only.

Respectfully submitted,
Rev. Gerold Grindstaff

BROTHERHOOD REPORT

What is the Basic Objective of North Carolina Baptist Men?

According to the Constitution and By-laws of North Carolina Baptist Men, "The basic objective of North Carolina Baptist Men shall be to support the Baptist State Convention of North Carolina in its task of bringing men and boys to God through Christ by fostering programs and assisting churches and associations in leading men, young men, and boys to deeper commitment to missions; to more meaningful prayer life for missions; to a larger stewardship on behalf of missions; and to a personal involvement in missions."

What Are My Goals as Associational Brotherhood Director?

As Brotherhood Director, I would like to encourage all Baptist men and boys to become personally involved in missions, by "bringing men and boys to God through Christ." I would also like to lead all Baptist men and boys to a deeper commitment to missions, a more productive prayer life for missions and to greater stewardship on behalf of missions.

How Can We Reach Our Goals?

Training---Commitment---Involvement

In order to reach our goals, a workshop is being planned for Thursday evening, October 4, 7:00 P.M., at Beaver Creek Baptist Church, in which all Baptist men and boys will be given an opportunity to be trained as a soul-winner for Jesus. We will also offer training in the "Power of Positive Praying," and basic Brotherhood work in our communities, and throughout our world. I want to encourage all pastors, Baptist Men, Baptist Young Men, and boys to attend this very important workshop.

Respectfully submitted,
Rev. Kenneth Mashburn

STEWARDSHIP REPORT

For the past several years your association has cooperated with the Southern Baptist Convention and State Baptist Convention in "Planned Growth In Giving." The current stewardship emphasis of our denomination is "The Witnessing/Giving Life."

The purpose behind both of these efforts is to "lead Southern Baptists to make new commitments to grow in witnessing and giving."

Someone has reminded us that "the call of leadership is a call to be an example." In an effort to be a worthy example in this association several associational leaders have agreed to join with your Director of Missions in signing a "Declaration of Commitment." The text of that commitment is as follows:

"WHEREAS, We Southern Baptists of the Mitchell County Baptist Association, as people of God, have individually and corporately accepted the mandate of Jesus Christ to share the good news of God's redemptive love with all people everywhere, and

"WHEREAS, We believe the Christian life to be a life of growth and

spiritual vitality; and

"WHEREAS, Our declared intent in Bold Mission Thrust is to proclaim the gospel to everyone by the year 2000, Be it therefore

"RESOLVED, that we do herewith declare our commitment to:

Growth in Witnessing and Growth in Giving

That all persons may have the opportunity to know Jesus Christ as Savior and Lord.

In testimony of our commitment to the concept of the Witnessing-Giving Life, we hereunto subscribe and sign this Declaration of Commitment."

We understand that a suitable document is being prepared for use by local church leadership. We encourage each pastor, and key lay leaders to "set the example" for the local church by publicly signing such a document.

Growth in witnessing and growth in giving are critical needs of all Christians if we are serious about reaching a lost world in obedience to the great commission.

SEMINARY EXTENSION REPORT

The Seminary Extension class for the fall of 1989 was a course entitled "Evangelism." The class was held at the Pine Branch Fellowship Building. The class began on September 14, 1989 and was completed on November 16, 1989. The instructor for this class was Rev. Sibbald Lambert. We enrolled ten people, representing six churches of the Mitchell Association.

I would like to thank Rev. Sibbald Lambert for all the time and effort he devoted to this class and for the great job he did as teacher. Also I would like to thank Pine Branch Baptist Church for the use of their building. A special "thanks" to all that enrolled in the class, better equipping themselves to win the lost of this area for the Lord Jesus Christ.

Respectfully submitted,
Rev. Steve Sisk

BAPTIST CHILDREN'S HOMES REPORT

For 105 years Baptist Children's Homes of North Carolina have been giving children a chance at life. This year we formalized that phase into our first state-wide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise \$11 million over three years to expand Cameron Boys Camp, boost general income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Some of the new endowment earnings will increase training to help staff deal with ever changing needs among the 1,000 children and families they serve each year..

Baptist Men of North Carolina have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately \$75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than \$1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without a special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant \$400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receive \$1.5 million from Cooperative Program

receipts each year. That is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes BCH operates. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes have a 105-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

Robert Stroup, Sr.

BAPTIST HOSPITAL REPORT

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession... One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement, from Dr. Charles P. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this \$190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administrative Offices, and other functions. Nearing completion, is the Day Care Center for children of medical center employees. Under construction is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center on Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist Hospital. A Cranio-facial Clinic, to correct major deformities of the skull and upper face during the first year of

life, opened recently. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Ilizarov Technique for the repair and lengthening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hospital is the only medical center in the nation using and evaluating Clinodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 210,456 days of care for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery. These patients came from all across North Carolina and from thirty-four other states. Also the number of patients being referred to us from foreign countries is increasing as the reputation of the Medical Center spreads throughout the world.

The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families, and more than 14,000 services for hospital and church staff members and their families. The Minister's Care Plan, a joint program with the Baptist State Convention, had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six months. The Division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received \$692,946.24 through the Cooperative Program and \$271,361.24 through the Homes and Hospital Offering and direct gifts. Cooperative Program Funds are used for the Department of Pastoral Care, and other church gifts help to provide Benevolent Care for financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.

CHRISTIAN ACTION LEAGUE REPORT

The last 12 months have been eventful ones in the ministry of applied Christianity.

LEGISLATIVE ISSUES

1. **GAMBLING:** As this report is being prepared the battle is still on concerning a state-wide lottery. The gambling industry is well-staffed with its personnel and lobbyists who relentlessly pursue their interests among the members of the General Assembly. Legislators are constantly barraged by one of them to "let the people vote" to put the state into the gambling business.

2. **DRUNK DRIVING:** Proposals from Governor Jim Martin and even a Legislative Study Committee that would really toughen our drunk driving laws seem to be tied up in a House-Senate Conference Committee. Some well-known Senate defense attorneys are determined to keep anything of

real substance from passing. The pending legislation calls for: (a) The lowering of the breathalyzer blood alcohol level from .10 to .08; (b) The banning of open containers of all alcoholic beverages in motor vehicles; (c) Increasing the civil revocation of drivers' licenses from 10 to 30 days; (North Carolina is the only state in the nation with less than a 30-day loss of driving privileges for registering a .10 or above on the breathalyzer.) (d) Increasing the fines for being convicted of drunk driving; (In 1947 the minimum fine was \$100, and it is still the same 43 years later.)

3. ABORTION: (a) Because of the outstanding work of Representative "Skip" Stam of Wake County, the House voted to reduce the state's abortion fund from \$400,000 to \$100,000. These remaining funds could not be used for abortion as a means of birth control. They could only be utilized for abortion when the mother's life is endangered, or in cases that result from rape or incest. However, the Senate voted to leave the funding at its current rate, so the measure is now tied up in a conference committee. (b) A parental consent proposal overwhelmingly passed the House requiring a parent's approval before an abortion could be performed on a minor. (Such consent is required before a school official can give an aspirin to a student, but such consent is not required for a minor to receive an abortion.) But it appears that the Senate will not approve this measure.

4. MISCELLANEOUS: Other legislative proposals such as raising the tax on alcoholic beverages, requiring the teaching in public schools of sexual abstinence outside of marriage to combat the teenage pregnancy problem, and making the possession of child pornography a felony were considered but were side-tracked by the Senate. Incidentally, the tax on beer has not been increased in North Carolina since 1969. This reveals how strong the beer lobbyists are.

CHURCH AND COMMUNITY ASSISTANCE

In the past year, the League has successfully assisted in alcoholic beverage campaigns in places such as Hertford County, Pamlico County, Concord, Lumberton, Manteo, Randleman, Waynesville, etc. in their efforts to defeat various referenda such as liquor-by-the-drink had beer-wine sales.

We have sought to keep the Christian community informed on moral and ethical issues through our publication Tomorrow, and through speaking in churches, pastors' conferences, and civic clubs.

Thank you for your prayers and financial support in our ministry of applied Christianity.

STATE MISSIONS REPORT

A packet of materials on State Missions, and a Week of Prayer for State Missions, was mailed to the churches around the first of August from the Baptist State Convention. Included in that packet was an eight page issue of "State Missions News." The State Missions story for 1990, employing pictures and text is contained in this newspaper style brochure.

In addition, the packet contained a copy of a "Family Prayer Guide," bulletin insert, "Study Guide," State Missions offering envelope, and a

"State Missions Offering Materials Order Form."

The associational office has a few of these packets, and State Missions offering envelopes. These will be shared as requested until the supply is exhausted. We also have a copy of the 1990 video on State Missions. This video is entitled, "In His Name," and is 18 minutes in length.

On the inside of the back cover page of this Book of Reports, you will find information about the disbursements of funds for this special offering using the base goal of \$1,800,000.

The suggested date for this Week of Prayer for State Missions, and special offering in our association is September 9-15.

CHRISTIAN HIGHER EDUCATION REPORT

A preacher once entitled his sermon, "If Christ Is the Answer, What Is the Question?" The sermon had three points. "How can I live with myself?" "How can I live with others?" "How can I live with God?"

Your Baptist colleges attempt to confront students with life's most important questions: What is the purpose and meaning of the created order? How will I spend my one life? How should I measure success? How much is enough? How can I best serve God and my fellow human beings?

The best gift churches can give to their youth is a college education where Christian people are seeking answers to truly important questions. The Baptist college experience provides challenges and opportunities, in and out of class, for young people to become whole, healthy persons both intellectually and spiritually. People who can think clearly about life, including faith and vocation, are the kind of persons needed to establish homes, grow churches and build a better world.

Colleges educate. Churches call persons to faith and encourage spiritual growth. Colleges and churches, then, have distinct roles. Baptist colleges lead students to link learning with faith to produce whole, mature men and women equipped for a lifetime of learning and service.

No question about it, Baptist students and Baptist colleges belong together!

Dr. S.L. Stealey, the late founding president of Southeastern Baptist Theological Seminary, once said, "The Tripod upon which Baptists have based more than one hundred years of progress has been MISSIONS, EVANGELISM, and EDUCATION. To shorten one leg of this tripod is to endanger the whole." This is a statement all Baptists should ponder.

North Carolina Baptist colleges are guided, as are the churches and the Convention, by historic Baptist principles:

1. **The authority of the Scriptures and the Lordship of Christ.** Because we regard the Bible as sufficient authority, to be interpreted by the individual under the guidance of the Spirit of God, we do not need authoritative creeds or ecclesiastical organizations as a substitute for the authority of the Bible.

2. **The competence of the individual and the priesthood of believers.** Each individual has the right to approach God directly, and every individual is competent to deal directly with God in all matters pertaining to salvation and the Christian life.

3. **The autonomy of the local church and cooperation in Christian service.** Each church is congregational in organization, with every member having the right to vote. Cooperation, not coercion, is the basis of

denominational unity.

4. **Freedom of religion and a free church in a free state.** Religious liberty rather than religious toleration is a North Carolina Baptist distinctive.

The enduring ties and relationships between Baptist colleges, Baptist churches and the Baptist State Convention help to guarantee the tripod's balance and a healthy spirit of partnership in the Gospel.

Lucille Howell

BAPTIST FOUNDATION REPORT

The historical records of the North Carolina Baptist Foundation will reveal 1989 and 1990 to be significant in its 70 year history. Organized following action taken at the 1919 Convention and chartered by the State of North Carolina in 1920 as a charitable corporation, the Trustee agency of the Convention has only in recent years begun to have an impact in providing financial support for Baptist institutions and mission causes.

Charged with the responsibility of creating greater awareness among Baptists within North Carolina concerning estate stewardship as a viable and significant means of providing financial support of Christian endeavors fostered by our churches, the Baptist Foundation assists individuals in the establishment of endowment and trust funds. Through these funds, financial support is provided the donor's chosen Christian cause or causes on a continuing basis for years to come, long after the donor's death.

The growth of the Foundation, in terms of assets managed has been significant during the past few years. Since January 1, 1988, the assets placed under management of the Foundation has increased by over \$13 million through May, 1990. This exceeds the asset growth goals set in 1986 for a five year period. (Assets held in trust and endowment funds as of June 1, 1990, unaudited, \$26,176,481.)

Gifts of appreciated assets, such as stock and real estate, can be placed in trust to generate income for individuals and then pay income to Christian causes beyond their lifetime. As a result of this unique opportunity to give, older adults are realizing the joy of establishing life income trusts. This plan often provides a significant increase in personal income, by-pass of capital gain taxes, creation of a charitable deduction for income tax and estate taxes, and assures an eventual gift to Christian endeavors.

A new home for the Baptist Foundation was built during 1989 and early 1990. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990, and provides much needed space for the work of staff as well as for conferences and meetings. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

The Foundation employs 7 full time employees and operates under the direction of a 20 member Board of Directors elected by the Baptist State Convention.

Harold Ellis

BAPTIST RETIREMENT HOMES REPORT

Making life for Older Adults the "Best of Times" is the continuing goal of Baptist Retirement Homes of North Carolina Inc., which operates four residential facilities for Older Adults around the state - in Albemarle, Asheville, Hamilton and Winston-Salem.

In Asheville, our efforts include a move toward expanding the Western North Carolina Baptist Home. The Board of Trustees of Baptist Retirement Homes applied for permission to construct the 60 nursing care beds the state is allocating to Buncombe County in 1990.

State approval of its plan will be the next step toward adding a health-care unit to the facility, a unit offering skilled and intermediate nursing care. Currently the only nursing care provided by Baptist Retirement Homes is the 85-bed nursing-care unit at Brookridge Retirement Community in Winston-Salem, the newest facility operated by Baptist Retirement Homes.

Around the state, the other homes face a promising year.

In Winston-Salem, Brookridge Retirement Community celebrates its first birthday in 1990. It is the largest of the facilities, providing five levels of care - independent living in garden homes, independent living in apartments, and assisted living, intermediate nursing care and skilled nursing care in its health-care unit - to 350 Older Adults.

The facilities in Albemarle and Hamilton provide assisted living in a residential setting to 30 Older Adults each. Both programs are greatly enhanced by the strong support of the surrounding community and its churches. The Brotherhood, WMU and senior adults clubs at many nearby churches provide fellowship, entertainment, skills and physical labor, household needs - whatever they see are needed by each home.

The Albemarle Baptist Home also offers respite care for those families who care for an Older Adult and need some time away from that responsibility. The cost of the care is paid by the family, and it provides overnight care for whatever length of time the family needs.

It, and other alternative forms of residential care for Older Adults, are additional ways being explored by the Homes to meet the growing needs of the Older Adult Baptist population in this state.

Please pray for our ministry.

Mearl Woody

ANNUITY BOARD REPORT

According to the Annuity Board: SBC, the following churches had one or more employees in the retirement plan as of June, 1990: *Altapass, *Bakersville, *Bear Creek, *Beaver Creek, *Berry Chapel, Cane Creek, *Central, *Crabtree Chapel, *First Baptist, Freedom, *Grassy Creek, *Lily Branch, *Mount Carmel, *Pine Branch, Roan Mountain, *Snow Hill, and *White Oak. The association participates for the Director of Missions. (Asterisk indicates participation in the Expanded Program - participation of 10% based on pastor's base salary, plus housing and utility allowance.)

The Annuity Board: SBC has produced three video tapes dealing with the subjects of pastors' salaries, fringe benefits, insurance, and retirement. We have copies of these at the associational office. They are available for use by church committees. The Director of Missions would be happy to meet with church groups to view one of these video tapes and answer any questions.

It is extremely important that our churches make sure that the pastor and other church staff members participate in the retirement program offered through the Annuity Board, and be in their insurance plans: term life, long term disability income, and health insurance.

The Director of Missions is available to counsel with churches and church staff persons about retirement plans, and insurance programs.

THE BIBLICAL RECORDER REPORT

We need your help!

Never in the history of Southern Baptists has there been a time of more conflict and tension, much of it based on misunderstanding or a lack of correct information. As never before, we need informed Baptists to make the right decisions for the Kingdom's work in the name of Christ.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The Recorder is that source; nothing else matches the paper as a single source of news, information, inspiration and challenge in our mission efforts together.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper will focus more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage

individuals and churches in their witness and ministry, where they are and to the ends of the rapidly changing world.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact: The Biblical Recorder, 232 West Millbrook Road, Raleigh, NC 27609, (919) 847-2127.

THE AMERICAN BIBLE SOCIETY REPORT

During 1989 churches contributed \$2,263,534 to the Bible cause. Not only is this the highest level of church support ever recorded in a single year in the history of ABS, but it also represents a significant reversal of the recent downward trend in church giving for the Bible cause. The 1989 total is 32% higher than the total for 1988 and 24% above the most recent ten year average. It is with sincere gratitude that the American Bible Society extends its congratulations to you and your denomination for your part in making 1989 such a successful year.

Southern Baptist churches contributed \$299,232 to the American Bible Society in 1989.

The printed report from which this information was taken is a 16-page brochure. For those interested in the full report a copy is on file in the associational office.
